1980 PIRATE

Volume 43

Pasco Comprehensive High School

OUR FAMILY

This is **our family!** — a composite of student and staff, interacting to function as a very unique "family" in our "home away from home". Within the warmth of this relationship we enjoy competing with one another, share leisure-time activities, serve our school and community through campus organizations, develop mind and muscle through study and work, and ultimately emerge as relatively self-sufficient individuals anxious to take our places in a much larger "world-family".

We began here! Our **parents** loved and cared for us; **brothers** and **sisters** taught us that life requires sharing. Our first friendships were formed and life was good! Those who bandaged our knees when we were small now often bandage our hearts when life's hurts come our way. They continue to supply the support and encouragement we need as young adults, struggling to "find ourselves" within this new and larger PCHS family.

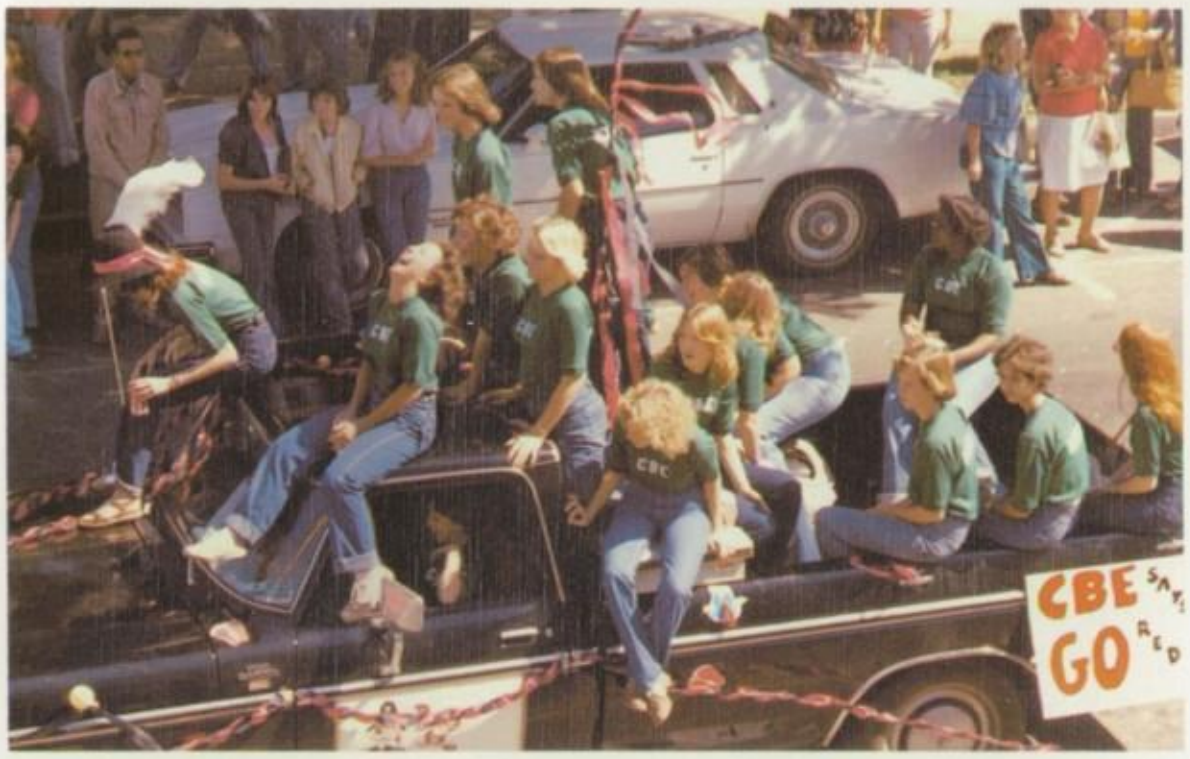
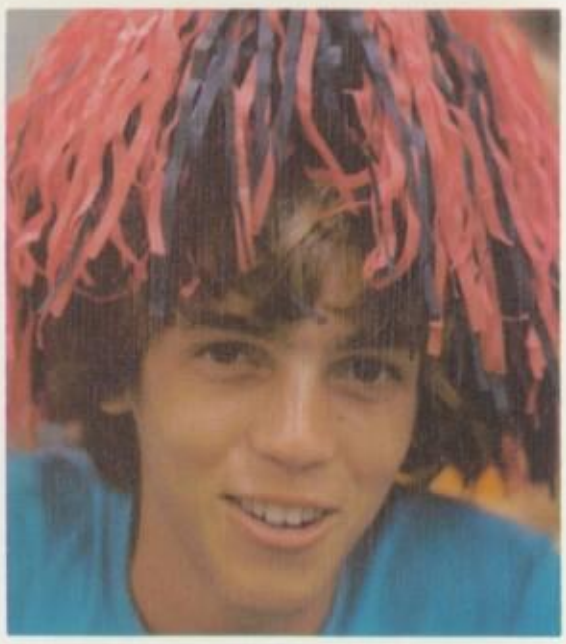
PIRATES

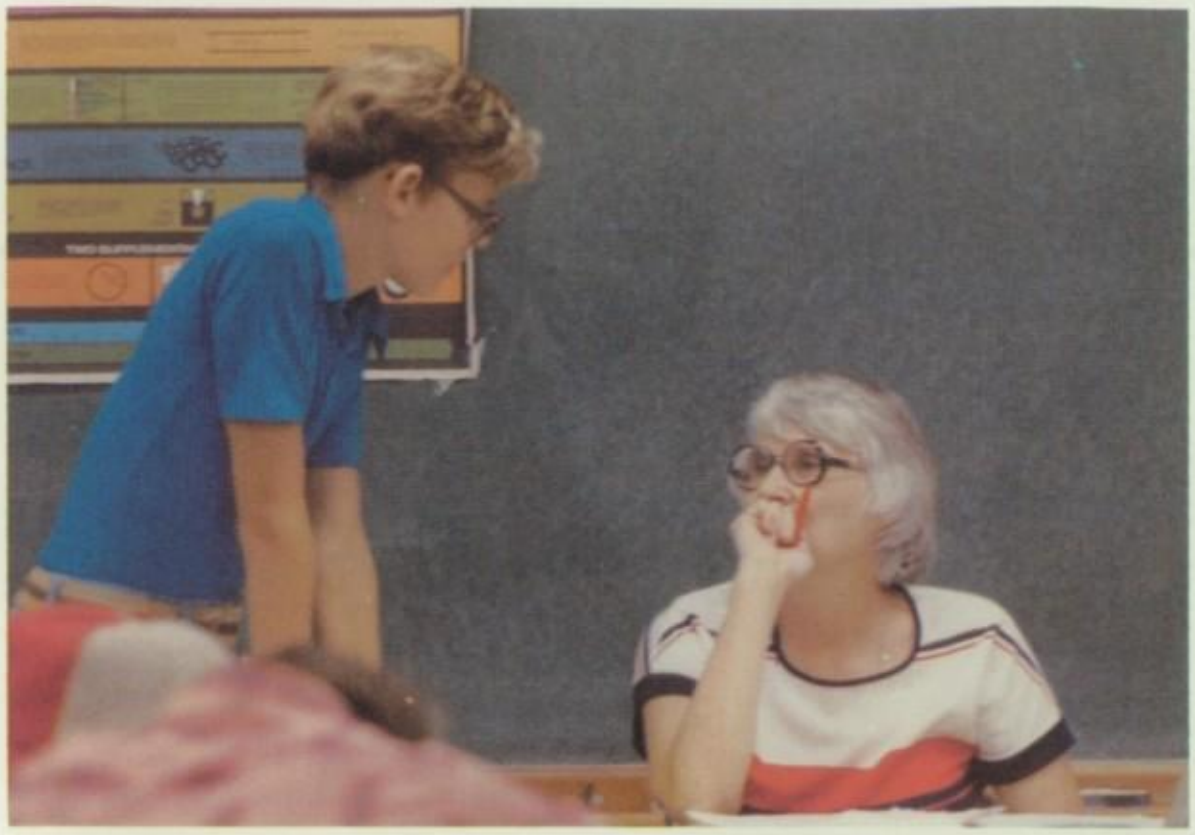
We thrive on competition! By **competing** against ourselves and with others, we accomplish our goals and capture our dreams. From the most explosive pep rally to the loneliest cross country race, we are challenged to "do just a little better next time." Often we win; sometimes we lose. In either case, we are drawn closer together, for we have shared the joy of victory and the tragedy of defeat.

Families that play together have more fun! We **play** and we have fun!! The routine of study is frequently broken by any good (or bad) excuse for a dance, a party, a celebration. Many of us will remember these "good times" as the *best* times we had as a family at PCHS.





To "get the job done," families have to get organized! On our campus there's an **organization** to fit the needs and talents of almost every family member, involving them in service to our school and community. Each member can cultivate those talents and interests that are uniquely his, simply because he chooses to do so!



Work is our "reason for being!" Our Pirate family was created for the purpose of **learning** and **working** together. Teachers, assuming a parent-role, impart knowledge which can later be expressed by the student in the world of work. Students, on the other hand, often teach teachers a great deal about human nature! In a reciprocal effort, students, teachers and other staff members learn to live together in harmony — perhaps the most important lesson of all.

I've got my act together! I haven't *arrived* yet, but I'm getting there. Within the atmosphere provided by my PCHS family, I'm stretching my ideas, expanding my special gifts and am in the process of becoming **uniquely ME!** My classmates are sharing similar experiences. Look out world — we're on our way!

Mr. Scott Johnson,
With great love and appreciation, we dedicate the 1980 Pirate to you and your very special family.

V. Cheerleaders

We, as the 1979-80 Varsity Cheerleaders of PCHS, have a very important image to fulfill. We are observed as "special" and are the envy of every little girl. Hard work? Sure, but to make days brighter, receive a little smile, and support that all-special team is what is most important. We are fortunate to have the opportunity to share a growing relationship with the athletes, students, and faculty. The experiences we confront are unforgettable; they may have contained tears of laughter, but each was meaningful to building everlasting friendships.

Beth and Tammy discuss the plays that gave our team the Sumter County trophy.

Then, in August there's camp! We brought home four superior ratings and were chosen as one of the *top three* of 86 squads!! Camp was a growing experience for each of us. We found out what each girl had to contribute. This pulled us closer together and enabled us to work harder and better. No, we're not perfect, but we're trying! We keep on trying to do our best, not just for ourselves, but also for all those who look to us as their link to the team.

All the effort pays off when a little girl, smiling from ear to ear, pushes her way through the crowd just to tell you, "I have cheerleading shoes too!!"

V. Football

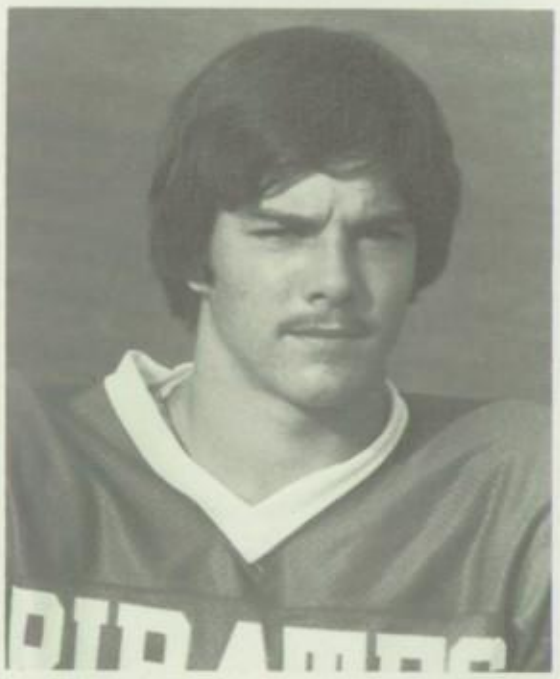
This year, the football team under their new head coach Bob Bowling, and assistants Tom Fisher, Scott Hunt, and Willie Broner, instituted the veer offense and the slant defense. Our offense and defense showed great promise, and in years to come, should be a winning combination.

Coach Bowling and his coaching staff improved last year's 1-9 record to a record of 5-5. Next year promises to be even better!

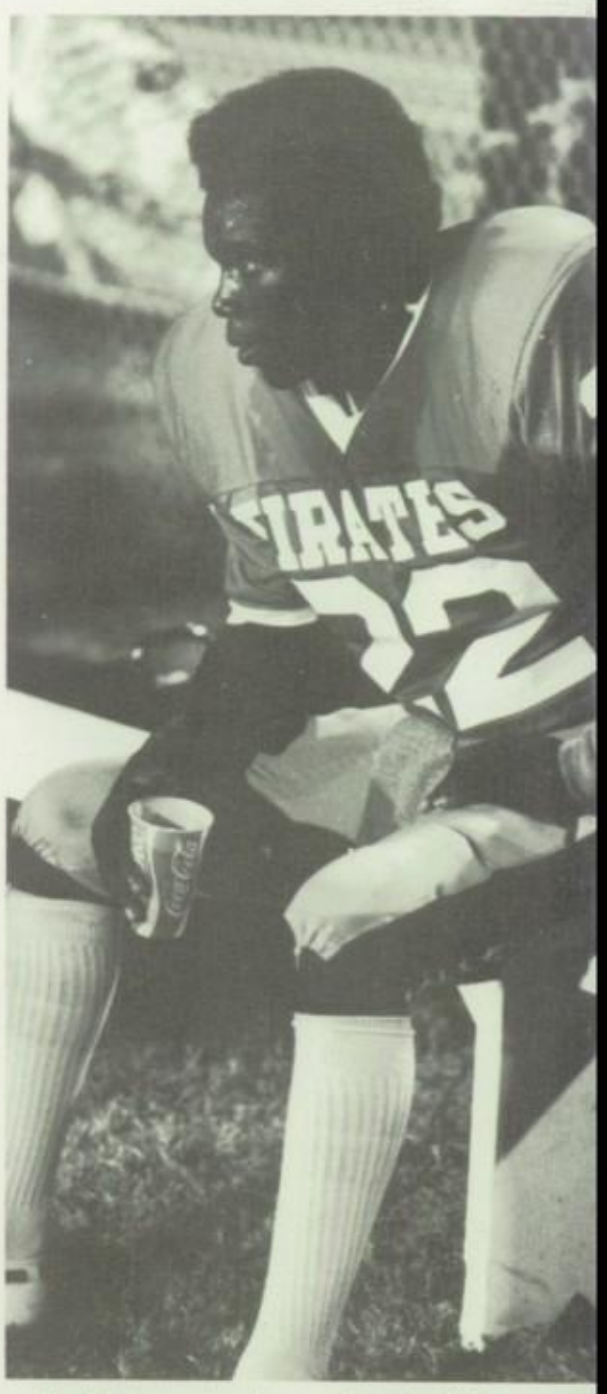
Last year the Pirates didn't have enough players to even field a Junior Varsity squad, but this year produced a JV squad that went undefeated. Pirate football has improved greatly with increased potential for Fall 1980!

The players would like to thank Coach Bowling and his coaching staff for their understanding, backing, and unswaying confidence in every player. This year's senior players wish Coach Bowling and his coaching staff even *better* luck next year. You can count on our support in years to come!

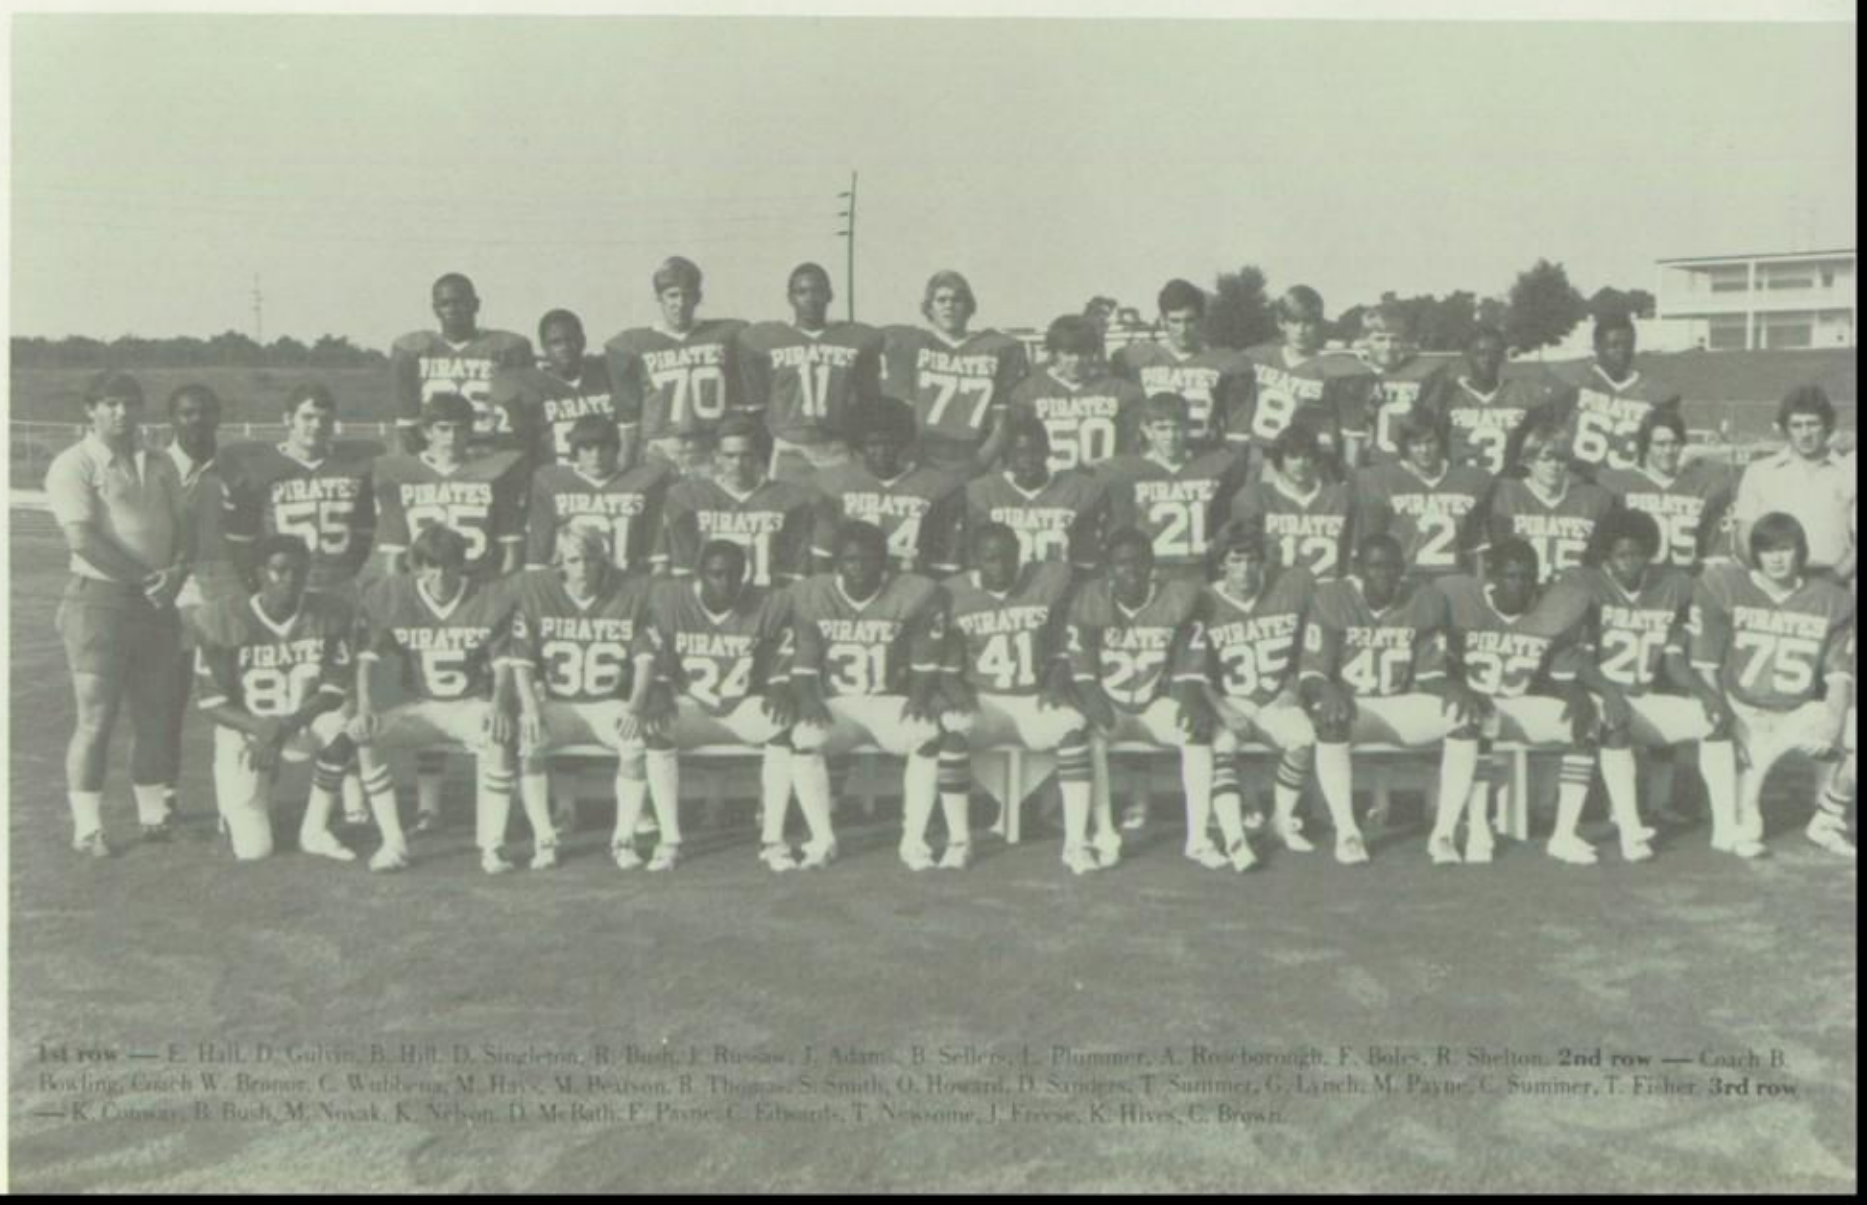
Robert Bush — linebacker, tailback.



Todd Sumner — cornerback, quarterback.



Joe Adams watches the game from the sideline.



1st row — E. Hall, D. Galvin, B. Hill, D. Singleton, R. Bush, J. Russaw, J. Adams, B. Sellers, L. Plummer, A. Roseborough, F. Boles, R. Shelton. **2nd row** — Coach B. Bowling, Coach W. Broner, C. Wubbena, M. Hays, M. Pearson, B. Thomas, S. Smith, O. Howard, D. Sanders, T. Summer, G. Lynch, M. Payne, C. Summer, T. Fisher. **3rd row** — K. Conway, B. Bush, M. Novak, K. Nelson, D. McBath, F. Payne, C. Edwards, T. Newsome, J. Freese, K. Hives, C. Brown.

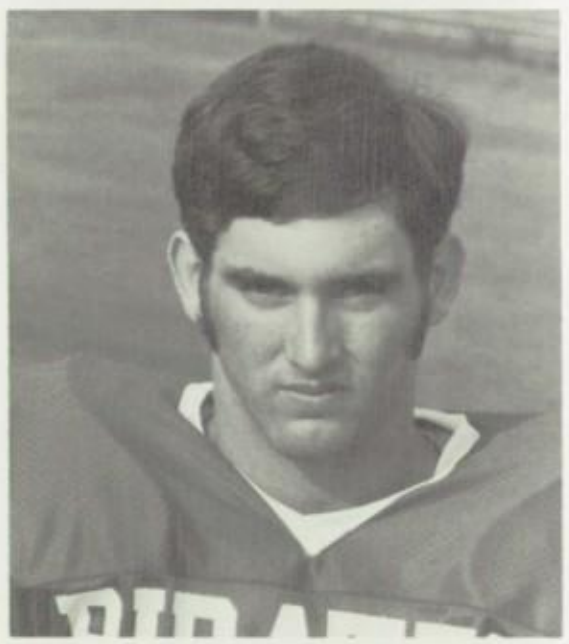
Touchdown for Pasco!!

Keith Nelson — halfback, quarterback.

Frankie Gulledge — noseguard, tackle.

Homecoming 1979!

Jerry Russaw — linebacker, fullback.



Charles Edwards — center.

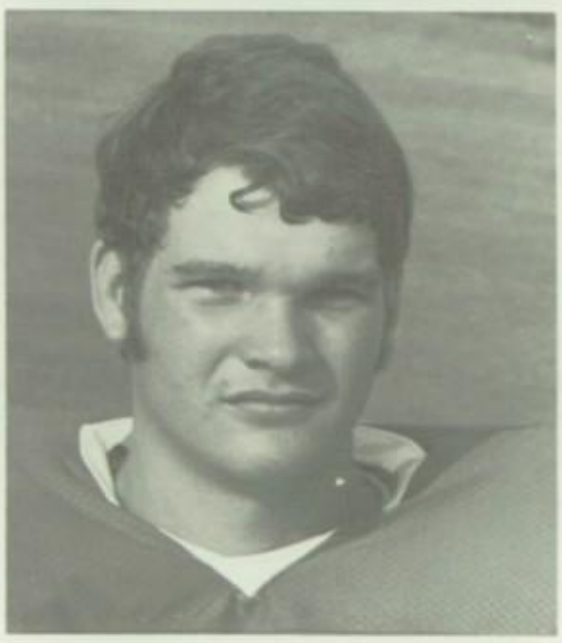
Dan McBath — defensive and offensive tackle.

Ken Conway — defensive and offensive end.

Coach Bowling "discusses" a penalty with the refs.

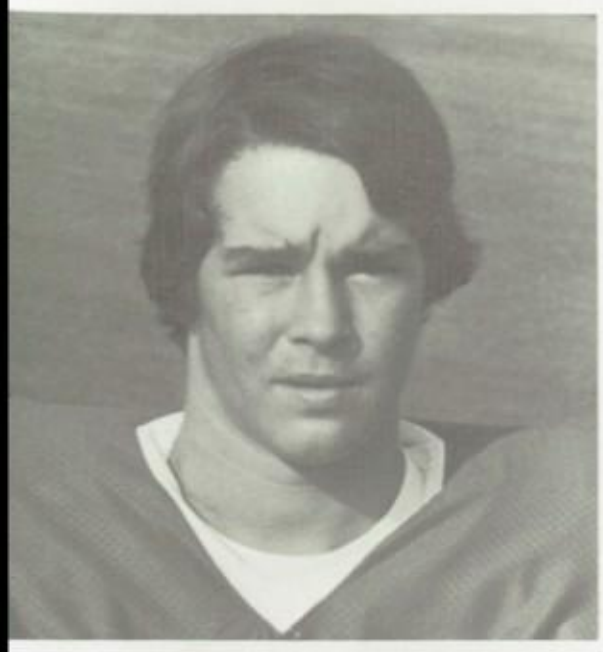
The Pirates move into position for another play.

Frankie and Robert wait to see who won the toss.



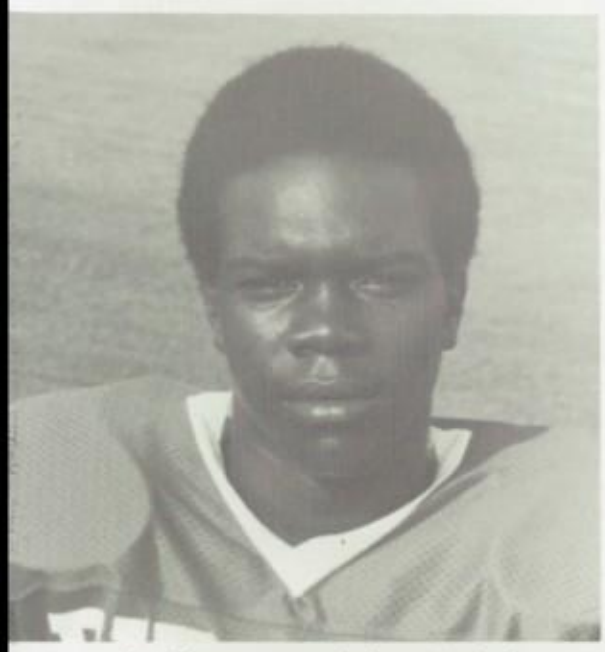
Charlie Wubbena — defensive and offensive tackle.

Lyle Plummer — defensive and offensive end.

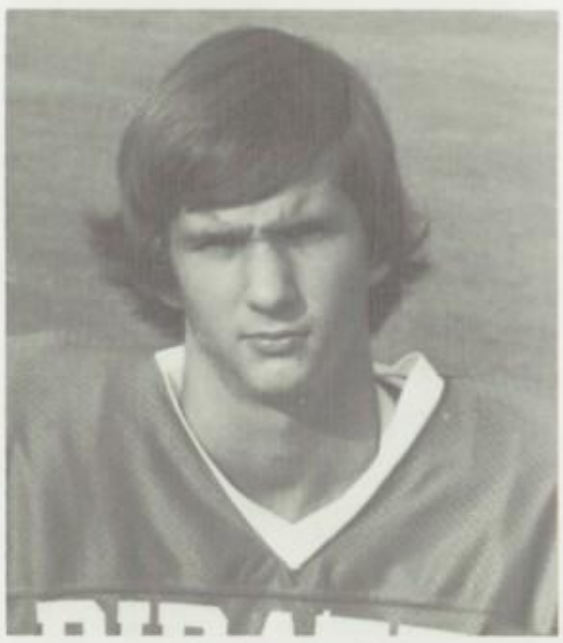


Chad Sumner — cornerback, flanker.

The team physicians escort Robert Bush off the field.

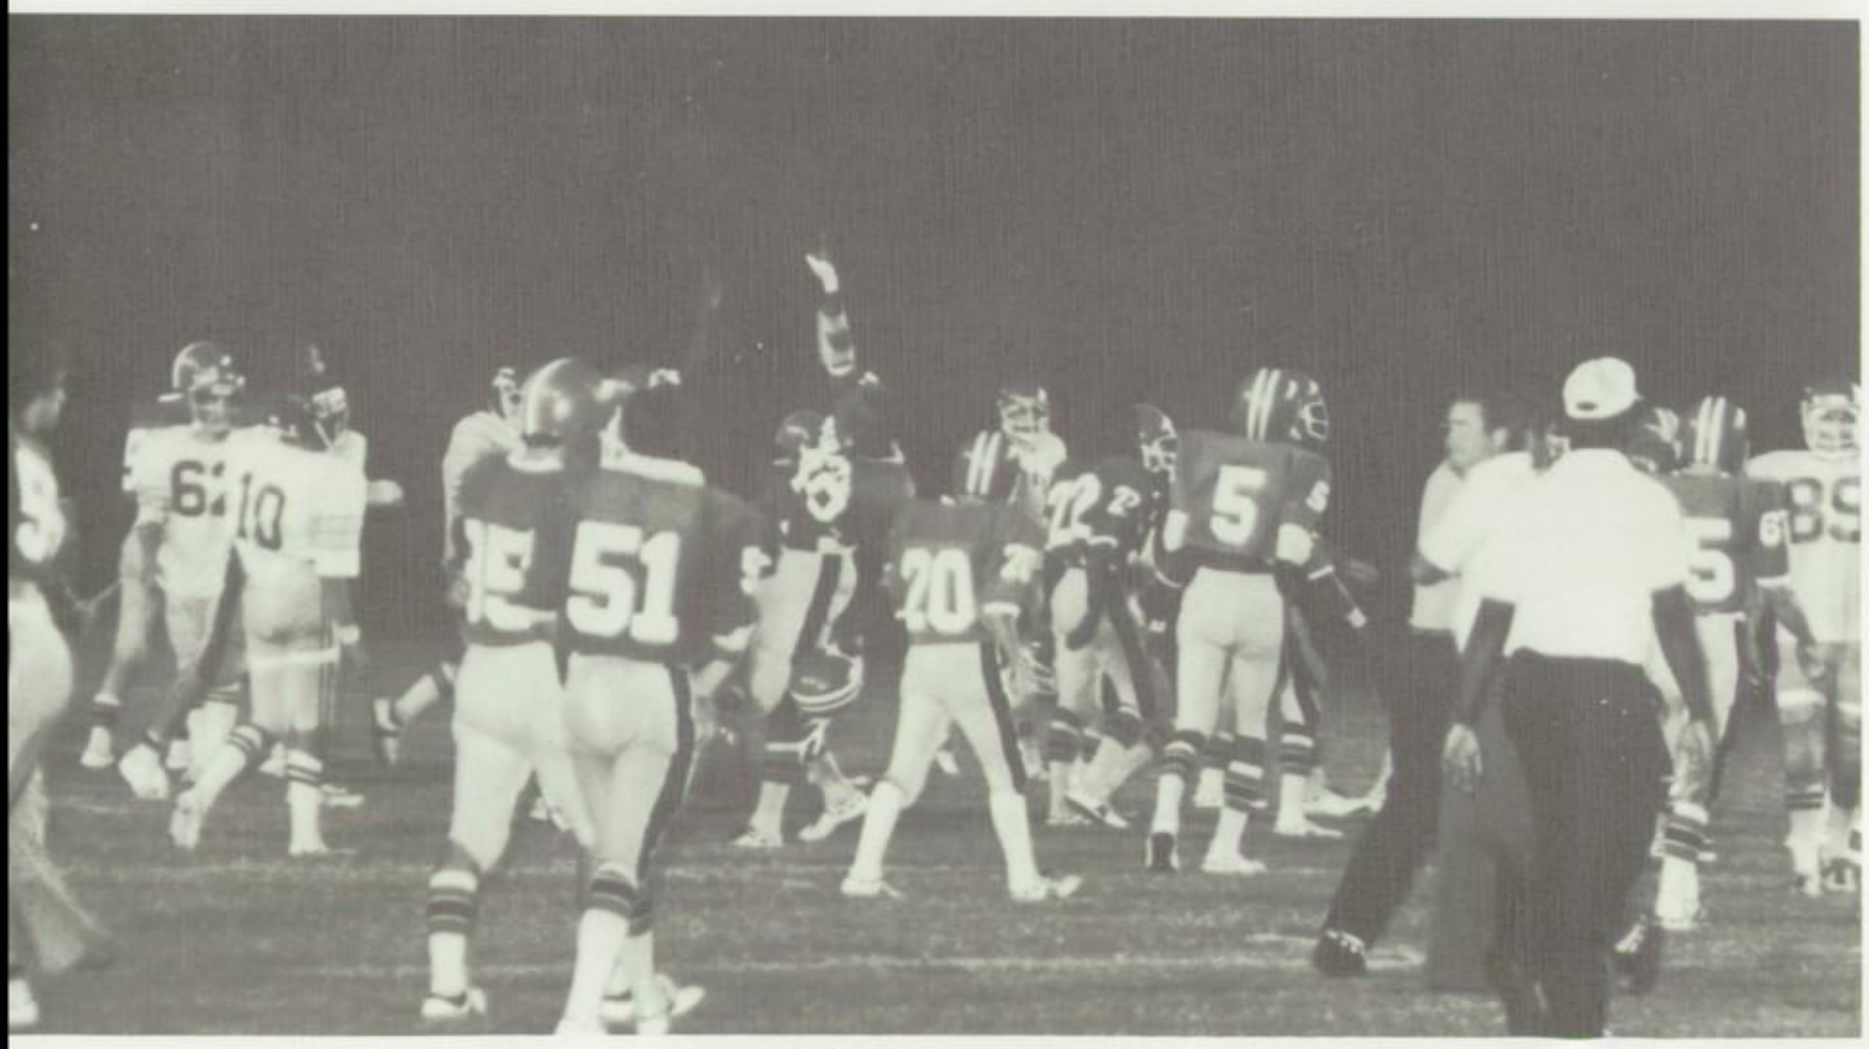


Joe Adams — cornerback, runningback.

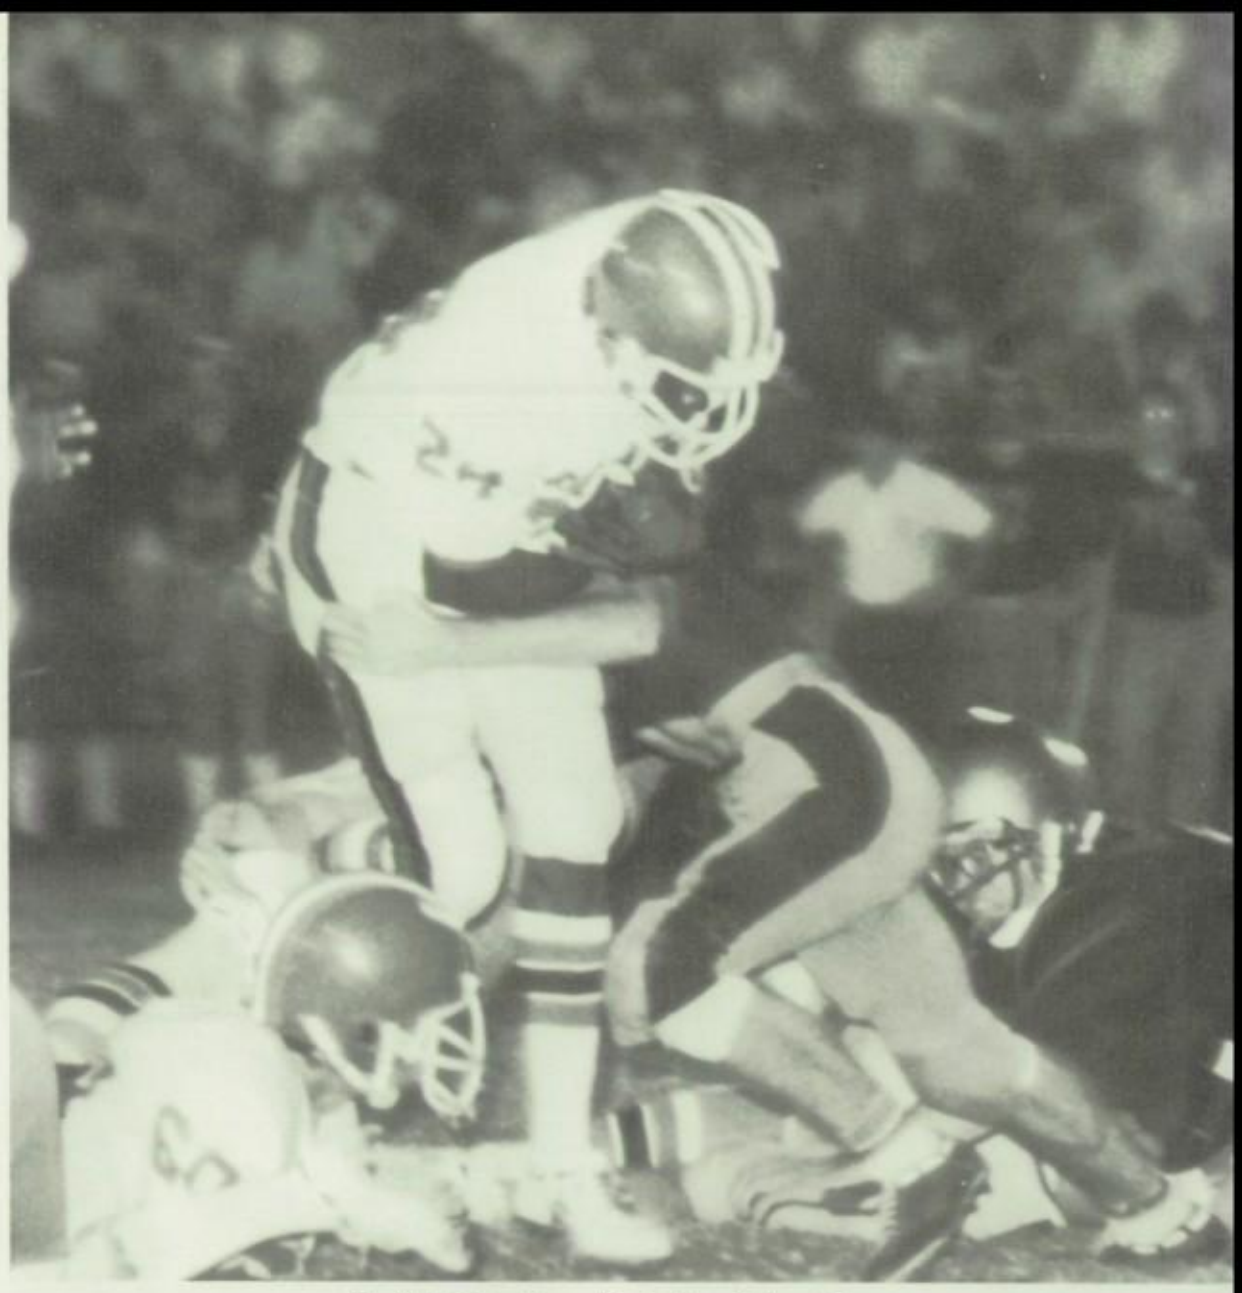


Gregg Lynch — safety, flanker.

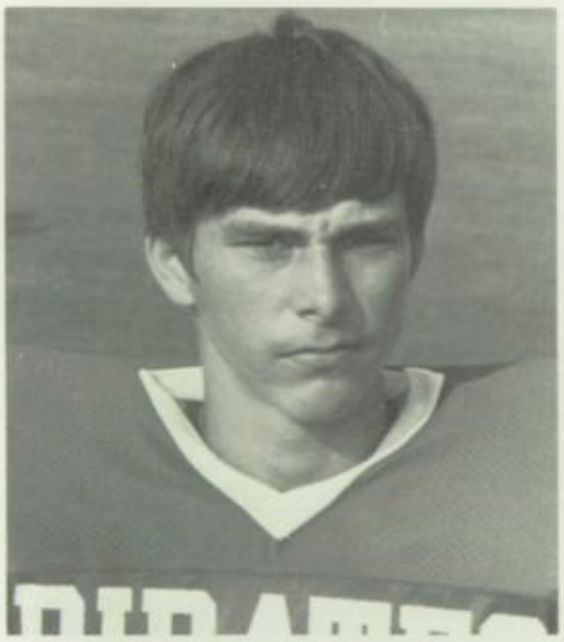
Frank Payne — linebacker, guard.



Another exciting victory for Pasco!!

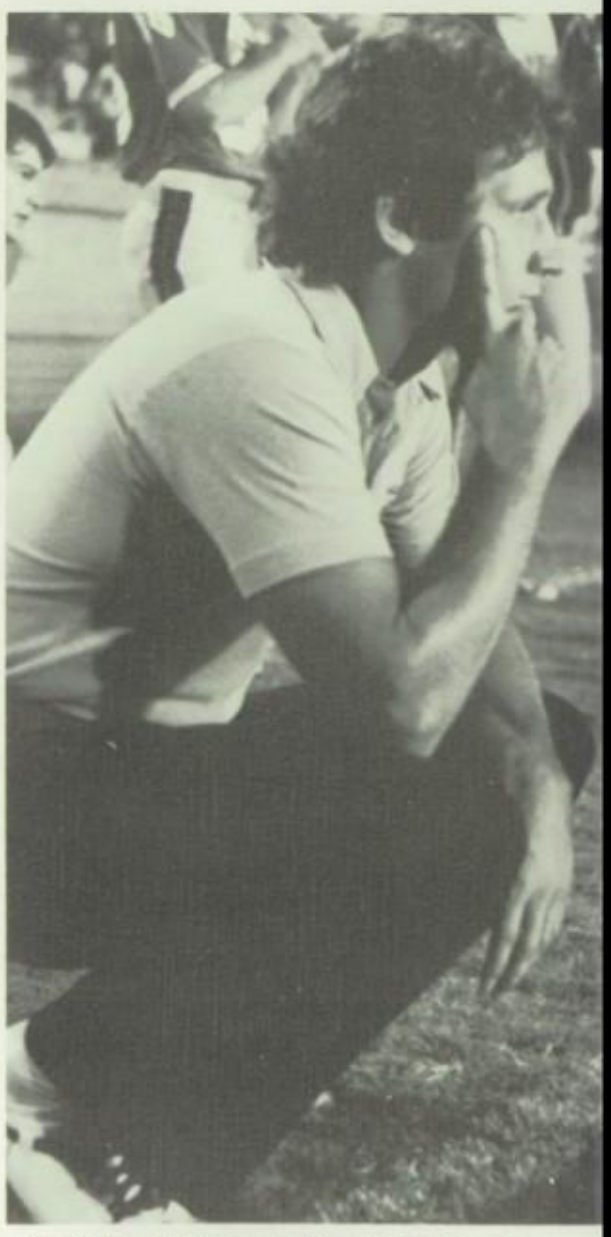


The "hole" Darrel hoped for has been "plugged."

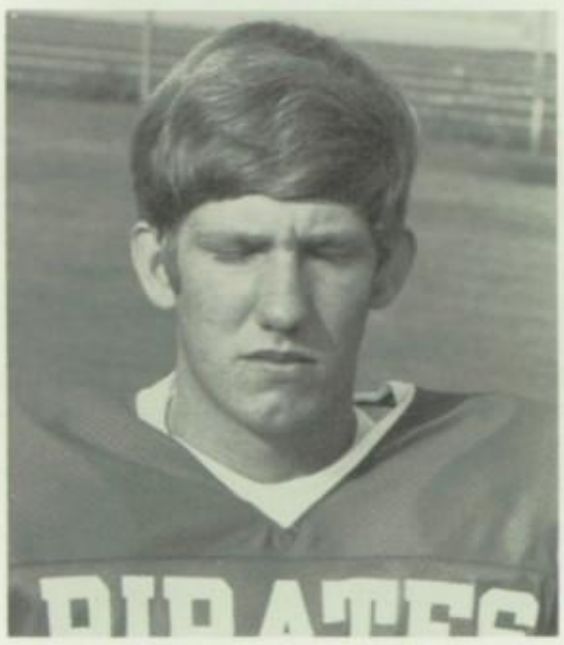


Marvin Hays — offensive guard.

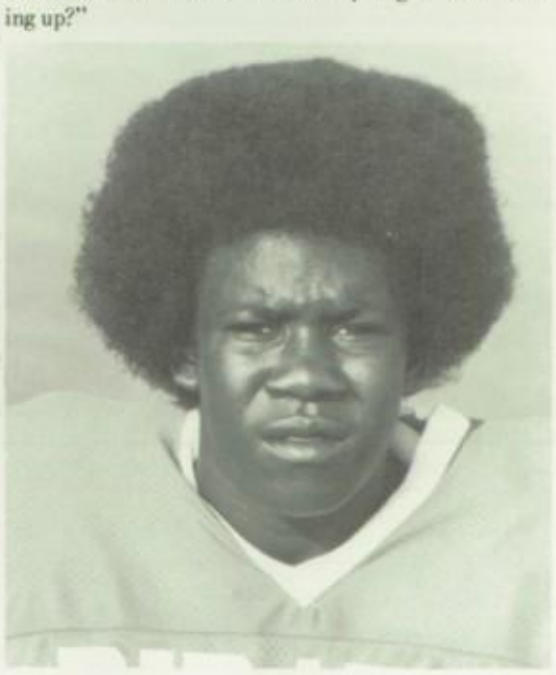
Dr. McBath asks Mike, "How many fingers am I holding up?"



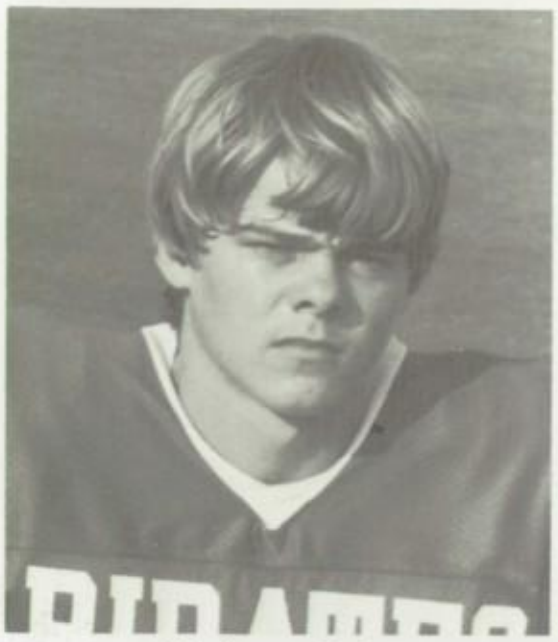
Coach Fisher thinks about that next defensive play.



Mike Novak — end, tackle.



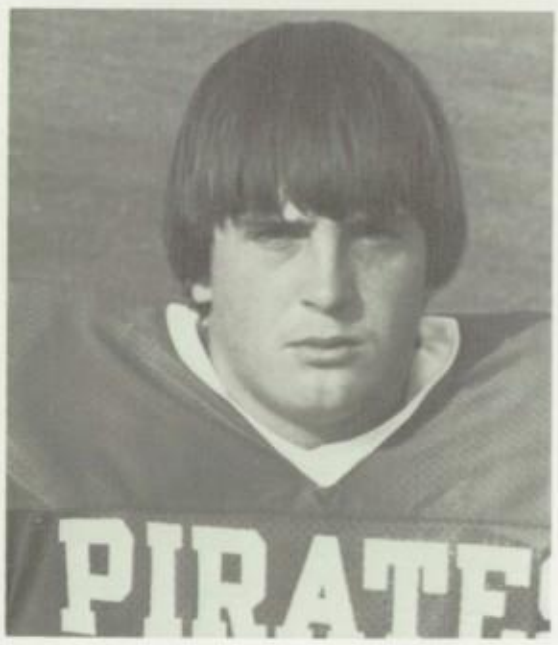
Nathaniel Smith — linebacker.



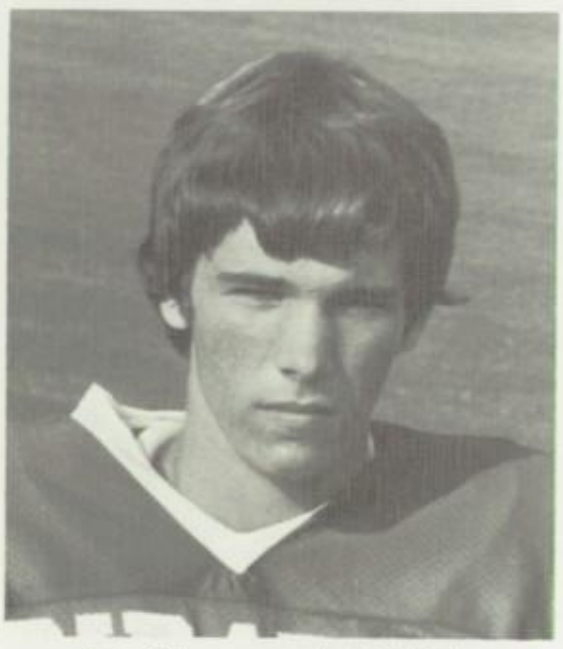
Mike Payne — flanker.

Darrel Singleton — cornerback, tailback.

The Mighty Pirates charge onto the field.



Mark Pearson — linebacker, guard.



Bruce Sellers — cornerback, fullback.

Soccer

Pasco High School fielded a soccer team this year. Our newly-born squad made an impressive showing in conference play even though they were less experienced than other teams. Led by captain Guy Olney, and co-captain Rob Hunt, coaches John Dampier and Phil Barker, they did an outstanding job! Though many of our players are seniors, the soccer program at PCHS has made a fine beginning for what we hope will be an even stronger program next year.

Guy skillfully maneuvers the ball down the field, just out of reach of the Hudson Cobras.

Ed passes off to Buddy.

1st row — J. Boyett, J. LaChance, B. Williams, J. Pierce, D. Tear, P. Brown, E. Tipton, G. Olney, B. Storch, Managers — S. Hail, P. Cain. **2nd row** — Coach J. Dampier, T. Ainsworth, M. Duncan, R. Hunt, E. Long, M. Boyett, T. Godfrey, J. Stevens, A. Neuhofer, Y. Spector, J. Soto.

Goalie Eric Long, makes Winston DuBose look like a rookie.

Here's an example of Mark Boyett really using his head!

Cross Country

E. Tipton, P. Arnade, P. Peterson, Coach A. Poe, P. Brown, N. Geiger, and J. Earl.

Coach Poe checks Paul's time.

Ed, Peter, and Norman pace themselves for a strenuous journey.

James views running as a chance to "get back to nature."

The Cross Country team placed high in several meets, led by seniors Peter Arnade, Paul Brown, and Ed Tipton. Many hard hours of practice went into making us a great team. We will have several returning juniors and sophomores which should make us a strong team again next year. Though practices were difficult, they paid off in the long run in personal and team achievements.

Volleyball

This team is new and deserves credit for all the hard practice and work they put into their sport. Winning only a few of their games didn't put the lid on their school spirit or sportsmanship. This year was one in which to build unity and strength and to begin buckling down to the job of making *next* year one to remember! Most girls will be returning in '81 and with the help of Coach Thor they should be on the top!

1st row — S. Scott, L. James, C. Hartzog, D. Fowler, S. Williams. **2nd row** — L. Sperry, D. Stanley, P. Park, S. Petters, J. Sampson, Coach Debbie Thor.

Coach Thor goes over some game strategy with the girls.

Carman leaps for a return.

Donna serves 'em up!

Jo Ann is ready for the next point.

Shari sets one up to the front row.

Wrestling

The wrestling team, led by captains Charles Edwards and Dan McBath, has improved greatly this year. Our team has expanded to 15 members which has allowed us more and better wins! This has brought greater interest in the team and many more fans have attended the matches. PCHS wrestlers set two new records this year — the most *team wins* in one season and *team points* in one match!

Coach Hunt thanks the captains for their leadership and cooperation this year, and each member for his hard work and achievement!

For his dedication and understanding, the team appreciates Coach Hunt for showing them how to work together as a family, a unit . . . *one!* They wish him much success in his coaching career.

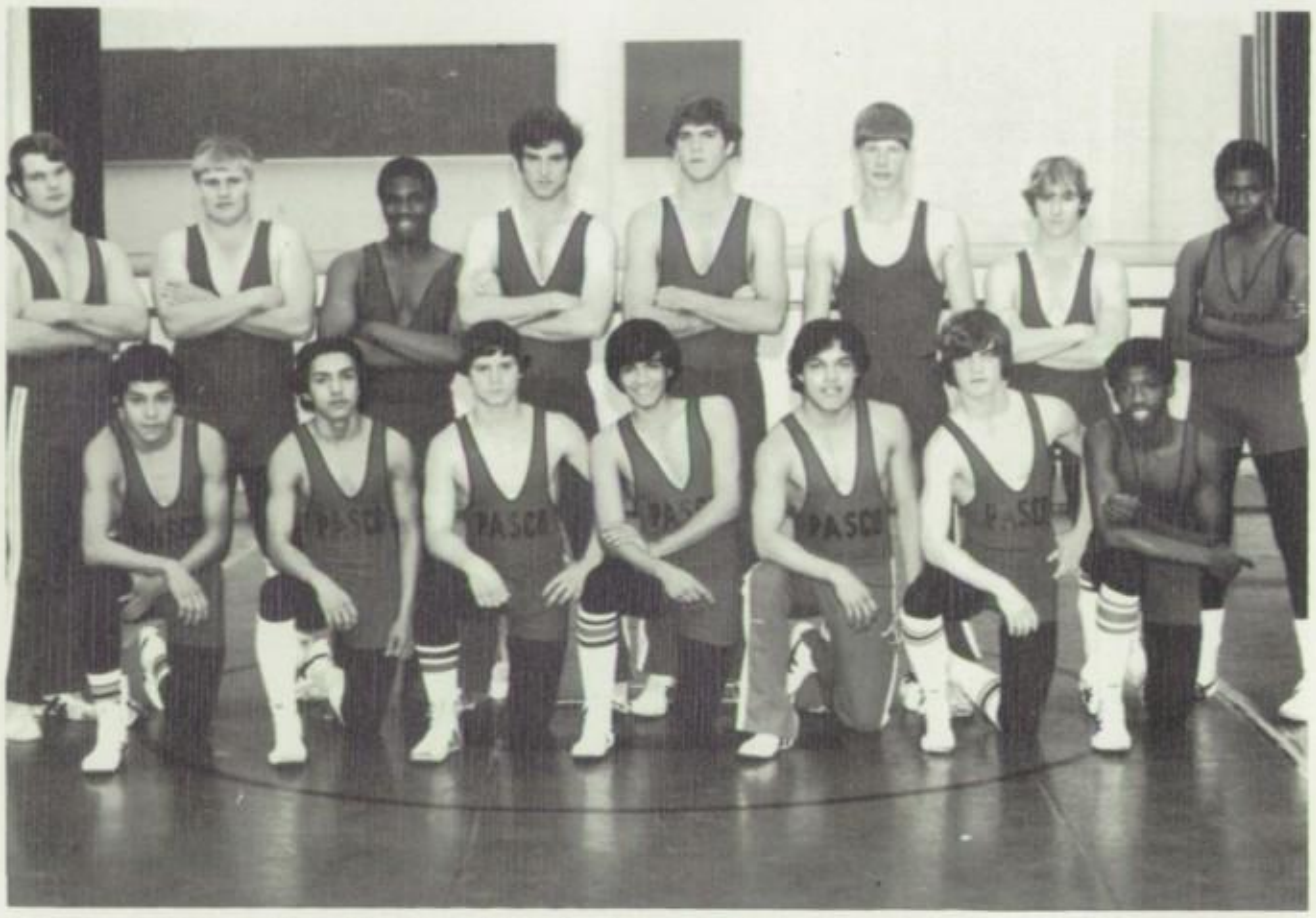
Coach Scott Hunt *watches* while his team *works!*

This is the way to throw a guy to the mat!

Charles Edwards "rides" his opponent who looks for a way out of the referee position.

Is this called a "pancake" because someone gets flattened?!

Ray Perez and "friend" are caught in a tie up.



1st row — R. Perez, R. Perez, J. Graham, J. Alexander, R. Perez, M. Prater, J. Earl. **2nd row** — C. Wubbena, D. Lewis, B. Bush, C. Edwards, D. McBath, T. Newsome, J. Scroggins, V. Graham.

Boys' Tennis

"All you have to do to play tennis is look cool," says David Tear.

The three B's of the PCHS Boys' Tennis Team: Beau, Buddy, and Blair.

1st row: D. Tear, E. Tipton, J. Powers, B. Storch, B. Williams. **2nd row:** B. Powell, G. Adams, M. Curtin, Coach Dana Beane. **not pictured:** E. Evans.

Glenn Adams demonstrates a unique two-handed return.

Looks as if Blair is all caged in.

The 1980 Boys' Tennis Team ended their season with a 6-10 record, a significant improvement over '79. Coach Dana Beane led the team and was extremely pleased by the team's upswing. Next year, eight of the nine team members will return, giving us an experienced team.

Our singles line-up was as follows:

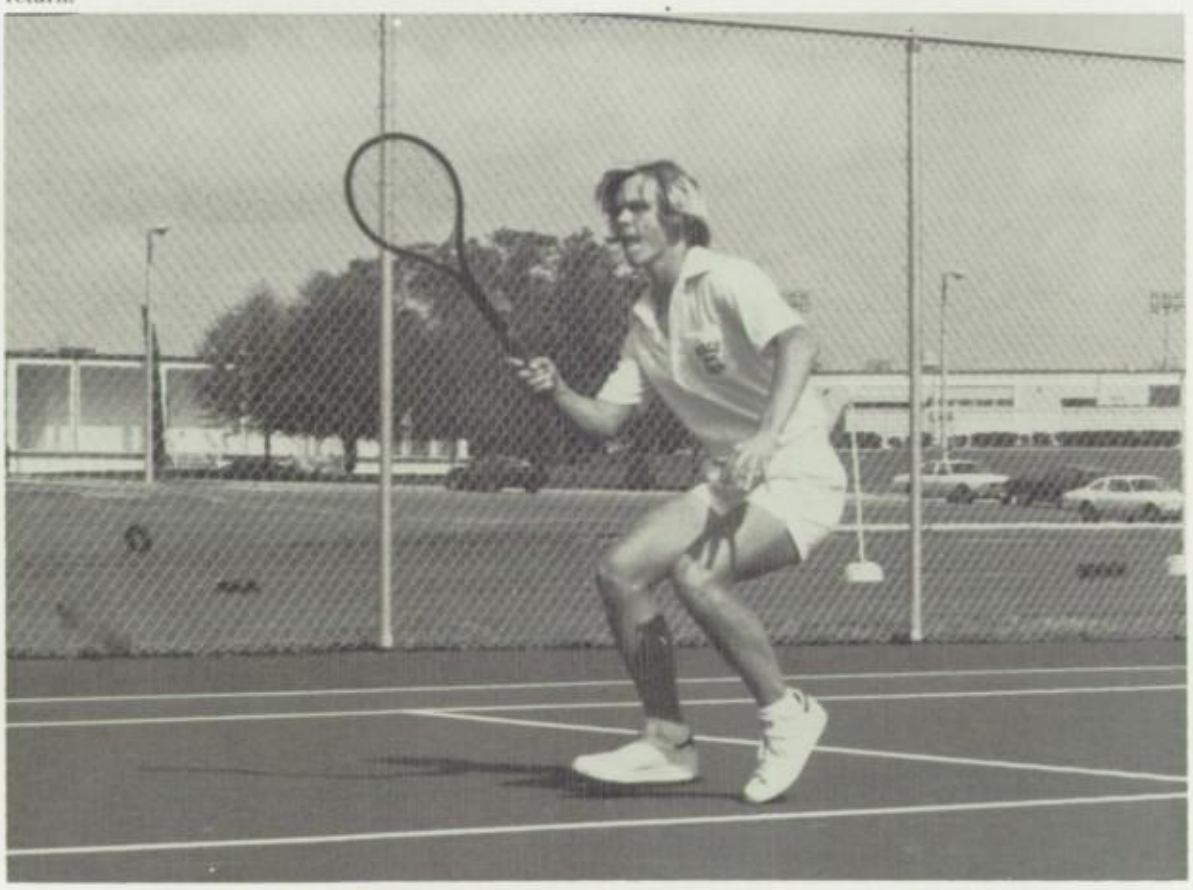
#1 Ed Tipton (Sr.)
#2 Jamie Powers (Soph.)
#3 David Tear (Jr.)
#4 Glenn Adams (Jr.)
#5 Blair Powell (Jr.) and
Buddy Storch (Jr.)

Doubles usually was played as follows:

#1 Tipton/Powers
#2 Tear/Adams

Our alternates, Emmett Evans, Beau Williams, and Mike Curtin, were not left out of the competition. Many times they were slipped into the lineup in order to gain experience.

The future is promising!



There's lots of action in all of Ed Tipton's games.

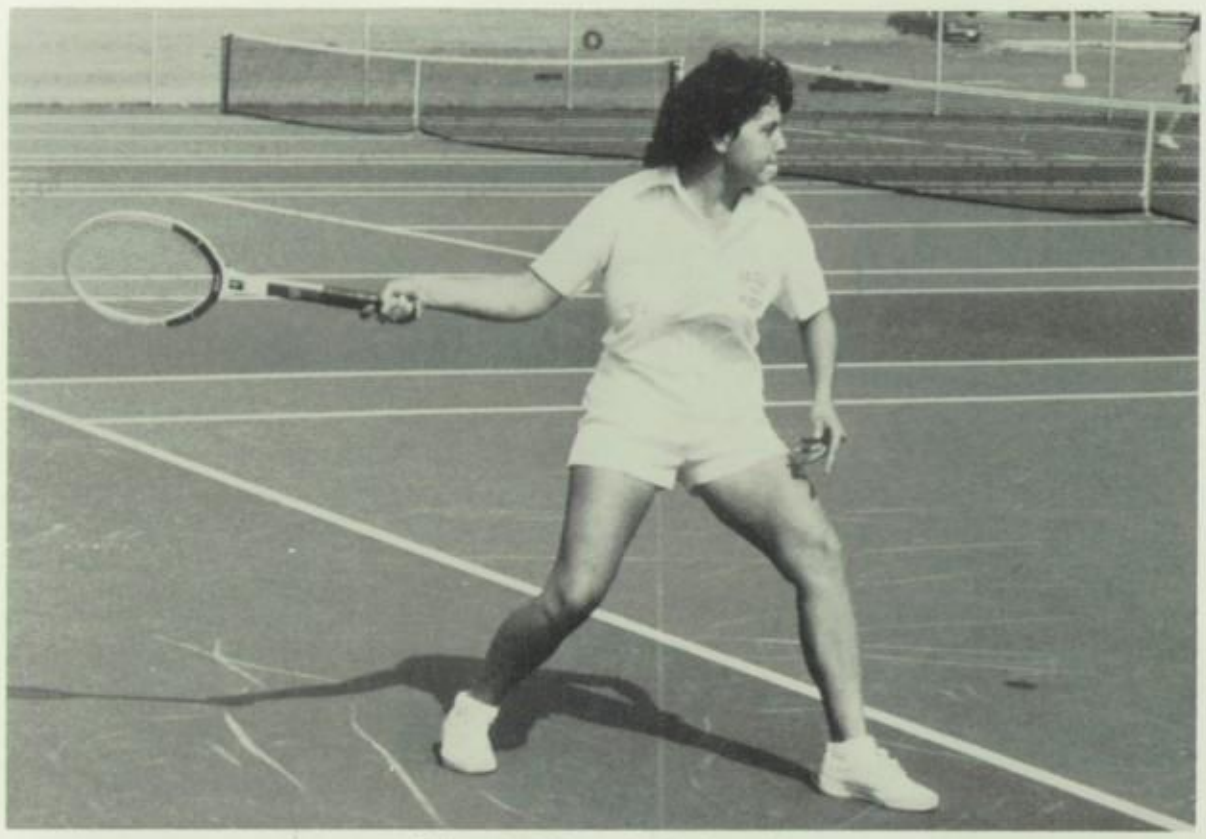
Sophomore, Jamie Powers, coaxes the ball back over the net.

Girls' Tennis

With a mighty swing, Shari returns the serve.

The 1980 Girls' Tennis Team netted only one victory, but this does not reflect the great effort and team spirit put forth by our girls. With only two returning seniors and many first year players, the girls learned a great deal from their Coach, Phil Barker.

Coach Barker, in his first year as the girls' coach, taught them much about the technicalities of the game. This year was a team-building year, and we're sure we can count on a winning season next year!



Killing the ball is on Andrea's mind.

Susan is on her toes for this return.

Beth plays a little armchair tennis.

Coach Barker, S. Sileo, A. Williams, B. Reynolds, J. Rutherford, P. Park, S. Smalley, S. Carver, S. Williams, S. Mullins.

"The clubhouse is over there," says Sandy.

Southpaw, Sherry, lofts the ball into the opposite court.

Golf

The 1980 Golf team had a good season led by all-conference members Jim and Scott Baker. Support and advice was given liberally by Coach Jim Auten. Losing only two Seniors this year, the team has a lot to look forward to in the '81 season.

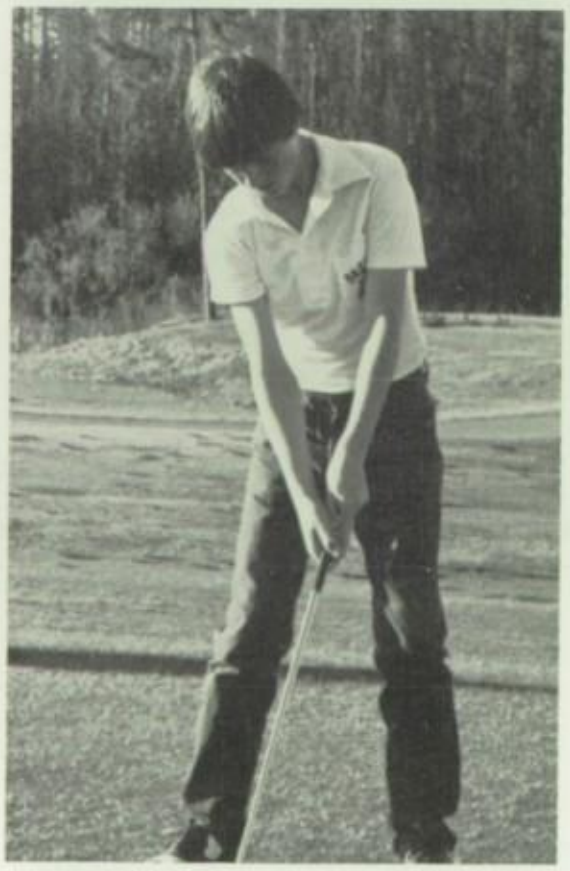
Jim lines up a shot as he waits for his turn.

Scott strolls across the green in search of the ball.

We hope that Mike had better luck . . .

. . . than Dan did! (check the ball)

Kneeling: B. O'Brien, F. VanNorman, B. Ward. **Standing:** Mr. James Auten; Coach S. Baker, T. Hins, M. Moore, D. McBath, J. Baker.



Gauging the wind, Bill gets ready to tee off.

Preparing for a long drive, Bill puts *everything* into his swing.

Court and Course

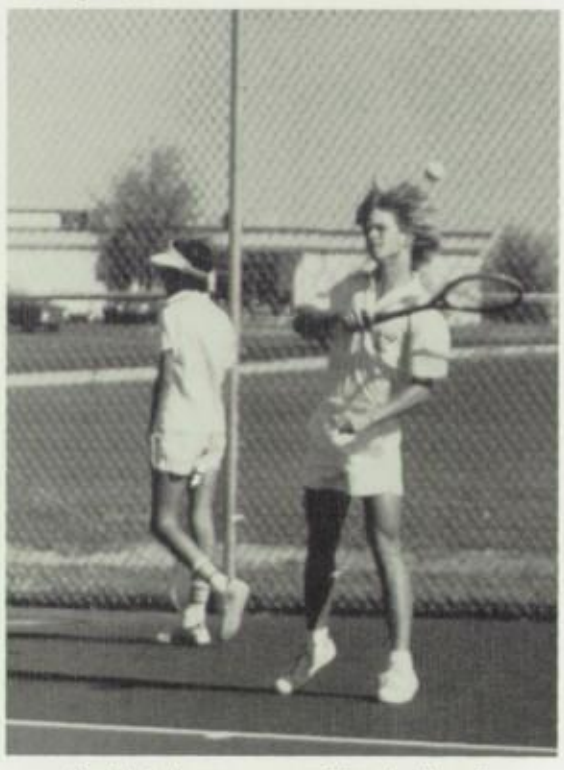
This year, our PCHS Racqueteers and Drivers both shared somewhat successful seasons. With a total of three seniors leaving both teams, we have great expectations for next year.

This form earned Scott an "all-conference" title.

Tom told us this was just a practice shot!

Looks as if Dan needs a caddy.

Jamie's racquet and ball are going to have to stop meeting like this!



So this is the way you get "tennis elbow."

Beth may have to spend the evening working out some sore muscles!

V. Basketball

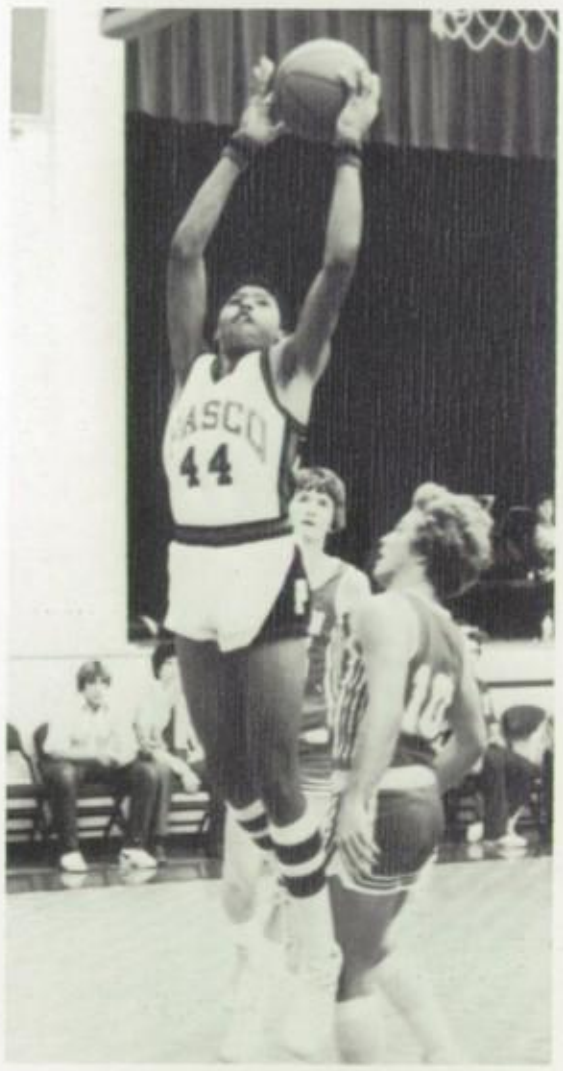
Robert goes high into the air to get the tip.

Kneeling: Coach Bob Edwards. **Team:** C. Berry, T. Hannah, M. DeVoss, Captain; M. Novak, S. Johnson, R. Johnson, Co-Captains; K. Nelson, M. Myers, C. Sumner, M. Stancil.

While Mark checks the clock, coach gives him a little advice.

Even while relaxing, Robert, Mark, and Chad never take their eyes off the ball.

Speed characterizes Chad's action on the court.



Marvin cuts in for a rebound.

Coach Edwards pointedly disagrees with the ref.

Pasco and Zephryhills scramble for a loose ball.

This free throw could mean a Pasco victory!

We are all proud of our record-setting Pirate Basketball Team. Led by the Player of the Year, Robert Johnson, and Coach of the Year, Bob Edwards, the Pirate Cagers racked up a 15-1 conference winning record and 28-3 overall. After an outstanding win at District Tournament in Hudson, the Pirates fell short on their way to the State Tournament when they lost to Orlando's Bishop-Moore High School during the Regional playoffs. It was a hard-fought game, but the Pirates couldn't quite put it all together for that coveted victory.

The Mighty Pirates had four players make the All-Conference team: Robert Johnson and Mark DeVoss, first team; Marvin Myers and Chad Sumner, second team. Also, Robert Johnson amd Mark DeVoss made the All-North Suncoast Team with Marvin Myers gaining honorable mention.

With seven returning players, four of them starters, Coach Edwards and his Pirates will be a dominating force again next year!

The ref counts, as Chuck tries to get the ball off quickly.

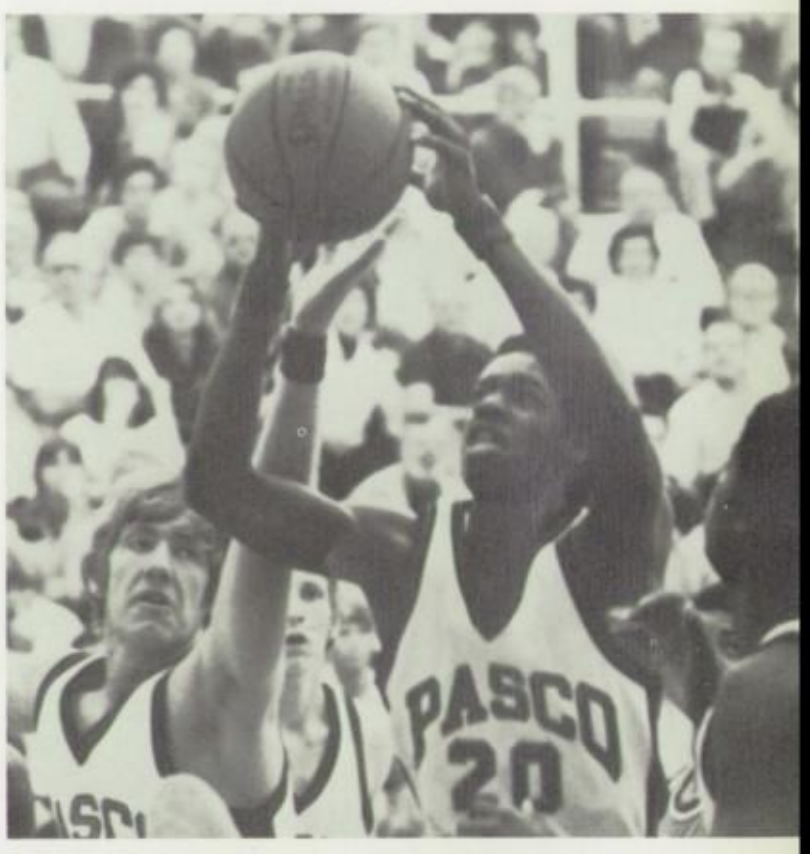
Pasco's cagers wait for the ball to be thrown in from the sidelines.

Coach of the Year (again!), Bob Edwards, and son Todd.

Mike raises the score two more!

Marvin knows those single pointers are important, too!

Preparing to "Shoot the Hoop," Chad gets the feel of the ball.



Robert gets an assist from Mike on these two points.

Engaging in some fancy footwork, Mark avoids

"That's my boy!" yells Mrs. DeVoss.

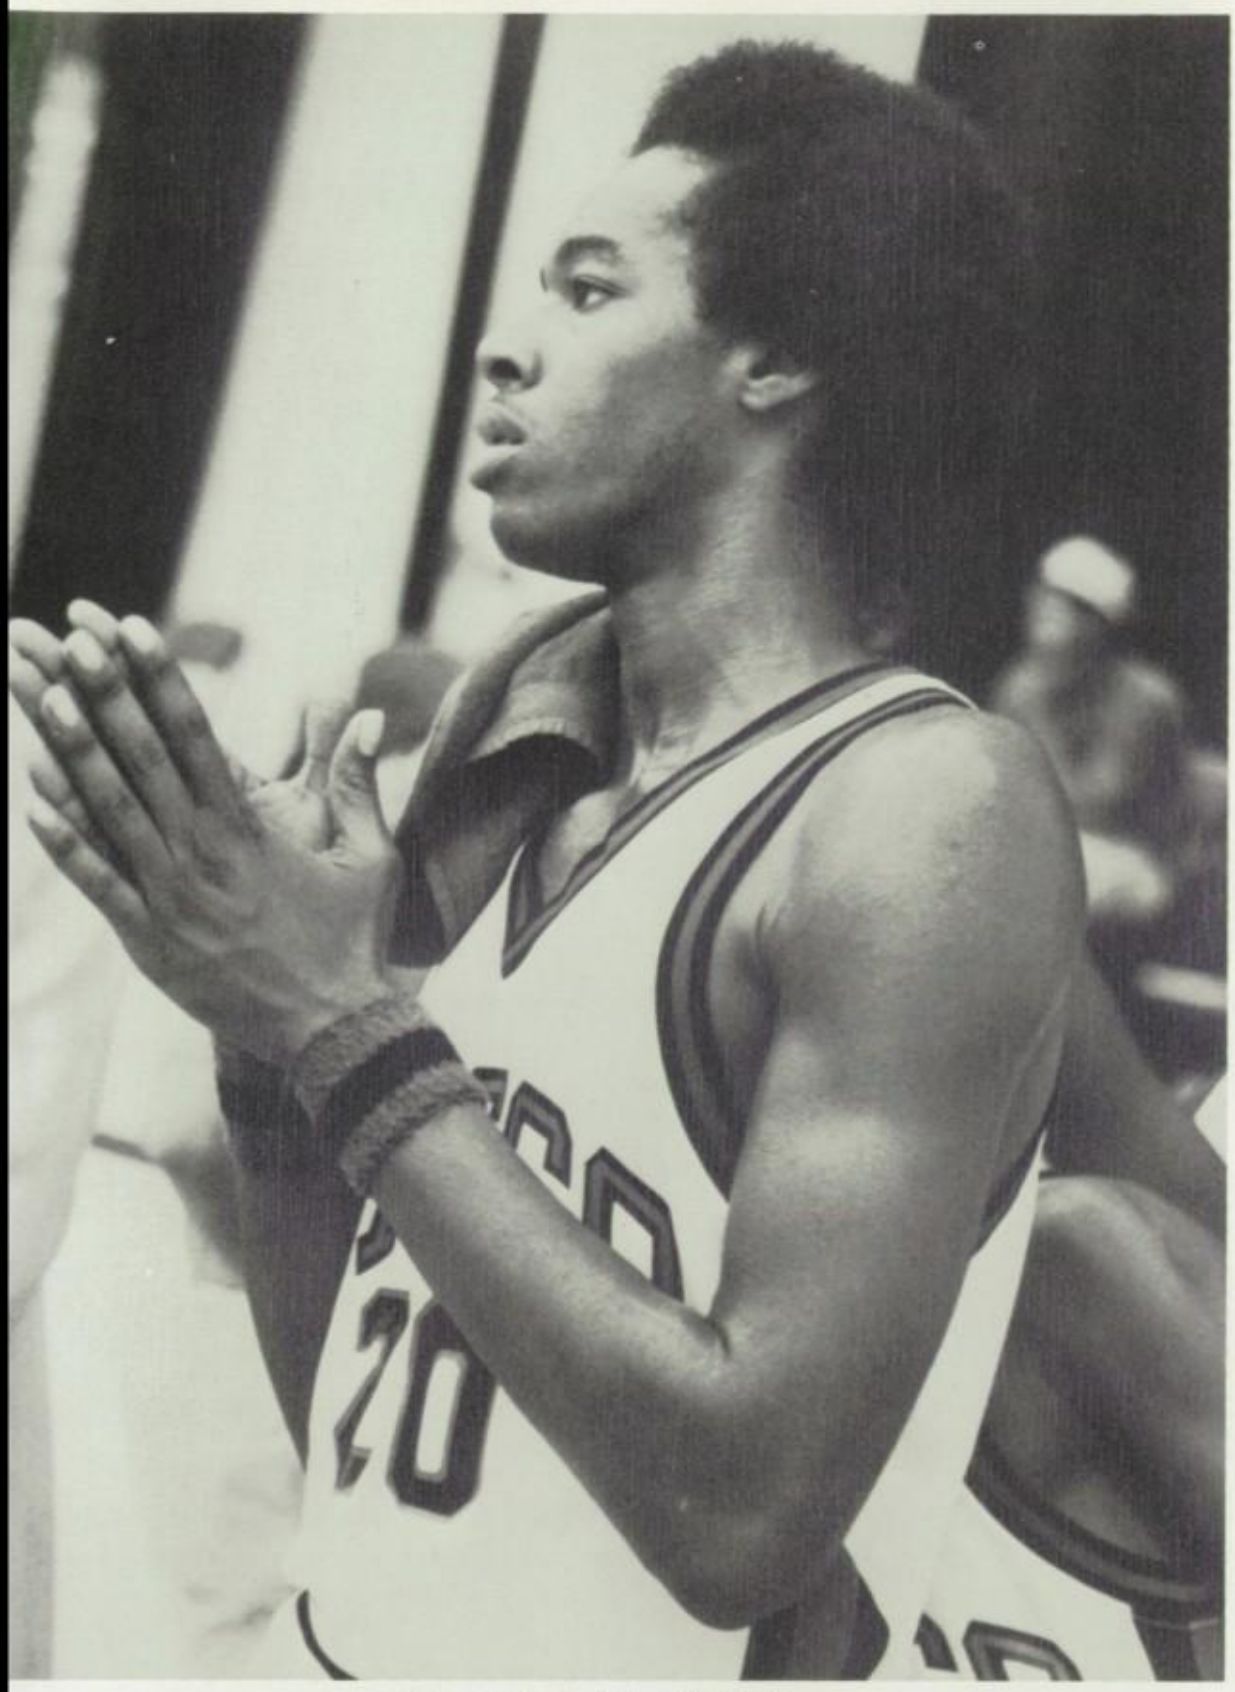
Victory. How sweet it is!

Like a good Boy Scout, Keith is "always prepared!"

Coach Fisher gives tremendous support to his team of champions.

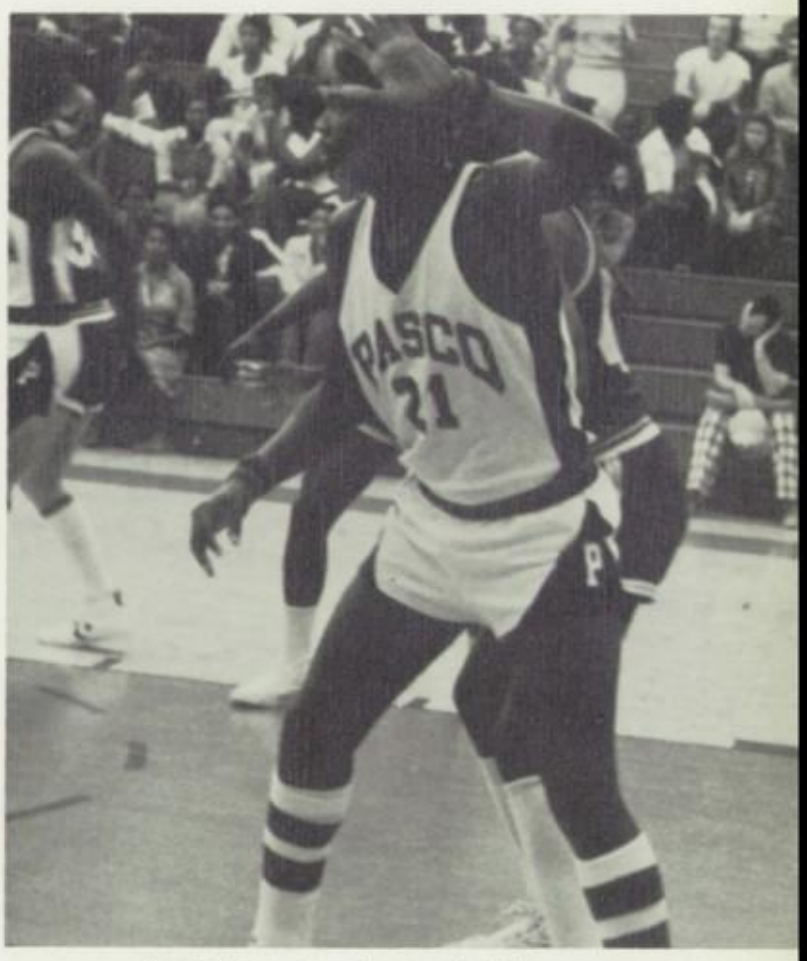
Pasco's defense takes charge.

"I could have sworn I tied my shoe in a double knot," says Chad.



Player of the year, Robert "Dunk" Johnson.

"Chip off the ol' block," says Mr. Sumner.



Hold it! Shawn is too busy to talk right now.

Girls' Basketball

Pepper says, "Wow! I could have had a V-8!"

Robin moves in for the rebound.

The Girls' Varsity Team ended the 79-80 season with a .500. That was a great showing for such a young team, consisting of 1 Senior, 7 Juniors and 2 Sophomores. We geared this season toward gaining practical experience in the game in order to become a tough competitor next year. What we lacked this year in winning statistics, we more than compensated for in spirit and companionship. We've worked hard and have grown in many aspects. The friendship bonds that we have formed will remain with us forever. The Lady Pirates have pride and certainly the fight and determination needed to establish ourselves as a powerful force in district play next year.

All eyes are on the action!

Left to Right- S. Mullins, S. Wright, J. Sampson, K. Brown, R. Penix, P. Park, T. Brown, J. Rutherford, K. Shipley, M. Capehart, A. Pittman, C. Hartzog.

The team (Lady Pirates) receives encouragement and strategy from Coach Lillian Keen.

Janice moves down the court with speed and agility.

Martha "shoots for 2".

Tara goes up to block the shot.

V. Baseball

This 1980 Varsity Team knew that they had to rebuild their team after the loss of several seniors and Coach Cimador last year. Beginning this year with young athletes and a new coach, Bob Bowling, they put the pieces together and played excellent ball. Though the scores didn't always reflect victory, the team stuck together, knowing that next year would bring bigger and better things!

David tags third base and heads home.

Looks as if Jimmy proves Pasco is one tough team!

Cecil sneaks home as Chad heads for first.

Todd leads-off second base while keeping a watchful eye on the ball.

The catcher will never get *this* one; Cecil drove it into left field!

If only that pop-up foul would land in Frankie's glove!

1st row: A. Penix, T. Norris, T. Sumner, B. Cheatum, J. Butler, F. Gulledge. **2nd row:** C. Sumner, M. Boyett, D. Gude, S. Johnson, C. Lundy, M. Myers.

V. Softball

The Varsity Softball Team opened the season by winning our first two games. After our first loss, we came back with another win in the fourth game. We have learned to work together as a team, win or lose; we try to give each other support at all times. Coach Fisher has taught us to have pride and confidence in ourselves and our team.

With a leap, Lisa scores again!

Jane pulls in a lucky catch.

"Let's go, Big Red!"

1st Row: D. Faircloth, C. Cannon, C. Hartzog, S. Knauer, D. Corley. **2nd Row:** D. Stanley, A. Benson, A. Russell, L. Shoupe, T. Carpenter, S. Carpenter. **3rd Row:** Coach Tom Fisher, J. Gailey, J. Sampson, D. Fowler.

With a powerful swing, Carman and the ball connect.

Cindy takes a walk to first.

Leading-off, Kim watches for a chance to run.

"Pitching can be dangerous," according to Doris!

Donna is ready for anything!

Standing: T. Jackson, L. Pearson, T. Harris, D. Jacobs, M. Dukes, D. Campbell, Coach. **Kneeling:** P. Rice, L. Sims, S. Scott, C. Miller, C. Nickless.

JV Softball

The JV Softball Team was a new experience this year at Pasco Comprehensive. The team's record wasn't the best, but its desire to win and spirit were! This team learned from its mistakes, and always "hung in there." It was a fun year for the team members, and the coach, Ms. Campbell, was proud of them. Good Luck next year!

Boys' Track

Look out '84 Olympics! Here comes Charlie.

For David, the finish line can't come too quickly.

1st row: R. Bush, D. Singleton, G. Singleton, O. Howard, J. Russaw. **2nd row:** P. Brown, J. Hall, J. Earl, B. Hill, R. Perez, V. Graham, A. Snyder, E. Long. **3rd row:** Coach Alan Poe, K. Conway, K. Nelson, D. Foster, E. Hall, B. Bush, P. DeWitt, P. Arnade, P. Peterson, D. Morris, K. Nelson, M. Starks, D. McBath.

Paul throws body, mind, and *strength* into this vault.

Bringing home trophies was the style for our 1980 track team! They not only won several meets, but as individuals, broke many records and placed well in other contests!

Pasco roared by Zepherhills to capture the Pasco County boys' track title on the heels of winning the coveted Chaso Fiesta meet in New Port Richey.

It was a *super* season.

Jumping the hurdles looks simple when James does it!

You've got to put your best foot forward in the broadjump, according to Johnny.

Girls' Track

Kneeling: P. Nicoll, T. Booth, S. Smith, S. Hail, M. Peyton, S. Peters. **Standing:** Coach Debbie Thor, A. Coward, L. Pearson, R. Agee, C. Ellis, M. Watts, R. Smiley, W. Black, G. Thinn, Ms. Benedini, M. Smiley.

Ruby makes this broadjump look so easy.

Team members check their times.

It takes a lot of skill for Margaret to put her entire body over the high-jump bar.

Our Girls' Track team, with the good coaching of Mrs. Thor, did very well in another season at PCHS. They could have used a few more participants, but they made up for this handicap with hard work and the determination to do a great job. The teams' strength lay in distance runners and relay teams. We are hoping to see Coach Thor return next year to urge her girls to even greater victory!

Wanda concentrates on putting *all* of her strength into this discus throw.

Susan prepares for a fast get-away.

JV Football

This year's Junior Varsity Football team ended its perfect 8-0 season with a 48-0 clobbering of Crystal River! This was the first *undefeated* Pirate football team since 1961! Under two first year coaches, Coach Hunt and Coach Barrus, the Pirates came back from a 13 point deficit to beat Hudson 22-21 to begin this unbelievable season.

Good years seem to be on the horizon for the Pirate football program, and our team is looking forward to being a part of it!

Gil listens as Coach Hunt outlines the next play.

THE UNDEFEATED JAYVEES roar onto the field!

A Pasco player tries to break through the line.

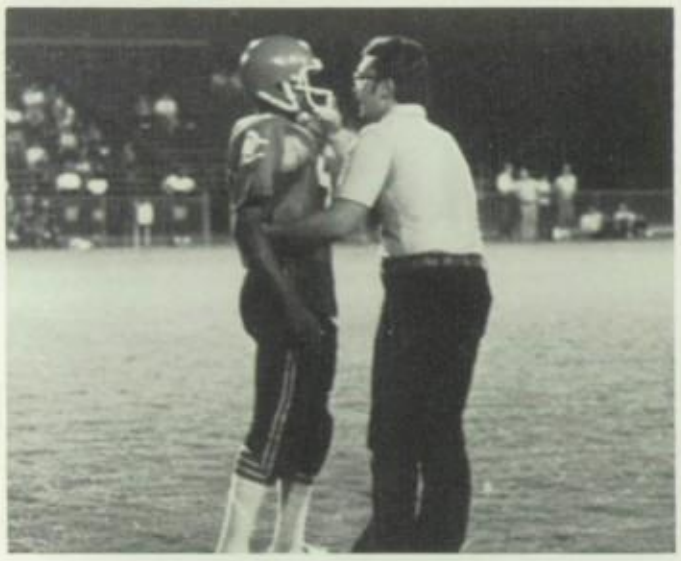
Quarterback Mark McCabe aims for his favorite receiver.

Gil Singleton challenges a defensive player.

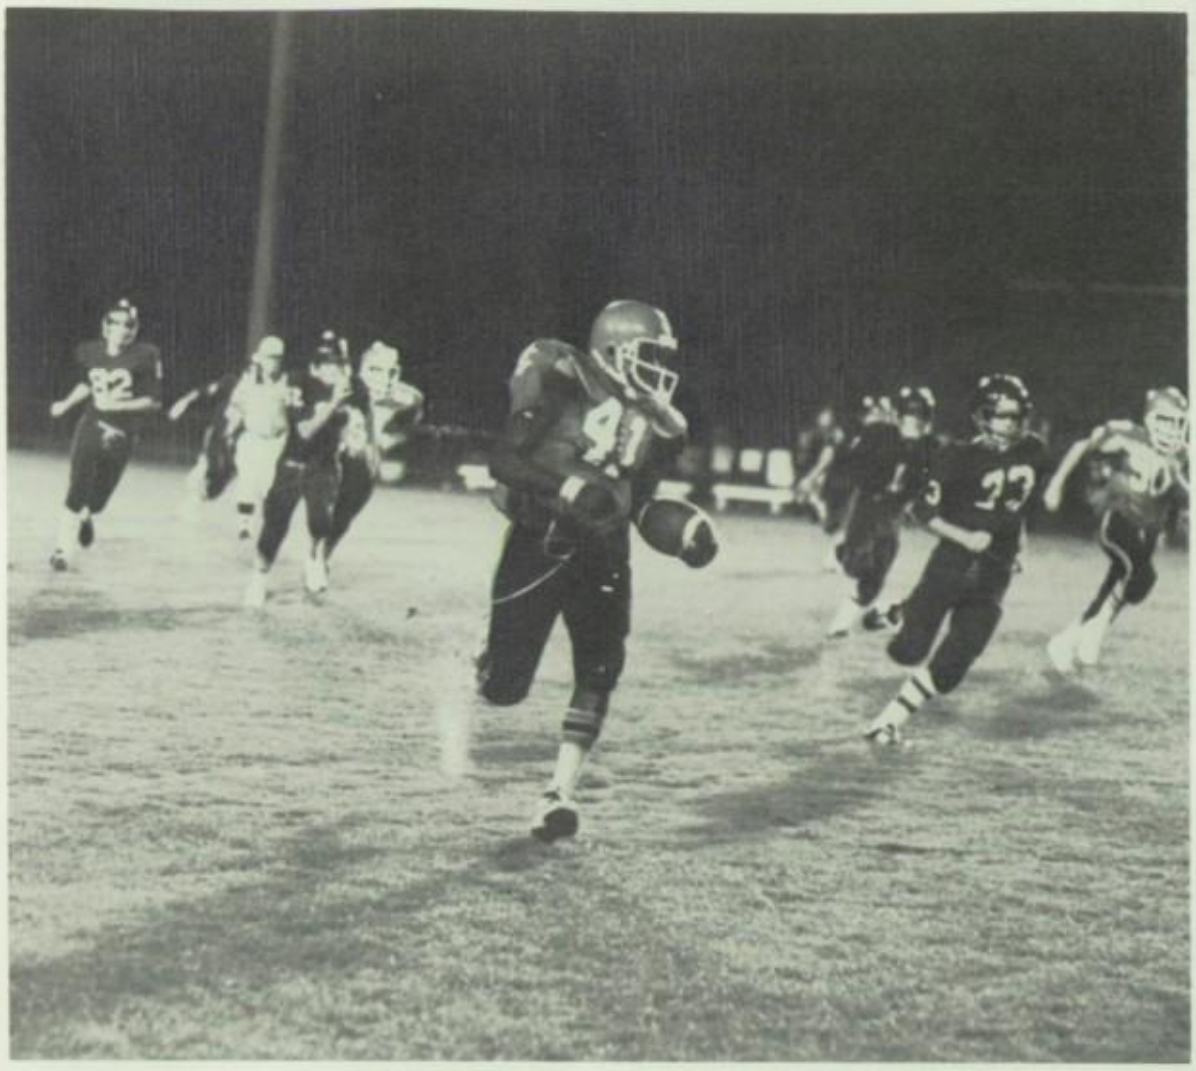
1st row — J. Hill, G. Singleton, S. Johnson, C. Johnson, L. White, W. Ward, M. McCabe. **2nd row** — Coach W. Broner, C. Hill, L. Bullington, J. Powers, R. Palmer, L. Smith, B. Tabb, E. Harmon, T. Jeffries. **3rd row** — D. Hillman, H. Hays, C. Calhoun, D. Felder, T. Hail, D. Hamilton, G. Larkin. **Not Pictured** — Coach S. Hunt, R. Gordon, W. Sermons.

The triumphant Pirates field another victory!

Dwayne Pearson breaks a tackle.



Coach Barrus sends in the play.



Anthony Roseborough runs around the right end.

You don't often see the JV team on **this** side of the fence.

Gil Singleton heads for that elusive goal line.

JV Baseball

Coach Hunt has been an important factor to the team's success.

Duane's *safe*, — but barely!!

1st row: J. Sims, A. Sanders, T. Newton, C. Johnson, D. Edwards, J. Buchanan, J. Boyett, D. Felder. **2nd row:** G. Larkin, L. Plummer, J. Wright, I. Croson, E. Harmon, C. Calhoun, T. Wilson, T. McKay.

The Junior Pirates began this baseball season by winning their first five games, and they continued fighting for victory throughout the season. Coach Hunt proved to be an excellent leader in his first year with the team.

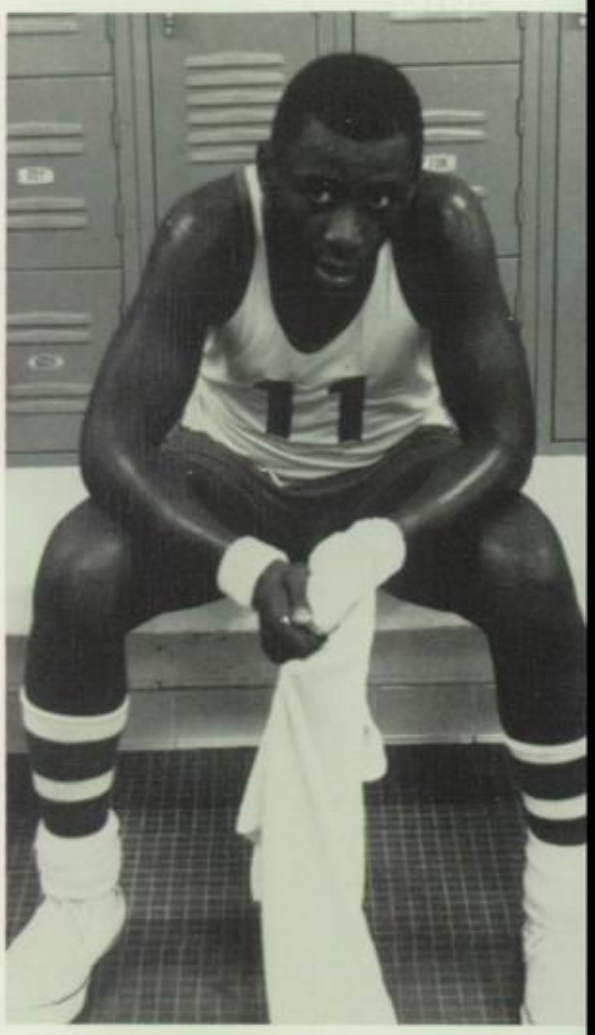
The team's enthusiasm and willingness to work *hard* made it a favorite within the student body.

"Wonder if I could trade all this gear for a Coke?"

"Hook'em, Red," cheers Tommy to his JV team.

JV Basketball

Sitting: J. Wright, J. Sims, A. Sanders, C. Johnson, T. Newton, C. Calhoun. **Standing:** L. Bryant, E. Hall, Coach Tom Fisher, L. Plummer, E. Gant.



Halftime gives Lyle a much-needed rest.

A happy Coach Fisher.

Coach Tom Fisher led his Junior Pirate Cagers to a very reputable .500 season. The team played great all year, losing only in very *close* games, and the team exhibited unsurpassed sportsmanship. The varsity team will feel their impact next season.

Eddie goes up for 2 points.

Cisco wonders, "Who said this game is played in the air?"

Mrs. Robinson says, "Don't do as I *do*. Do as I *say!*"

Shooting the jumper from the corner is James' style.

Cedric tries to cheer Lawrence and Randy with a joke during halftime.

JV Cheerleaders

"Ready, Okay!"

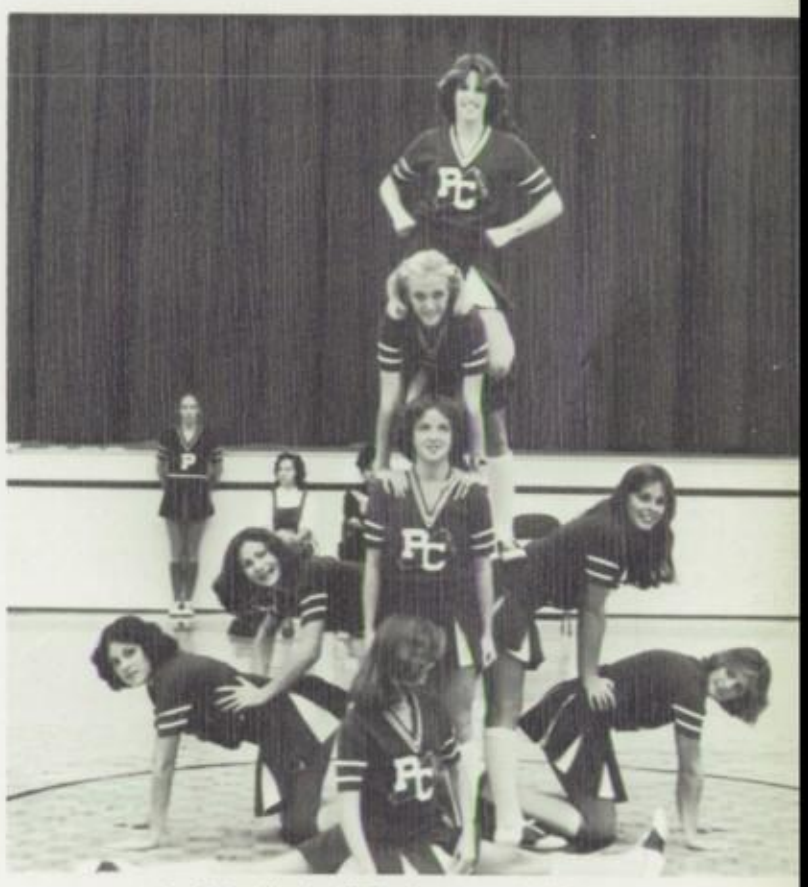
1st row: Sarah Smith, Annette Trotter, Melanie Poole, **2nd row:** Co-Captain Valerie Cannon, Julie Reynolds, **3rd row:** Chris Flannery, Captain Leslie Herrmann, Kay Davis.

Sponsor, Ms. Barbara Leffel

This year we, the JV Cheerleaders built a pyramid both physically and mentally! At first we were unsteady and would fall, but as the year progressed so did we. Consequently, we were able to expand our height, and sturdiness. Today, as a group, we stand tall and strong, filled with enthusiasm, success, and much earned pride in our accomplishments — both as a squad and as individuals. We have built into our "Pyramid of Life" a strong desire to achieve a rich and goal oriented life.

Fondly,
Leslie Herrmann, Captain

Super girls!



Sarah Smith asks, "What's wrong girls?"

"With legs like these, who needs Hanes?" says Melanie (Poole).

Homecoming 1979

Homecoming week is always one of the liveliest times of the year. This year was no exception as we took a look at the past through "Memories." Beginning Monday, October 22 and continuing through Friday of that week, our school days were filled with scenes of students dressed in costumes ranging from ghoulish Halloween Day to bobby socks and pony tails, Fifties Day. On Hillbilly Day all you could see were those crude and unrefined people from the hills! Then there was the day when students had the opportunity to imitate their favorite teacher. Everyone was encouraged to support Pirate Pride by wearing the traditional red and black on Game Day!

What Homecoming would be complete without the super-special PCHS Cheerleaders holding their spirit-raising Pep Rally in the square to ignite the spark which would turn into fire at the game? And what a terrific Pep Rally it was, with a pie-in-the-face contest sponsored by the Key Club, a touching poem written and read by Betsy McGahee from the cheerleaders to their favorites . . . The Mighty Pirate Team, and a lot of super cheering, which left us assured of a Pirate victory that night!

Cheerleaders from the "Past": Elsie (McKinstry) Sumner and Michele (Webb) Greenfelder.

The cheerleaders await their cue for a burst of Pirate Spirit.

Homecoming '79. This says it all!

That afternoon at 1:00 p.m. the sirens were heard. This started the best Homecoming Parade ever. A record number of entries made the parade a success and everyone enjoyed watching as much as participating. The Student Council float took first prize, HOSA placed 2nd followed by FHA in 3rd place. But all the floats were excellent and each had its own special meaning!

Then came the big night! Everyone arrived dressed to a "T", with their favorite girl or guy on their arm. Two important questions were being asked . . . "Who would be crowned the '79 Homecoming Queen?" and "Would *Big Red* walk away the victors?" Both were to be answered during the evening. When the Buccaneers put a touchdown on the board, attention turned to the game. Then the Bucs managed to collect a field goal to make the score 0-9. At this point, the Pirate offense put on an attack to raise the score to 6-9. As the players retired to the locker room, the half-time activities began.

1978 Homecoming Queen Marcia Carver and Student Council Pres. Randy James are first to congratulate the new Queen.

The joy of disbelief!

A thrilling moment for Queen Sharon and Drum Major Paul!

1979 Homecoming Queen Sharon Lankford and escort Paul DeWitt, accompanied by her parents Mr. and Mrs. Curtis Lankford and date, Lawrence Johnson.

With a spectacular performance by our Marching Band of Pirates, the girls were escorted to the 50 yard line to await the announcement. Each looked beautiful, but only one could become the Queen. The lucky name was read, the crowd went wild, and tears flowed as a thrilled Sharon Lankford was named the new Queen for '79!! Marcia Carver, last year's Queen, placed the crown on Sharon's head, followed with a big hug. The band, in keeping with the Homecoming theme, "Memories," played "The Way We Were" while Sharon took the traditional ride around the field.

Half-time activities ceased, and out of the locker room exploded the Pirates with fire in their eyes! With renewed effort they proceeded to whip the Bucs 18-9!

After this smashing victory and with all questions answered, the Homecoming Dance (with dance band, Wink) was the perfect ending to a week of fun and excitement that will be held in our hearts forever!

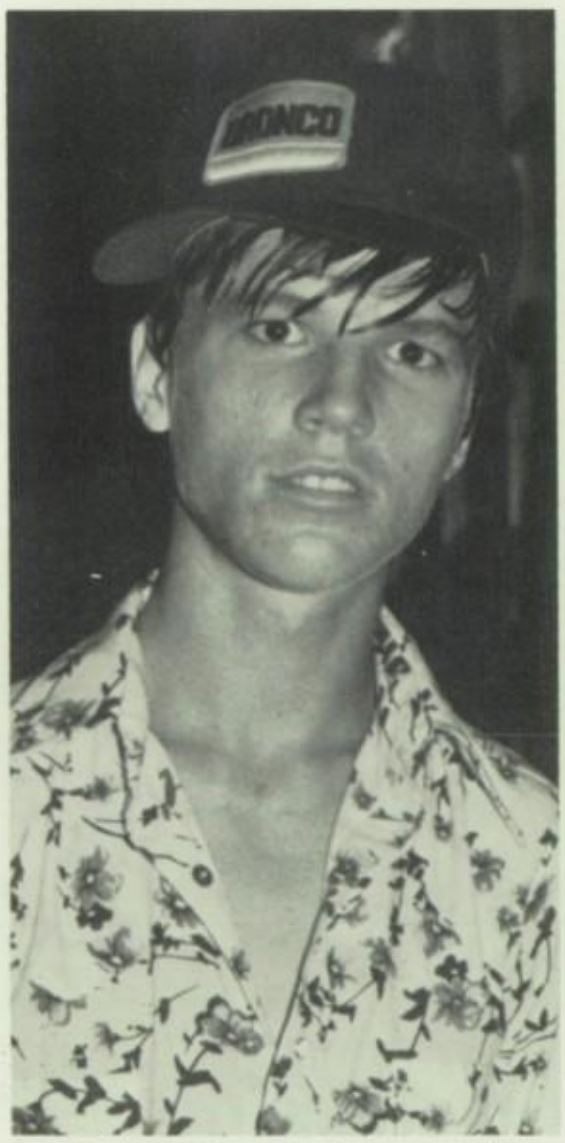
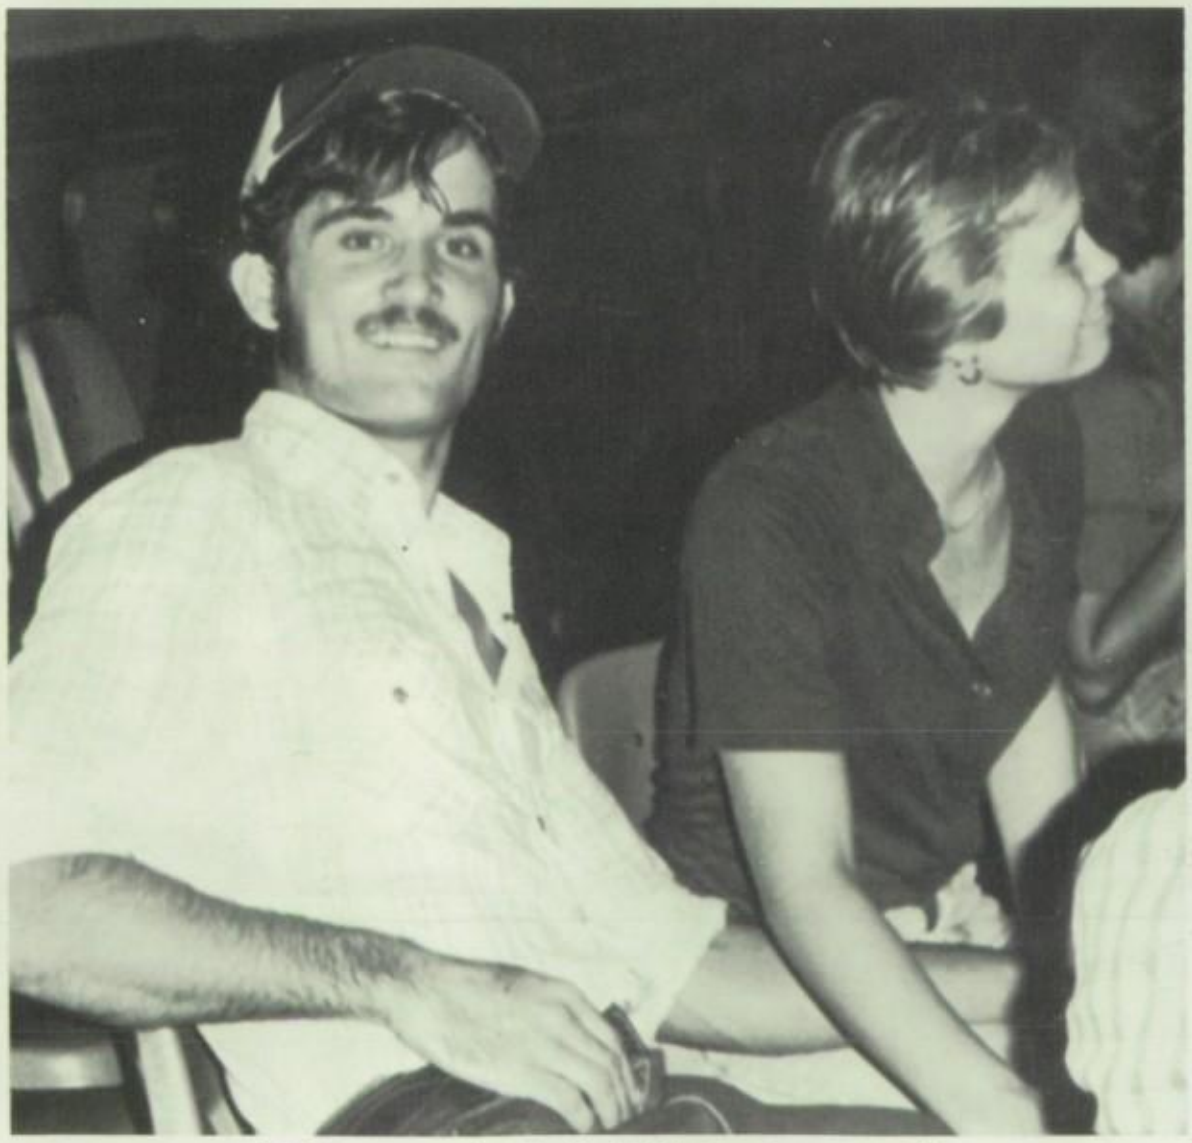
Welcome Sophomore Dance

A full floor indicates a *good time!*



What a night Kenny Wright must have had!



Jeff Johnson seems to have lost Kay's (Fallin) attention momentarily!

Randy Bentley and Dawn Millim have got the beat.

Rain may have dampened the night of September 14, but not the spirit of the first official dance of the year! The Welcome Sophomore Dance is traditionally held to make all newcomers feel at *home* at PCHS! It is a time for everyone to get together, renew old friendships, and make many new friends.

This annual event was high-lighted by the appearance of PCHS alumnus, Gary Oesh, from Radio Station WPAS as DJ. Student Council did a wonderful job of helping everyone to get a great start on a new year!

Johnny Gilmore challenges Ricky Brownell and Chris Graham to superiority on the dance floor.

'79 Yearbook Arrival

'79 co-editor, Jacque Mahan, adds a smile of approval!

Mrs. Lee Freeman excitedly accepts the very first copy of the yearbook from '79 co-editor, Norman Duchscherer.

Mary Smith searches for a senior's name in order to get those long-awaited '79 Yearbooks to their owners.

The yearbook staff and faculty share the fun and confusion of claiming their books.

On Friday, October 12, 1979, an ordinary Pep Rally was about to become *extra* ordinary!! The drums rolled; a short cheer, presented by the Pirate Staff, could be heard quite clearly . . .

"We like to jump,
We like to cheer,
We'd like to say . . .
The Yearbooks are here!!"

This was the announcement that raised our spirit and excitement to unusual heights! Students went wild waiting to receive their *own* book!

"Can you believe those crazy things we did last year as Juniors?" asks Lisa Morris.

Co-editor Norman Duchscherer, now a PCHS alumnus, officially presented the first copy of the '79 yearbook to Mrs. Lee Freeman, to whom the book was dedicated. One smiling face was missing from this cheerful occasion — co-editor Jacque Mahan who now lives in Arizona. Yet we're sure she shared the joy this special book brought to each and every student at PCHS.

This had to be one of the greatest moments of our school year, one that will be remembered for years to come.

The Pirate Staff hopes all students receiving the '79 yearbook enjoyed (and *will* enjoy) it as much as we did, putting it together and presenting it to you!

We love you all.

'79 Pirate Staff

Betsey Hudson wonders — where the Prom pictures are as she flips through the pages.

February 11, 1980, as the first shipment of the '80 Pirate was about to go to press, we received the exciting word that the '79 Pirate had been awarded a **second place** certificate by the nationally acclaimed columba Scholastic Press Association **(CSPA).**

Congratulations, '79 editors and staff! We're proud of you!

Wow! This has got to be the neatest Sports Section *ever!!*

Billy Cheatum says, "Those photographers got me when I wasn't looking".

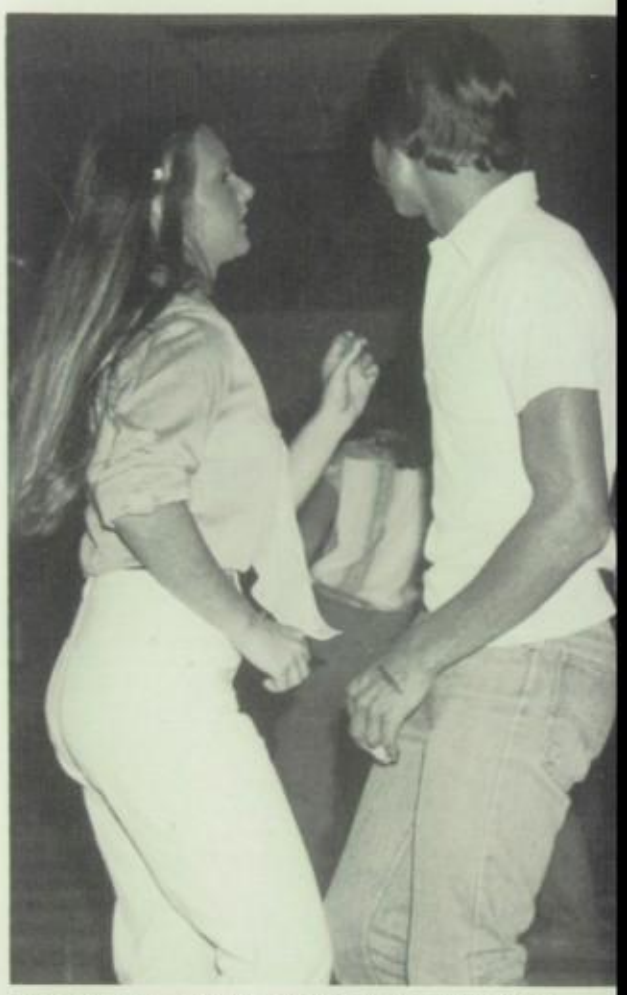
Christmas Dance

Friday, December 14, 1979, marked the first joint project of the Key Club and the 1980 Pirate Staff. Together, these groups planned and prepared for the Christmas Dance to be held at 8:00 that evening.

Earlier that day our Mighty Pirates took on the Auburndale Bloodhounds for our first home basketball game. The cheerleaders had a Pep Rally to fire-up the crowd, and that it did! There was a wonderful crowd that afternoon to watch the Pirates beat the Bloodhounds 61 to 41!!

The mystery question to be answered . . . Who's the DJ gonna be?! Much to everyone's surprise, it was our own Pam Parks. Pam did a great job and really kept the attention of the dancers. Thanks, Pam, for donating your time for us.

The two sponsoring groups enjoyed working together and plan to tackle another joint project sometime in the future.



Cindi Cannon and David Gude have really got it together.

Everybody get up and dance!

Surprise DJ for the evening, Pam Parks, handles music and the mike like a professional!!

Key Club Pres., Tom Godfrey, was the "force" that kept things moving.

"Stag" *can* be fun, according to Andy Neuhofer and Louis Giella!

Edward Grief and Rhonda Weaver concentrate on having a good time!

Sadie Hawkins

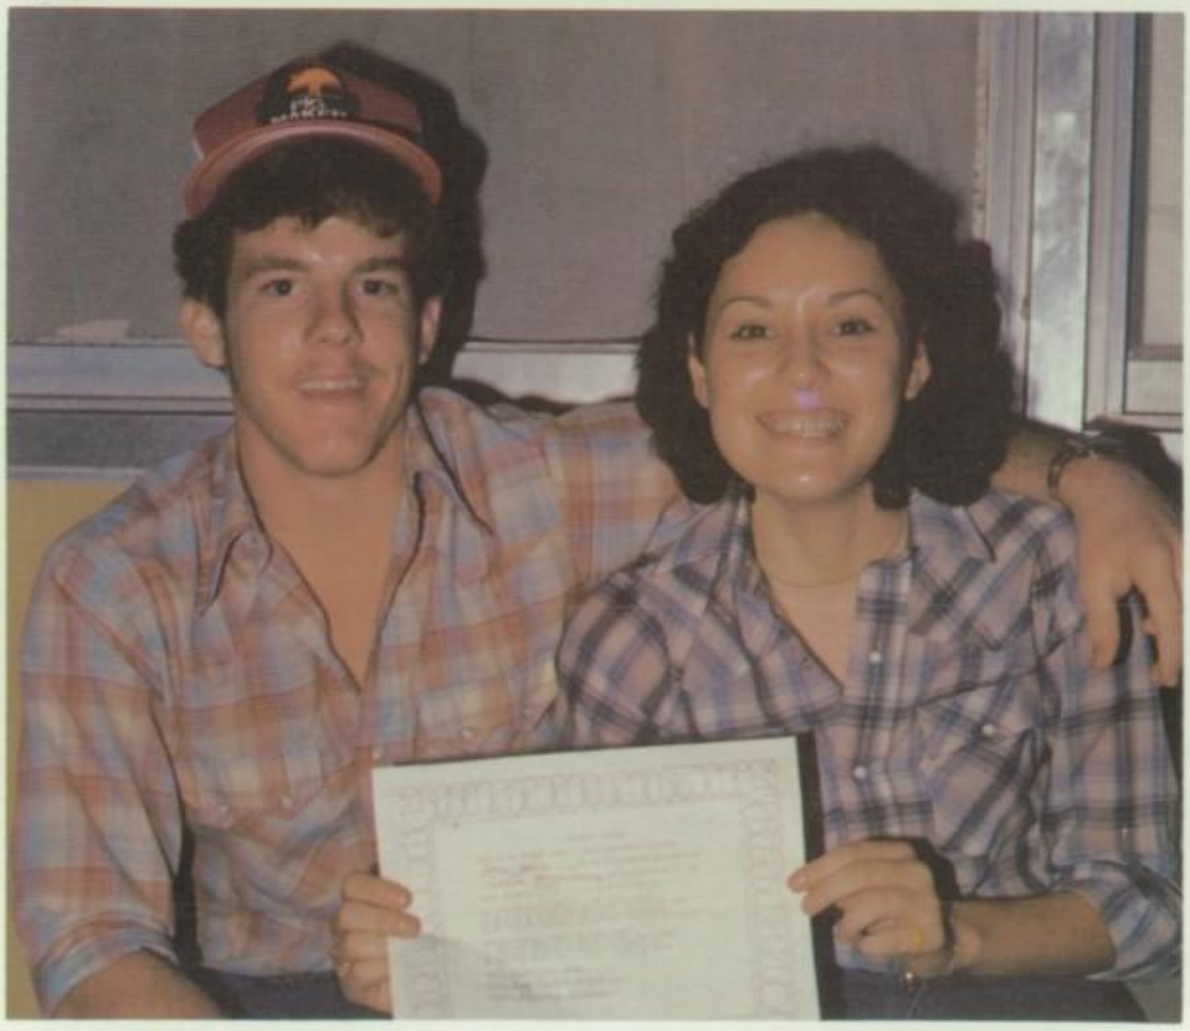
The gals lead out at Sadie Hawkins!

Joint effort of the Junior Class members made it impossible for anything to go wrong on the night of January 12, 1980! Several weeks of preparation had gone into making Sadie Hawkins '80 one of the neatest PCHS has ever had!

Sadie Hawkins is a great fund-raiser for the Junior class, but the *best* part is that it allows the girls a chance to nab that long-awaited date! Before he becomes hers, though, she must "hog-tie" and drag him off for a visit to "Marryin' Sam" (Mr. Jeff Davis) to get "hitched"!!

The floor fills when DJ, Steve Michaels, announces the next song, "Sweet Home Alabama."

Cindy German tells Daniel Nuñez "It's my turn to be *boss!*"



The ring and marriage license are *proof* that Chris Flannery has the upper hand on Tom Hail.

Marriage ceremonies such as Touch-n-go, Hug-a-boo, and Sugar-Smack are available for under $2. She then carries him off to Honeymoon Acres, ending a wonderful evening with that final "do-si-do"!

The highlight of the evening was that all-important announcement of the new L'il Abner and Daisy Mae. Robert "Shorty" Brown and Betsy McGahee walked away with the honors after raising a lot of good old greenbacks for the Juniors.

Marryin' Sam (Mr. Davis) announces, "Now you are enslaved to each other."

Glenn Adams has a tough decision to make when both Sandra Hail and Debbie Corley ask him to dance.

Daisy Mae (Betsy McGahee) and L'il Abner ("Shorty" Brown).

Special appreciation goes to all homeroom candidates, the Junior Class sponsors and members, who worked to raise over $1100!

Congratulations!

This "matched pair" leaves little doubt in anyone's mind (including Mr. Gentry's) that Randy Bryant "belongs" to Cindy Roberts.

Mark (DeVoss) tells Shari (Williams), "O.K. We'll go to 'Marryin' Sam' after this next dance."

Jim Baker stands out in any crowd!

Fair

The Pasco County Fair is the perfect time for everyone to participate in the many activities or to just relax and have fun! Both young and old alike are given the opportunity to "show and share" at the numerous exhibits. These exhibits include livestock shows, lively entertainment, school and club accomplishments, and individual artistry.

During Fair Week many things happen . . . ribbons are awarded, a new Miss Pasco is crowned, and money is earned in the livestock department. Community and school organizations work hard, putting in many volunteer hours to gather materials for the exhibits.

We can hardly wait for that last bell of the day, so we can hit the midway to unwind and spend hours just having fun!

Sheila (Hicks) wonders if those games are "rigged" as she digs a little deeper for more money.

PCHS 1980 Beauty Pageant entries: Betsy McGahee, 2nd runner-up; Susan Carver, 1st runner-up; Ruby Agee, Patty Nicoll, Sarah Sheffey, Sharon Lankford.

As Mary Young knows, a fair isn't a fair without a steer sale.

Looking as if he has second thoughts about playing this game, Nat Banks tries one more time to win one of those elusive prizes.

Basketball Homecoming 1980

Dancing on a tarpaulin is a new experience for Randy and Lisa.

The Student Council sponsored Basketball Homecoming on February 15, 1980. This was the first dance to be held in the gym, and gave students a chance to take that special "sweetheart" to groove to the beat of *Night Flight*.

The week began with dress-up days, Valentine Hearts sales, and Add-a-Penny jars for the sweetheart candidates. The hustle and bustle of last minute jar-stuffing increased the excitement and mystery surrounding who would be crowned the sweetheart couple.

Guess who won?!

You thank the kids on the right, and I'll get the ones on the left!

Barry Swindle, Sandy Smalley, and Mignon Jordan enjoy the first dance held in our Activity Center.

Our Pirate basketball team played a terrific first half and as they retired to the locker room, the halftime ceremonies began. At the drum roll, Junior Representatives, Shari Williams and Mark DeVoss, were crowned Basketball Homecoming Sweethearts for 1980!

The excitement didn't stop there. The team came out fighting to beat the Hernando Leopards 61 to 53.

Then, it was on to fun, relaxation and dancing for the remainder of the evening!

Seniors: Susan Carver and Robert Johnson.

Homecoming Sweethearts
Juniors: Shari Williams and Mark DeVoss.

Sophomores: Kay Davis and Mark McCabe.

Prom 1980

Julie Wheeler and Pat Cain think it's really fun to be guests at your own party.

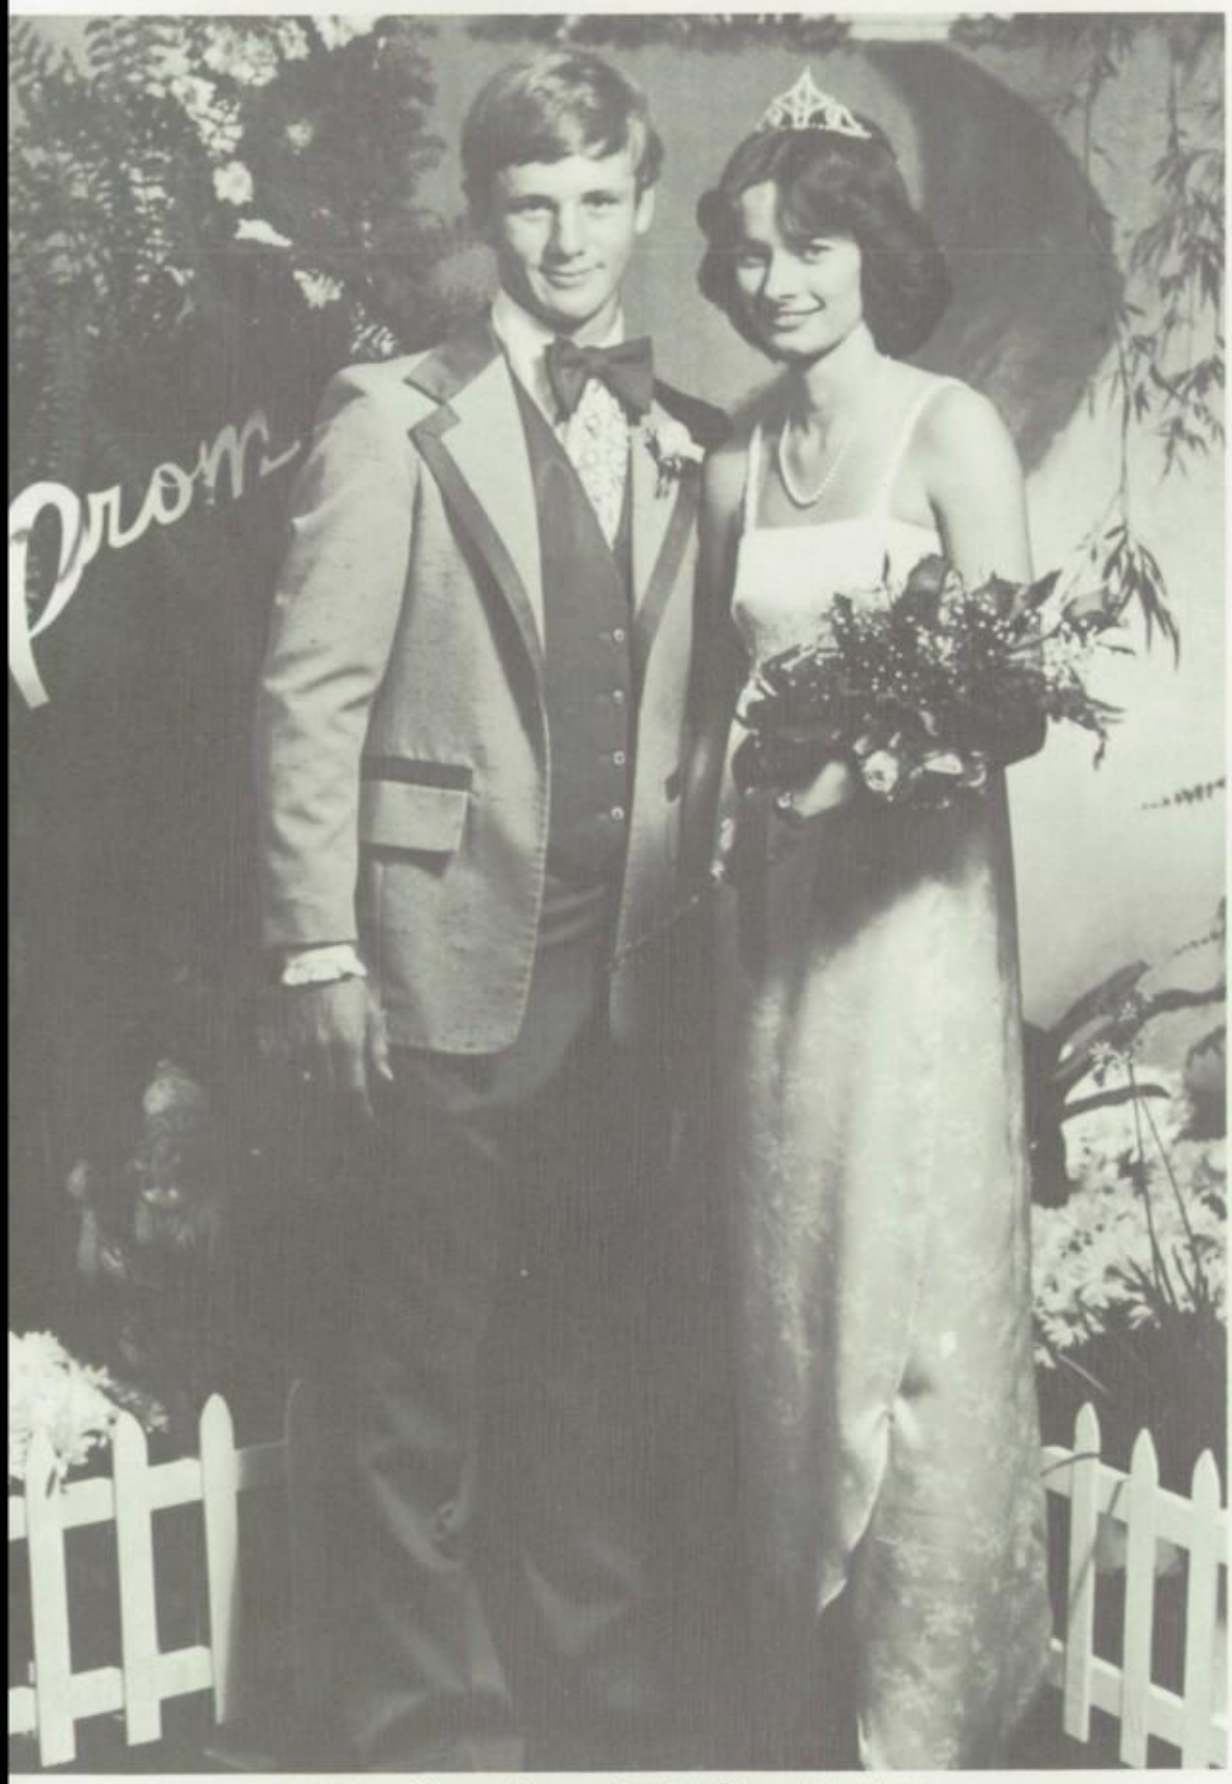
Glenn Adams and his supporting Juniors presented a terrific Prom '80.

"Yesterday" holds many memories for tomorrow.

A royal hug expresses the excitement of being chosen.

The days of "Yesterday" will forever be remembered in the tomorrows of years to come. The Junior Class of 1981 contributed this special memory to the graduating class of 1980.

Over a year of hard work went into preparing for the 1980 Junior-Senior Prom. The success of the Prom was ample reward for the efforts of the Juniors. They took a step back into the past and chose "Yesterday — The Old South" as their theme.



1980 Prom King and Queen: Mr. Mark Pike and Miss Meg Sargent

First Court: Andrea Williams and Clay Mickler.

Second Court: Paul DeWitt and Susan Carver

Ode To The Class of '80

We're gathered here among
our Friends —

With whom we've learned
to make amends

The evening of our Prom
is here

And school days end is drawing
near.

Tonight we'll laugh and
dance and then,

When evening's coming to
an end.

We'll form a magic memory
Of good times spent by
you and me.

— Juniors
Class of '81

Susan Baldowsky pens her thoughts of "yesterday" while Danny Smith relaxes.

Rodney McLeod catches a little refreshment (and gossip) at the punch fountain.

Prom Servers: J. Pierce, L. Weeks, P. Cotter, L. Cramer, M. McCabe, K. Duncan, T. Hines, S. Smith, H. Hays, D. Musser.

The crowd does some serious "relating" to the rhythm of "No Relations."

The *Old South* never had it so good!

Mr. Gentry has a special appreciation for pretty girls, and Queen Meg is no exception!

At 8:00 p.m. on Saturday, May 3, the cars began rolling onto the parking lot at McDonald Center — St. Leo College. The **family** of PCHS looked better than ever after that romantic dinner at CK's, Foxfire, Seaport Inn, Bern's, Crawdaddy's or another elegant place of their choice.

A hush fell over the dance floor at 10:30 when Glenn Adams, Junior Class President, began announcing the 1980 Prom King and Queen and their court. Chosen by their fellow classmates were Susan Carver and Paul DeWitt, second court; Andrea Williams and Clay Mickler, first court; and Mark Pike and Meg Sargent, who took the crown as King and Queen. They led the crowd in dancing to the theme song "Yesterday."

The last song was played at 12:00 and the dance came to an end. A part of each person, their memories, and good times were left dancing as the doors closed and the lights went out. Now all that remain are our pictures and the lovely memory of that "last dance" for the class of 1980.

Looking glamorous is "a piece of cake" for Dolly Floyd.

Student Appreciation Day

Fun for all! That was Student Appreciation Day, May 29, 1980!

The day was highlighted by Student Government campaign speeches in the A.M., and the students were turned loose 5th and 6th periods to sample the offerings of various organizations.

The traditional Ping Pong tournament was won by Ed Tipton and Chad Sumner, and, as in past years, the yearbook staff's picture sale was a terrific success. Homemade ice cream, $1.00 haircuts, dunking booths, music, and foreign foods kept everyone happy and *full.*

Jamie (Powers) is all fired up to play, but Emmett (Evans) and Tommy (Wilson) have to decide, "whose turn?"

FBLA's target at the "Sponge Throw" is a reluctant Scott Black!

Donna Faircloth pays for two color photos while Kelly Evans waits her turn at the picture sale.

Strummers Tim Higgins and Norman Geiger pick their way through a tune.

"Want a lick?" asks Robin Oliver. "It's scrumptious!"

Sports Awards Night

Carman (Hartzog) tells JoAnne (Sampson), "Now all we need is a jacket."

Robert Johnson smugly awaits his well-earned recognition.

As Jean Dennis, Tara Brown, Pam Parks, and Janice Rutherford wait for other names to be called, Jean admires Tara's plaque.

"Congratulations, Ed Tipton, for a job well done," says Coach Poe.

Sports Awards Night, May 8, 1980, was a very special occasion for all those athletes who participated in sports other than football. (A football banquet was held at the end of the season.) In coats and ties, dresses and pantsuits, the athletes were hard to identify! (They would have been more recognizable in uniform.)

The coaches for each sport heaped words of praise upon their team members for their outstanding performances in each event. As they were singled out, each athlete received a letter, pin, certificate or some other symbol of achievement.

The evening was highlighted by Coach Edwards' elaboration on our basketball team's outstanding season. Overall, the evening paid tribute to all athletes who had expended time and effort for the Pasco Pirates.

This certificate of achievement may be the first of many for Sophomore Edward Hall.

Art Club

The Art Club at PCHS, consists of a group of talented, creative students. The club centers its activities around various art projects. Special projects for this year include Homecoming decorations, banners for Robinson's Department Store and annual participation in the County Fair exhibits. It has been, and will be, a very productive, exciting year for everyone involved with the Art Club.

The lucky winners were Cindi Cannon, Susan Baldowsky and Frankie Boyett. Their work will be viewed by hundreds of people in the Tampa Bay area.

Band

The '79-'80 year for the PCHS Band of Pirates has been an outstanding one for all of us — a year full of many new achievements.

We began our year in August with a Summer Band Camp, another name for hard work and dedication! We used what we had learned as we put together some really terrific halftime shows. Later, our director Mr. Davis, joyfully received the Superior rating we earned at the Florida Bandmasters Association Marching Contest.

The '79-'80 Band of Pirates.

Bass: M. Beaumont, D. Herring, L. Smith, D. Tucker.

Officers: Captain, T. Newlan; 1st Lt., M. Hill; 2nd Lt., S. Petters; Asst. Drum Major, W. Russ; Drum Major, P. DeWitt; Sec., N. Dronoff; Librarian, K. Hormuth; Man., K. Dorsett; Man., R. Bentley.

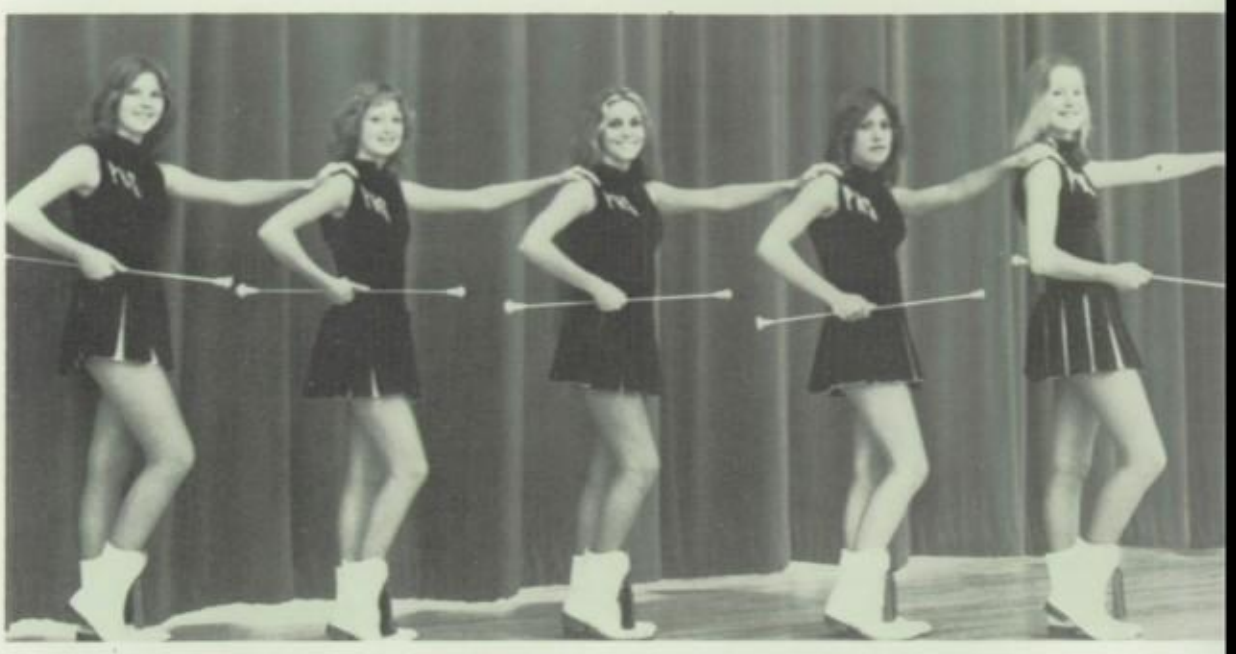
"Blow, Gabriel, blow!"

Baritone and French Horn: T. Newlan, T. McKay, T. Jeffries, D. Gant.

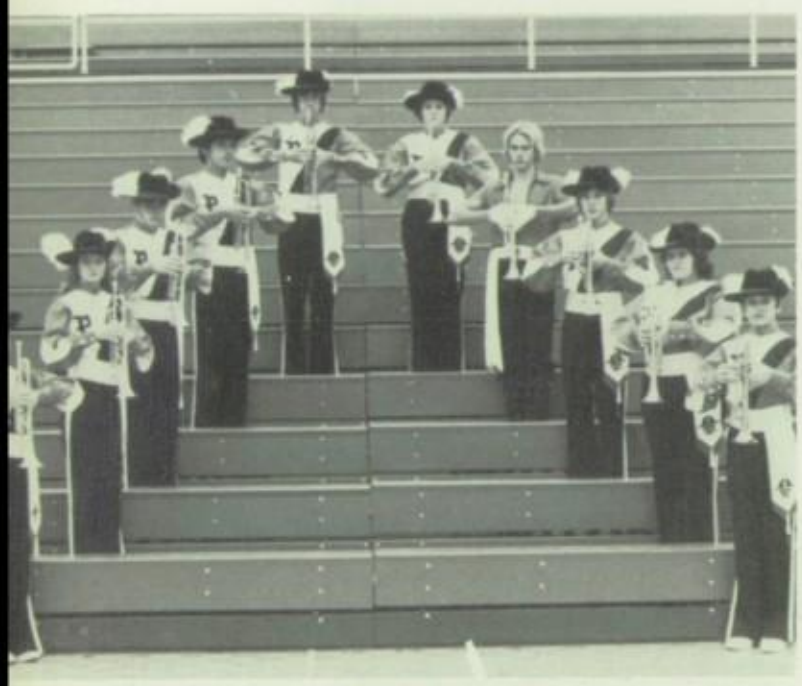
Mr. Davis "plays" around!

Flag Team: Kneeling — M. Young, Captain. **Standing —** S. Silas, S. Fagan, S. Shannon, L. Johnson.

Though this concluded our marching season, work didn't slow down a bit. Upon the arrival of our new uniforms, we went to the Winter Haven Citrus Fair Parade in order to escort the Queen, (a real honor!). Our Pasco County Fair parade followed shortly thereafter, and we received 1st place as the best marching unit.



Majorettes: R. Boyd, K. Evans, S. Lankford, Captain; T. Harris, J. Partridge.



Trumpets: S. Mullins, S. McClain, M. Miller, D. Sanchez, T. Gude, T. Brown, P. DeWitt, K. Dorsett, S. Hicks, W. Walters.

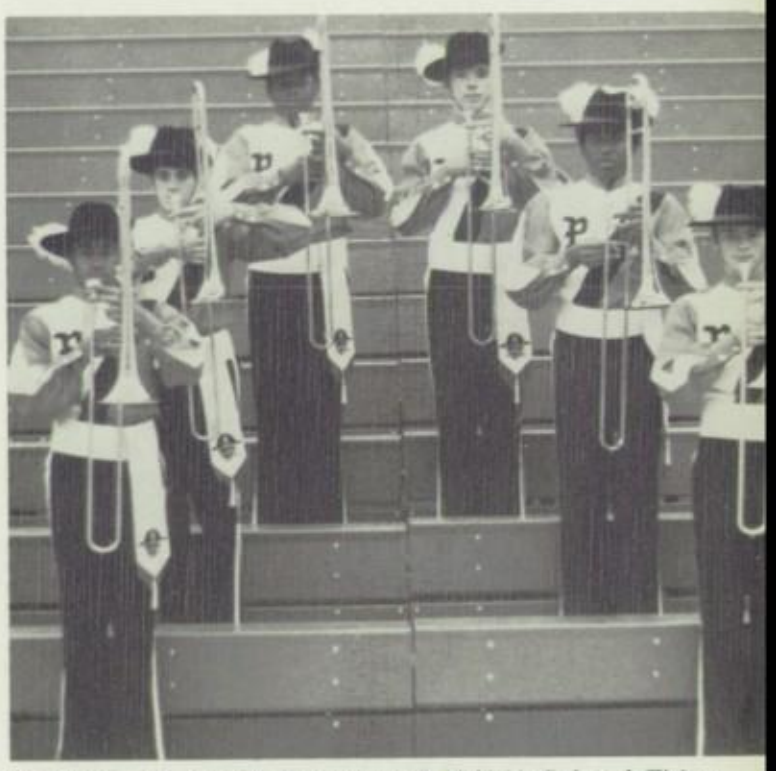
From the expressions on Cassandra Harmon's and Angela Benson's faces, Band isn't *all* hard work!

Melissa Hill is a cool cat!

In February, some of our members went to Solo and Ensemble Contest where they collected numerous Superior and Excellent ratings. March came and it was time for the Symphonic Band to go to the district contest where we received a Good rating. For the effort expended, we felt we deserved more.

Our newly-formed Jazz Band has been very active. This group has been a real favorite with the students and often entertains on campus and in the community.

If you thought the band *played* well, wait till you hear them yell!



Trombones: A. Sanders, R. Southern, T. McNabb, B. Lee, J. Walton, J. Kitchens.

Clarinets: 1st row — M. Barthle, D. Millim, J. Hill, S. Williams, L. Bryant, B. Beckum. **2nd row —** C. Cooper, J. Denney, W. Wormack, C. Harmon, A. Benson.

It is the *people* in our group who make the Band of Pirates special; we work together, determined to do our best. We have sacrificed many of our leisure hours in order to give a good performance, and the members are always there — doing their jobs. This teamwork is what makes our band SUPERIOR in our lives.

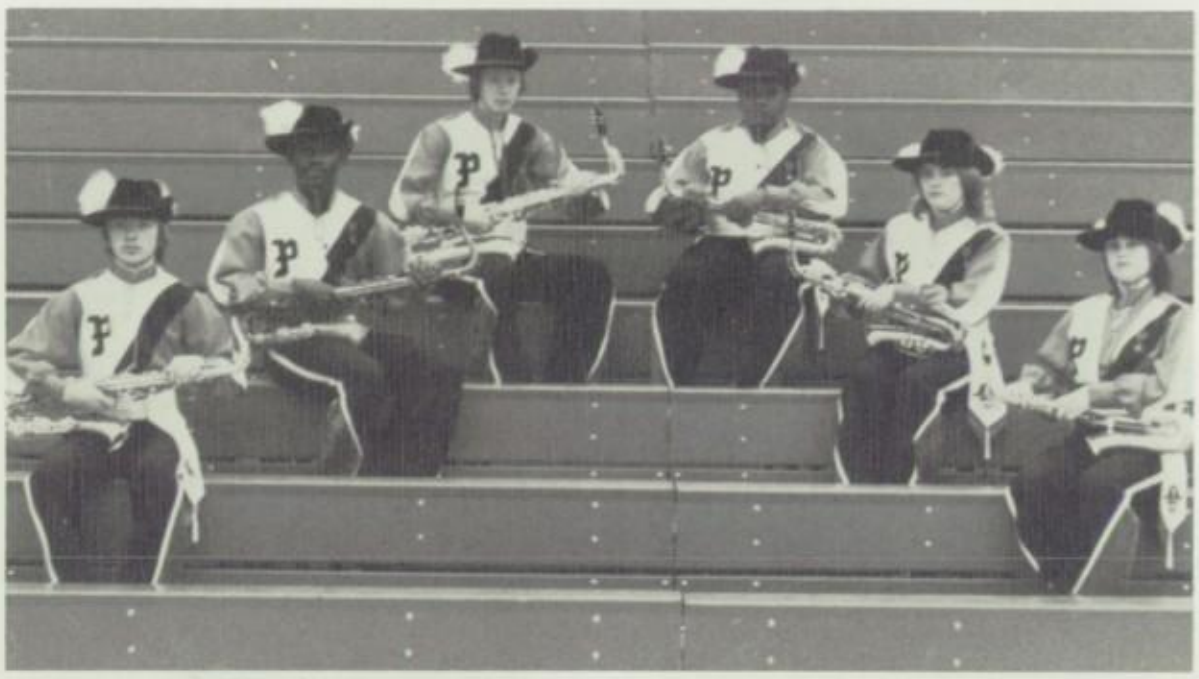
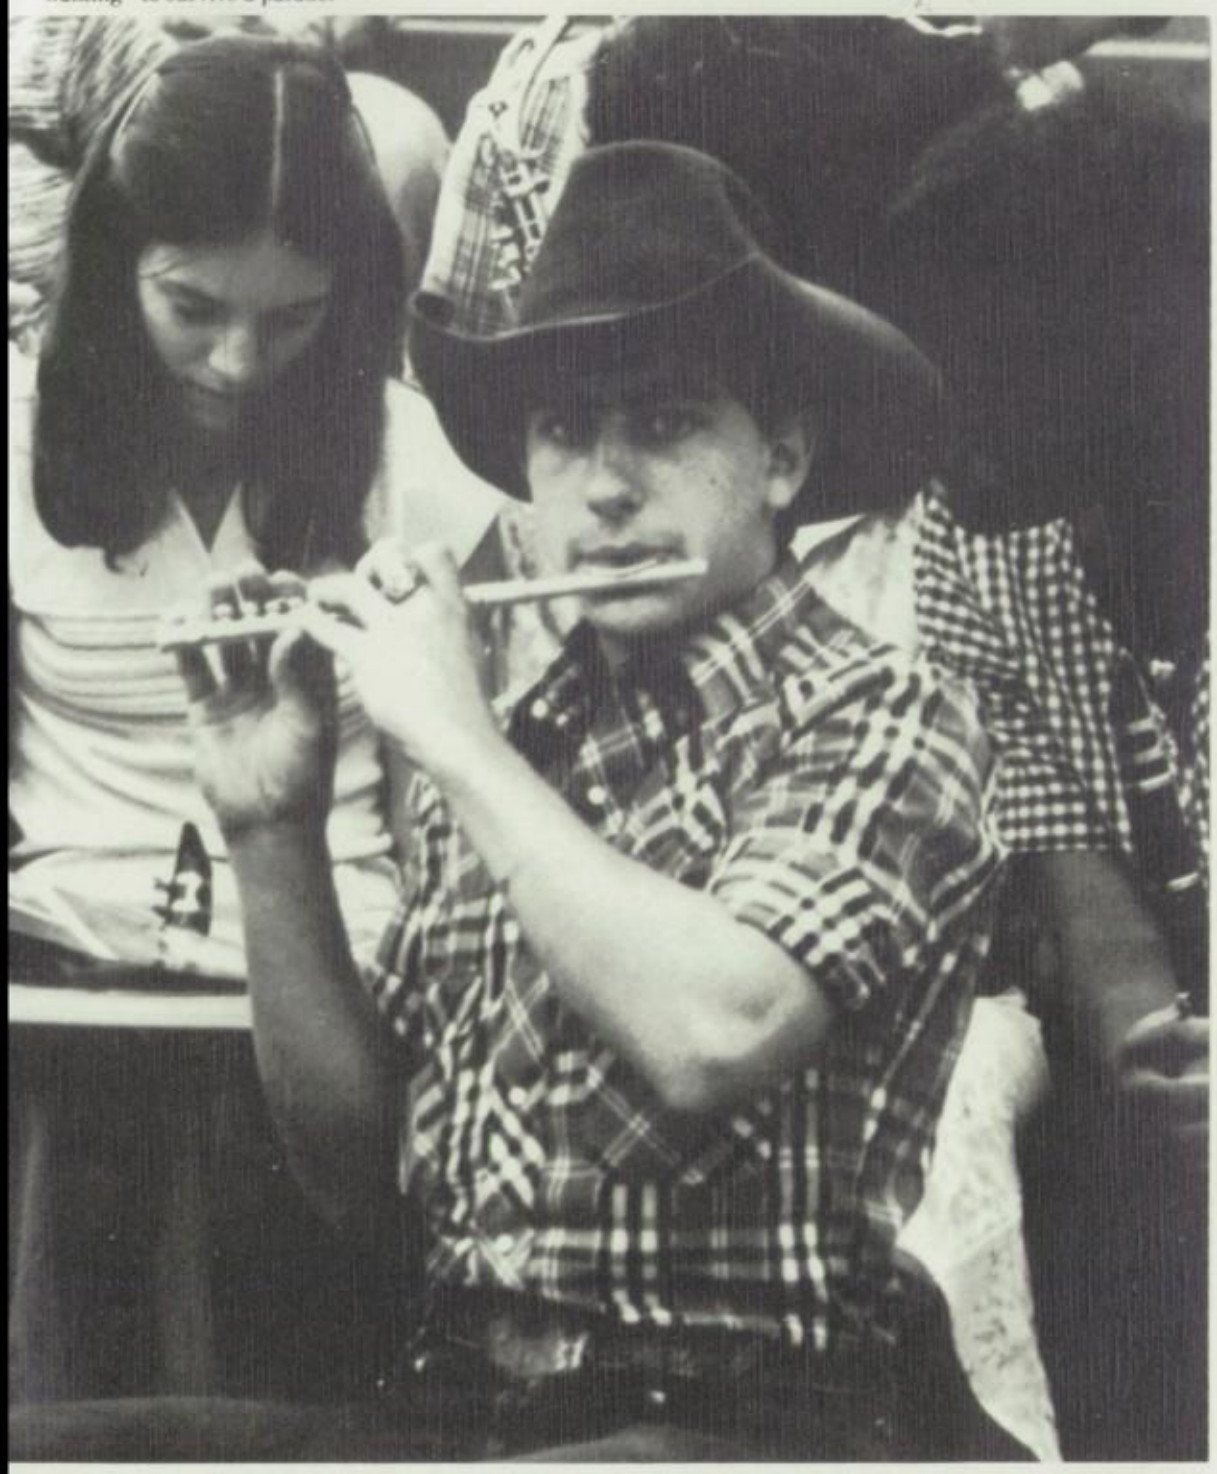
Percussion: 1st row — R. Knapp, S. Weeks, R. Bentley, W. Russ, T. Ulmer. **Back row** — J. Hill, A. Blackmon, T. Loss.

Charles O'Lone finds it takes a lot of "wind" and "walking" to survive a parade.



Saxophones: T. Bellamy, G. Singleton, C. O'Lone, M. Hill, M. Green, K. Johnson.



Have you ever seen a more *unlikely* piccolo player?

A guy with short arms could *never* get this slide back in!

Majorettes

This year's PCHS Majorettes began the summer of '79 by attending All-Florida Twirling and Dancerette Camp. There we worked hard and gathered knowledge to prepare halftime shows and routines for pep rallies which were later presented with PRIDE!

We opened our year by twirling at the first pep rally to the hit tune "Bad Girls" and closed out the marching season with a Superior rating at District Marching Contest.

The Majorettes swing into "Bad Girls" at the pep rally.

Sharon Lankford, Captain

Rita Boyd

Kelly Evans

Practicing did not end there, for we had only just begun! Solo and Ensemble Contest was just around the corner. We worked hard, shed a few tears (and pounds) and received a rewarding Excellent rating.

There has been a very special feeling of closeness shared by the PCHS Majorettes this year that I cannot adequately put into words. We had our ups and downs, but always put things back together with a smile and not a frown.

Sad as it may seem, it is now time for me to move on in life to face the challenging world that awaits me. As I leave, I thank God for allowing me to share each moment with those special individuals who made up the 1979-80 MAJORETTE CORPS.

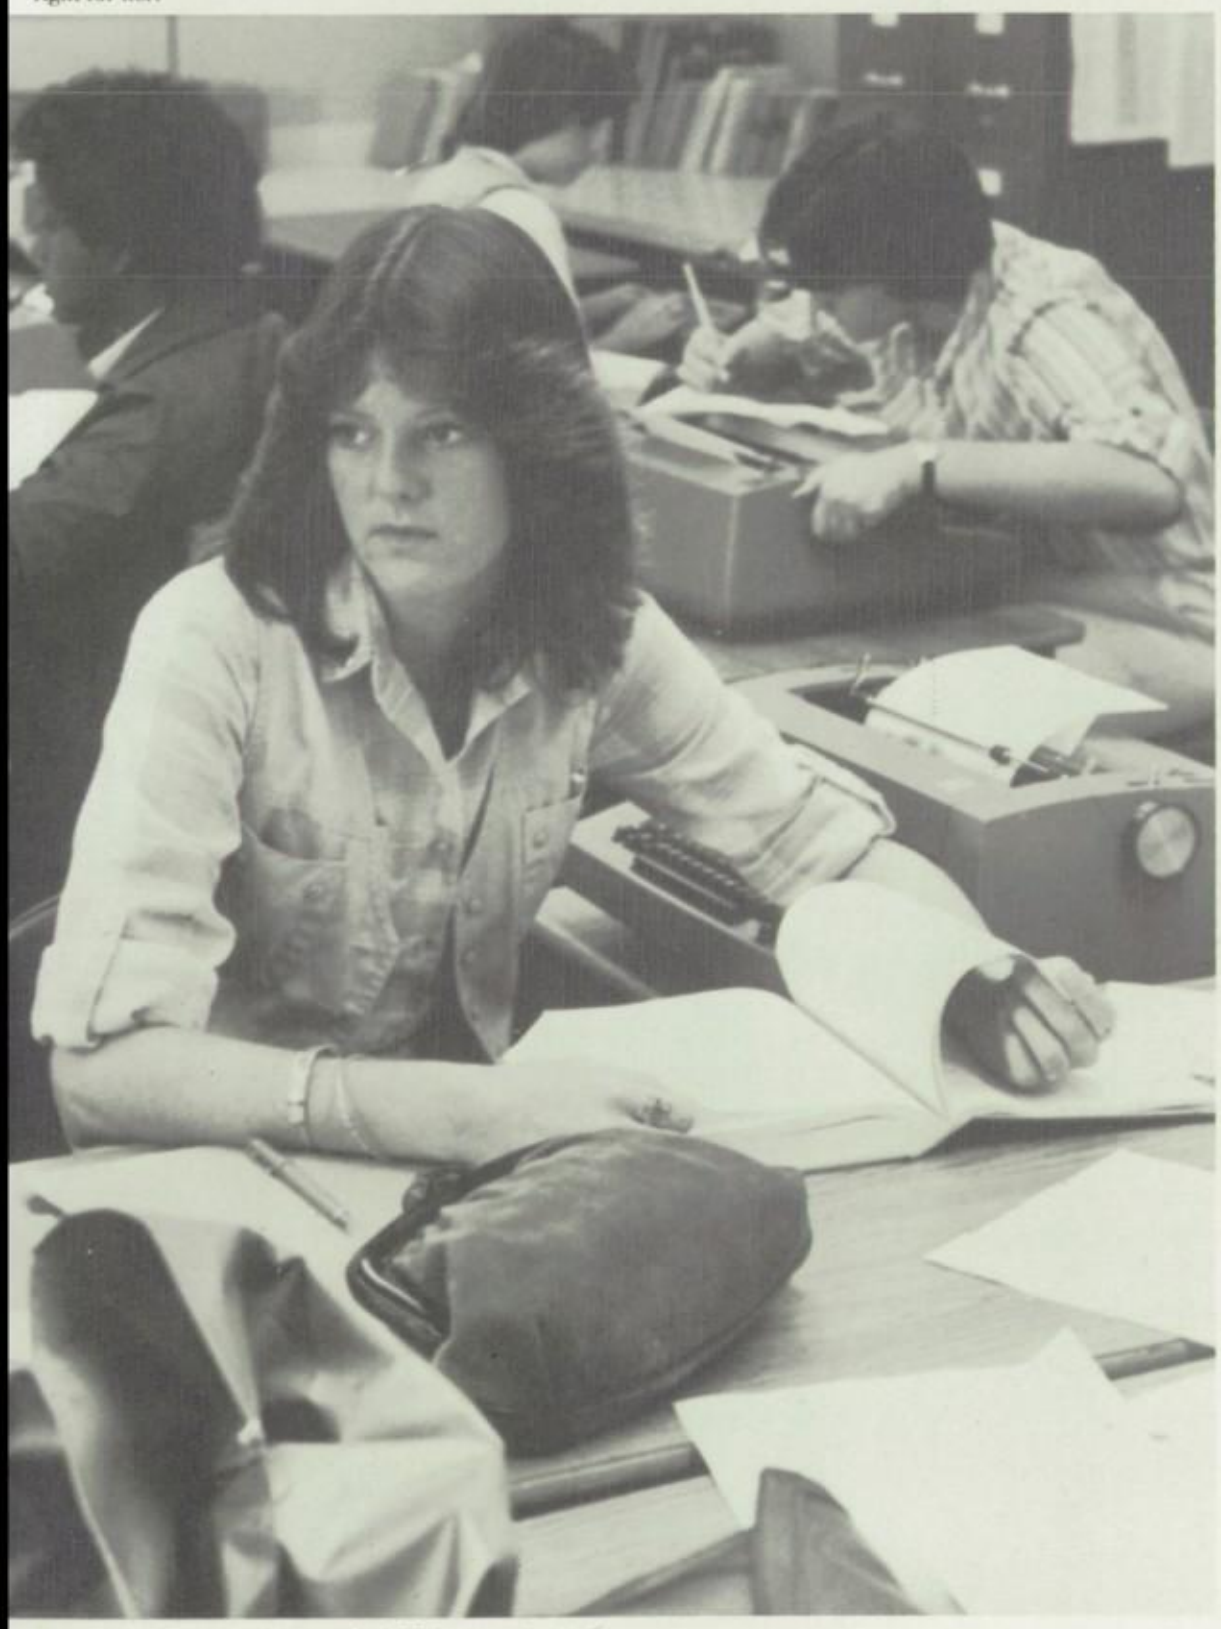
Can you guess what club Karl Browning represents?!

Go CBE!

Janet wonders for a moment if enrolling in CBE is right for her.

CBE students work in class on areas that are helpful in office situations. These include job application procedures, decision making, human relations, typing and machine transcription.

Activities include early-bird breakfasts, a Christmas luncheon for supervisors, an employer-employee banquet, field trips and frequent guest speakers.



Susan and Joyce demonstrate that CBE'ers are flexible — meeting the demands of the moment.

Signing a yearbook is a good excuse for Tammy to take a typing break.

Chess Club

The Chess Club is organized to benefit students interested in sharpening their playing skills. Members participate in matches against other schools, and frequently do well. For practice, members compete among themselves and the rivalry is very keen and matching wits can be stimulating and fun.

Throughout the year, DCT Clubs are involved in community and fund-raising projects. Most of our money goes toward State Leadership Conferences, Employee/Employer Banquet, community charities, and our semester breakfasts. We compete with other DCT Clubs in our district in softball, basketball, bowling, and skating. This year we beat our Zephyrhills rivals to win the softball tournament. To top off a great year and good times we splurge for pizza parties and picnics!!

DECA, (Distributive Education Clubs of America) has been involved in many activities this year. During Homecoming Week the group got together and sold our traditional homecoming corsages and boutonnieres.

In March, outstanding students attended district contests in Zephyrhills and Bartow. Lisa Sellers and Heiskell Christmas placed in District and moved on to State finals in Daytona Beach.

Six students attended the conference at Daytona Beach, bringing back information that benefited each club member.

Throughout the year, the average employment rate for PCHS DECA students has been approximately 90%.

"Four score and seven years ago," begins Robert Fleming.

At the FBLA Installation Banquet, Rui challenges members, both old and new, to make the PCHS Chapter the **best.**

On February 11, Pasco Comprehensive High School FBLA led 19 other schools in the FBLA District XIII competition to bring home more first place trophies and ribbons than any other school in the four-county area!!

March 27-29 our FBLA organization attended the 30th Annual State Leadership Conference held in Orlando. At the close of the conference, the following state awards were presented to our club:

The Parliamentary Procedure Team: 1st place. The team consisted of:

Joanne Barthle
Rui DaCosta
Lisa Brooks
Melanie Barron
Jenni Prestininzi
Kevin Dorsett

Money Management Report: 1st place, compiled by Charles Edwards.

Who's Who in FBLA and the Edrie Kennedy Award: 1st place, Joanne Barthle.

Extemporaneous Speaking: 2nd place, Randy James.

The chapter received 3rd place in "Chapter of the Year" and the "Gold Seal Award."

Jenni Prestininzi was installed as **District XIII President** and Lisa Brooks was installed as the 1980-1981 **FBLA State President.**

Even *Vice* Presidents need an occasional "lift."

"They always give me the dirty work," says Melanie.

Kevin's research paid off when his Parliamentary Procedure team won first place at state contest!

"Pirates want a victory," cheer spirited FBLA members.

Our Parliamentary Procedure team and Money Management report will represent Florida in National Competition held later this year in Washington, D.C.

We have had a wonderful year and would like to thank our sponsors, Donna Lain and Janet Ricci, for all their support and the confidence they had in us. Through our activities, we have grown closer to many people and have learned more about ourselves.

"A star is born," admits Marilyn.

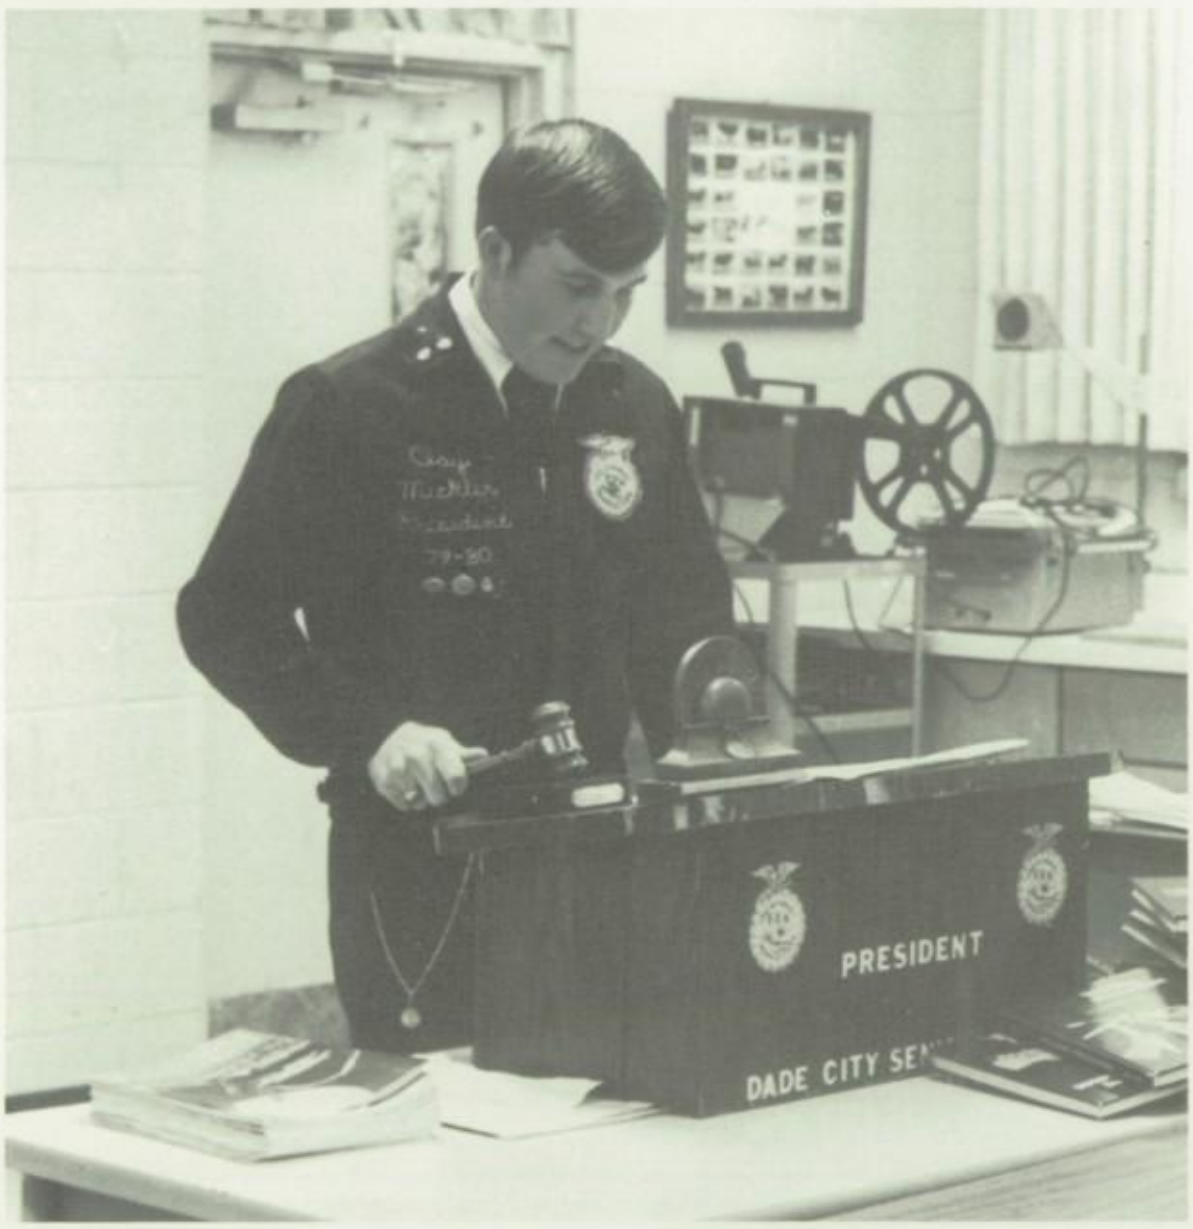
Since they missed the group shot, we gave them a second chance: Members — C. Edwards, M. McNatt, R. James.

FFA

As Ralph Waldo Emerson once said, "The first farmer was the first man, and all historic nobility rests in possession and use of the land."

The Future Farmers of America strive to produce individuals that will make this type of impact in the best interests of mankind. FFA utilizes what many consider the world's greatest teaching tool-experience. Through active involvement in this organization, one learns responsibility and develops ambition.

Chris seems totally engrossed in the meeting



Conducting an FFA meeting with *dignity* is Clay Mickler's forte!

Horsing around.

This year was another challenging year for the FFA. Through our participation on teams, committees, and projects, we learned that success was something we craved and had to push for, because failure could come too easily. We came to know each other as **family.** Like a **family,** we had many differences of opinion, but out of diversity came unity. As a leader, I can see that we have all matured considerably. We can view our past accomplishments with pride, but we can also look ahead to ideas and dreams we yearn to accomplish.
Clay Mickler, President

FHA is a national organization of young men and women, in chapters located in all fifty states, formed to enhance what young people have already learned in Home Economics or related occupations.

FHA Chapters place major emphasis on consumer education, homemaking, and family life education combined with the exploration of jobs and careers. Growth within yourself, your family and the society around you are goals that FHA helps each youth reach.

Our motto is "Toward New Horizons." This expresses the purposes of this organization — learning to live better today in order that our lives and those of our families may be better tomorrow.

Enjoying the luxuries of a 747, Jorge tunes in to his favorite music while Mr. Auten, Bonnie, and Ms. Morohovich relax.

While waiting for her flight, Donna Fowler enjoys a little refreshment.

Students spend a large part of their time reading about Europe: Shakespeare's England, French and Dutch painters, the music of Spain, or the castles and chateaux of Germany and France. But only rarely do they have the chance to see it for themselves, to touch, taste, and experience Europe's kaleidoscope of places and cultures. Learning and living, seeing and understanding don't have to be worlds apart as 16 students learned this year in Belgium, France and Holland. It's fun expanding vocabulary over a "grande creme" in a Parisian cafe . . . soaking up history in Belgium . . . and discovering Holland's great cultural heritage. Learning and fun happen together on PCHS European tours!

Interact

Throughout the year, Interact had several projects and participated in other school and community activities. We played our annual softball and basketball games in competition with Rotary, sponsored a pep bus to the regional basketball game, and hosted the Rotarians to a luncheon in the school cafeteria.

Interact is a community service club whose parent organization is Rotary Club. The sponsors this year are Hal McGregor and Cathy Pedrey.

Key Club

The Dade City Chapter of Key Club is an organization of students geared toward service to the community.

This Kiwanis sponsored and supported club was led by Tom Godfrey, President; Julie Esser, Vice President; Denise Overstreet, Secretary; and Barry Swindle, Treasurer.

Club members earn a little "clean" money for community projects.

1st row: S. Mullins, L. Morris, A. Williams, A. Pittman, B. Williams, S. Sileo, I. DaCosta, B. Williams. **2nd row:** U. Halsas, T. Gray, K. Clark, M. Barron, L. Cramer, D. Stanley, B. Storch, G. Olney, P. Cain. **3rd row:** L. Blessing, J. Cox, S. Larkin, D. Brinkley, K. Griffith, T. Godfrey.

The first order of business for the new officers was to recruit members to help with the annual Kiwanis Kids' Day. This event was a huge success! Hundreds of Dade City's youth came together for a day of games and good eating.

Our first big project was sponsoring a Halloween Carnival at Optimist Park. With a lot of help from other members of the "K" **family** (Kiwanis and Circle K), the Halloween Carnival was truly a night to remember.

As one of their first service projects the members of Key Club came together to furnish a needy **family** with a Thanksgiving Day Dinner. The **family,** friends of a member of Key Club, enjoyed this fine meal and welcomed it in the true spirit of sharing.

In December you could feel Christmas in the air! Christmas caroling at the Geriatric Center and a Christmas Dance were on the agenda for this very hectic month.

After Christmas vacation when everyone had settled down, Key Club elected new officers for the coming year. Our new President, Jacque Denson, will be aided by Beau Williams, Vice President; Kerri Griffin, Secretary; and Pat Cain, Treasurer.

The new board will take over in May. We will complete our year with a busy couple of days at the Division Convention in Daytona Beach.

The "K" **family** has worked together more this year than ever before with the help of faculty advisor, Alan Poe; Kiwanis advisor, Mr. Rusty West; President of the Dade City Kiwanis Club, Don Elliotte and President of the Circle K of St. Leo, Evie Riviera, we have truly learned the meaning of togetherness.

From attending Kiwanis luncheons to helping with the Special Olympics and Annual Kiwanis Fish Fry, we have worked together side by side.

NHS

The National Honor Society is a very selective organization at Pasco Comprehensive High School. Just to be considered for membership, a junior or senior must have a cumulative grade point average of 3.4 while a sophomore must reach 3.6. Each faculty member then assesses the possible NHS candidates on three counts: character, leadership, and service. This year on April 11, only twenty-five students were accepted and initiated into the Pasco Comprehensive High School chapter of the NHS.

A special activity of our National Honor Society chapter is sponsoring the Honor Roll Tea after each grading period. Officers plan the entire event, invite guest speakers, and furnish and serve refreshments. This is a perfect time for parents to talk with administrators and teachers and gives the students a chance to relax with friends.

Officers: L. Elliotte, Sec.; R. James, V. Pres.; C. Edwards, Pres.; A. Williams, Treas.

Pep Club

Pep Club is here for people who support our teams and to promote school spirit! But it's not all fun and games. We must also put on a terrific Homecoming Week — which we did!! Homecoming was a lot of hard work, but few realize this until they have been exposed to it.

The Seniors may be small in number, but they're big on spirit!

Much credit must be given to Ms. Patty Deutscher and Mr. John Dampier for their participation and organization of the Homecoming festivities. They kept our chins up when we were getting down. I believe if more students could know how much effort goes into preparing for that "big dance," they would appreciate it much more! The officers were a tremendous aid to me . . . providing moral support, when I needed it. The Pep Club as a whole was super! I learned more about myself while working with some really fantastic people.

I would like to thank all our members for their great effort, participation, and spirit throughout the 1979-80 year, and also, Ms. Deutscher and Mr. Dampier for their support. It was a memorable year for all!!

Rodeo Club

Rodeo is one of the oldest sports events in America. It started out just as recreation to break the monotony in the cowboy's daily work in the Old West. Today it's a very competitive sport. It begins with jackpots and leads up to the highest level of rodeo as Pro Rodeo Cowboys Association (PRCA).

There are more events in High School Rodeo than in PRCA. High School Rodeo contains Bareback, Saddle Bronc, Calf-roping, Break-away, Bull-dogging, Barrel Racing, Poles, Team-roping, Goat-tying, Bull-riding, and Cutting.

Officers: T. Sherouse, Pres.; S. Brown, V. Pres.; L. Barthle, Sec.; C. Holtzhower, Manager; J. Butler, Treas.

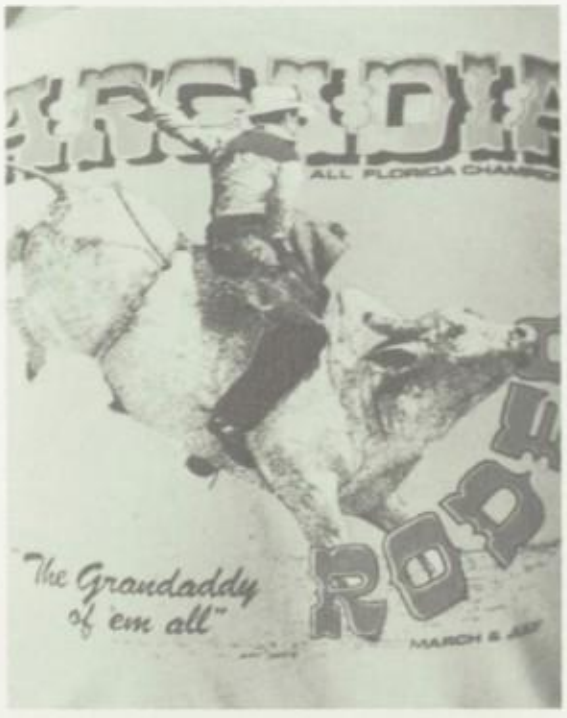
Shorty Brown and Todd Scherouse lead the way for Rodeo Club.

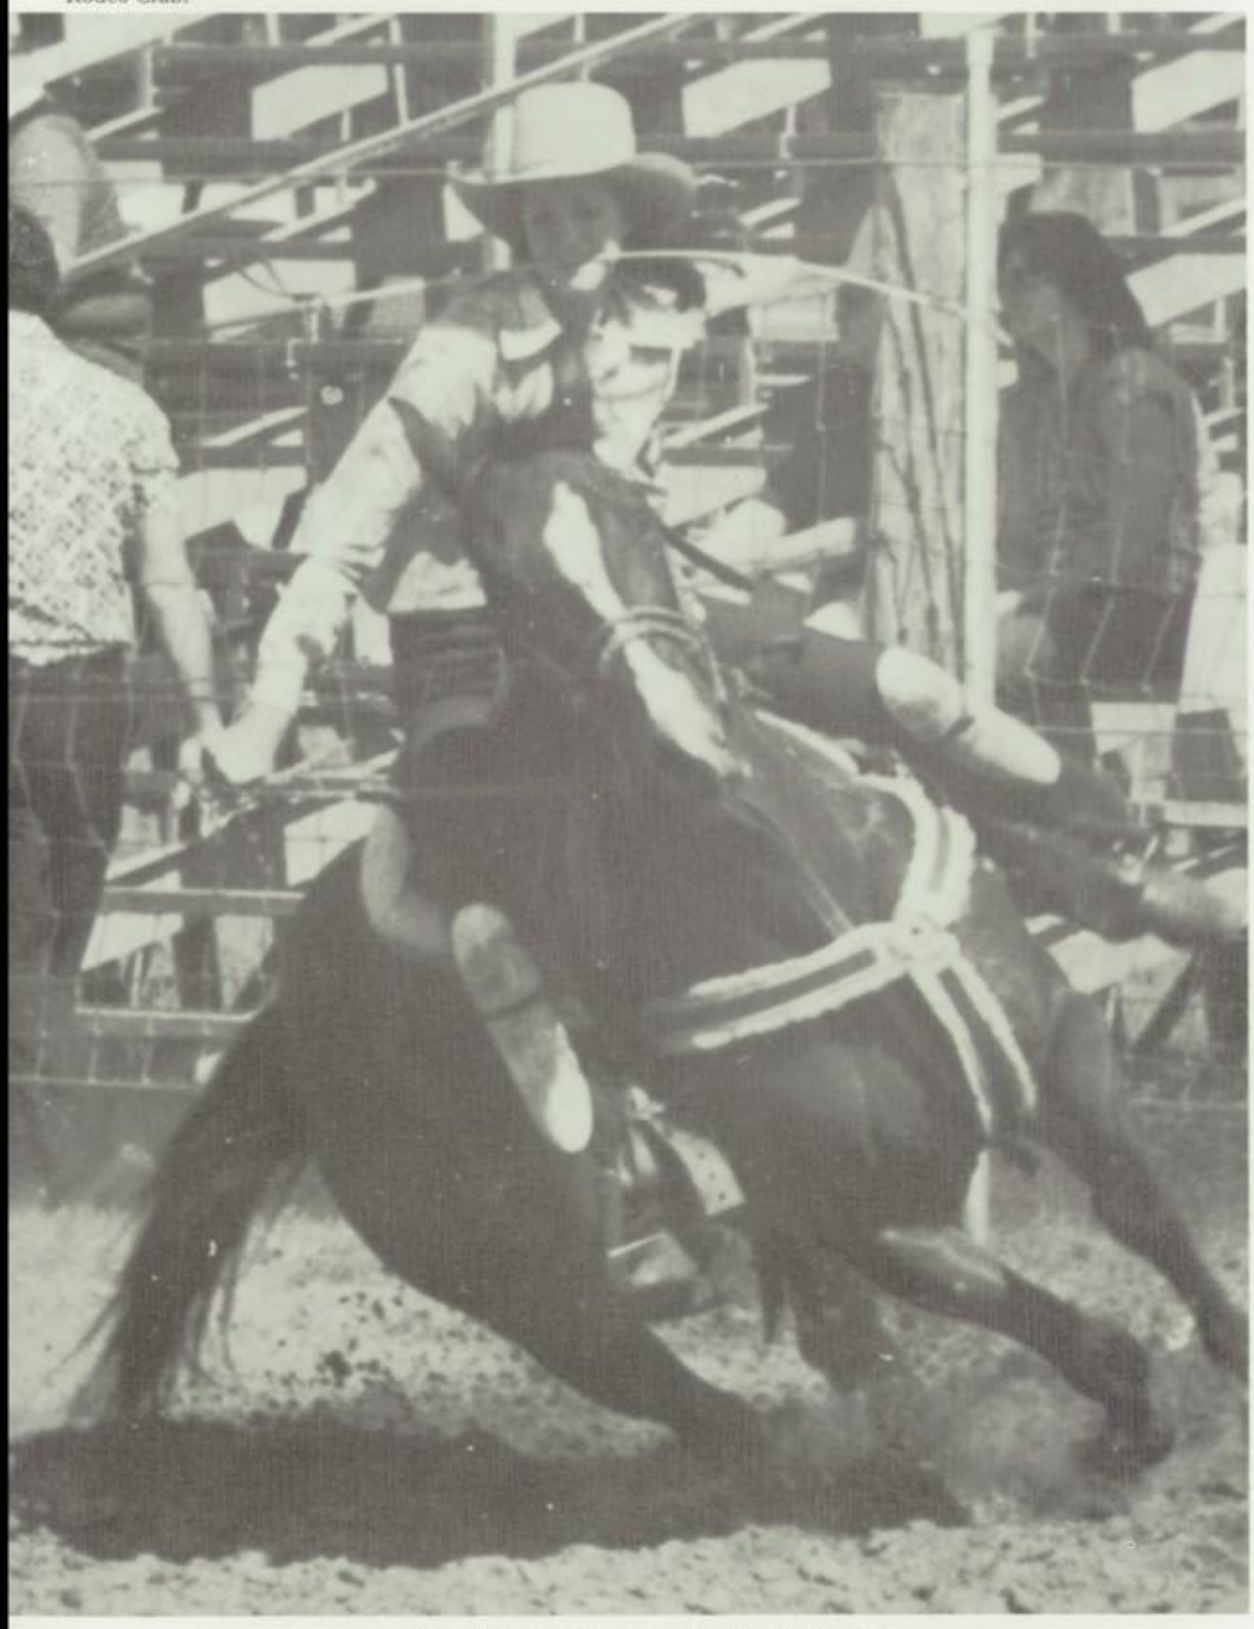


From Dade City to Arcadia — a cowboy's dream.

All contestants must pay an entrance fee. Awards in high school rodeo are prizes such as belt buckles, equipment for your horse, etc. and the awards in PRCA are cash.

As the year progresses, points are kept for each individual in each event. At the end of the year the top ten from each event go to the state finals. If you're lucky enough to rank in the top at State you can go to National Finals.

High school rodeo mainly consists of fun, excitement, sportsmanship, and determination of each young cowboy and cowgirl to win.



Barrel racing is Debbie Barthle's favorite event.

Roping and riding is mastered by Mark Dorman.

Student Council

To fail to notice the PCHS Student Council is like failing to notice the buildings on our campus. The Student Council is constantly at work, providing entertainment, rewarding deserving students, and offering forums for growth during our high school years.

We kicked off our year by making help and refreshments available on Registration Day. The Welcome Sophomore Dance, looked forward to by all, was our first social function. Student Council memories will also include "spirited support" during football season, a chuckle or a tear over an unexpected award, and those hilarious skits presented during pep rallies.

SC "business" is always a good excuse when Barry's late for class.

Wonder how much Business English Rui's finding in that yearbook?

We're not sure what kind of SC "project" Ashley has in mind.

Without exception, Student Council is composed of the most capable and energetic leaders of PCHS. This leadership brought the Council and our school two first place awards for float entries and earned tremendous respect from other schools during our delegates' attendance at District IV Student Council meetings.

Whether you, the student body, associates Student Council with a scary movie, the excitement of Basketball Homecoming or the fun of Student Appreciation Day is not important. It is important that we, the Student Council, have had the satisfaction of serving you through such projects, and in so doing, have enriched your lives in a very special way.

Human Relations

Human Relations Club consists of 15 members interested in relating to other people. We do this through club activities such as dances, picnics, parties, and other fund-raising projects. Mr. Yearbook Man: "Volume 43."

The 1980 Pirate Staff has had a busy, sometimes frustrating, exciting year! Among our accomplishments were selling a record-breaking $5000 in ads and winning third place in layout design at the FSPA Convention in Orlando. Staff members Patty Linville, Julie Esser, Glenn Adams, and Heather Whitford represented our staff in this "On-the-Spot" contest, designing an Opening section for a fictitious yearbook. Our staff also had the privilege of accepting second place awards for the '79 Pirate from CSPA and FSPA, national and state critiquing organizations.

Our sponsor, Mrs. Margaret Jones, was a tremendous help to each of us and earned the reputation of a "great cook" by providing a delicious, much anticipated lasagna supper at her home.

Editor Patty Linville has done a terrific job providing leadership and friendship to the entire staff. Each staff member contributed his/her individual talents in special ways that made our book fun to assemble.

I know I will always remember my experiences as a Pirate staff member, and I am already looking forward to another eventful year.

Seniors
Class of '80

UNIFIED — that's what we were; one in body and spirit. TOGETHER — strong and spirited; everyone felt the Seniors' presence. Many of us left school early due to jobs and short schedules, but at pep rallies, homecomings, school dances, and senior activities, we gave our full support. We were all INDIVIDUALS, working as a group, yet maintaining our individuality.

PCHS organizations felt the impact of Senior leadership: Student Council, Yearbook, Key Club . . . The list is endless. This willingness to be involved gave meaning to our lives. This was our legacy to the underclassmen.

Senioritis seemed to elude us as long as the tempo of sports and activities kept us moving and working. But during the slower-paced fourth quarter, we found there was restlessness in the air and that "party" spirit slowly crept in. We discovered an outlet for this harnessed energy in the activities of Skip Day, where once more, many of us who had spent twelve years together, experienced the feeling of BELONGING.

Outstanding Seniors

Friday, April 4th, was a big night for 24 Seniors. The Third Annual Outstanding Seniors' Banquet, sponsored by the Dade City Rotary Club, honored these 24 Seniors for their achievements in academics, athletics, extra-curricular activities, and community services.

The highlight of the evening was guest speaker, LeRoy Selmon, Defensive Back for the Tampa Bay Bucs! (#63). He shared his career happenings and much more, topping off the evening with an autograph session.

The Seniors would like to thank the Rotary members for honoring them in this special way and for the work involved in producing such a beautiful evening.

Powder Puff Football

On June 2nd, in the broiling heat, two mighty teams gathered on the field of W.F. Edwards stadium.

The game was declared a fight to the finish — a contest of strength, speed, skill, endurance, and overall supremacy.

The junior girls were pitted against the senior girls in this grueling event. The two teams struggled hard, as attested by the violent clashes on the line of scrimmage. Both teams had withstood hours of strenuous workouts days before. Now, they were prepared to fight — and one team would become the defeated; the other — the conqueror.

The spectators, however, didn't take the game that seriously — they ogled the well endowed cheerleaders and socialized, but the gridiron gladiators didn't even notice, because their game was so intense.

When the dust finally settled, the Juniors emerged victorious, with a score of 12-0. The Seniors were very gracious and sportsmanlike. Everyone enjoyed the festivities, and several girls have been recruited by "pro teams." All the "cheerleaders" have been invited to Dallas to coach a cheerleading camp for the Cowgirls. Good luck to these talented young athletes! (Game videotapes available from ABC Wide World of Sports, Inc.)

Cheerleaders, Rui, Tom, and Barry show off their form to the fans.

Randi clutches the ball as she attempts to outrun Kelly and Lynn.

What we lack in ability, we make up for in good looks!

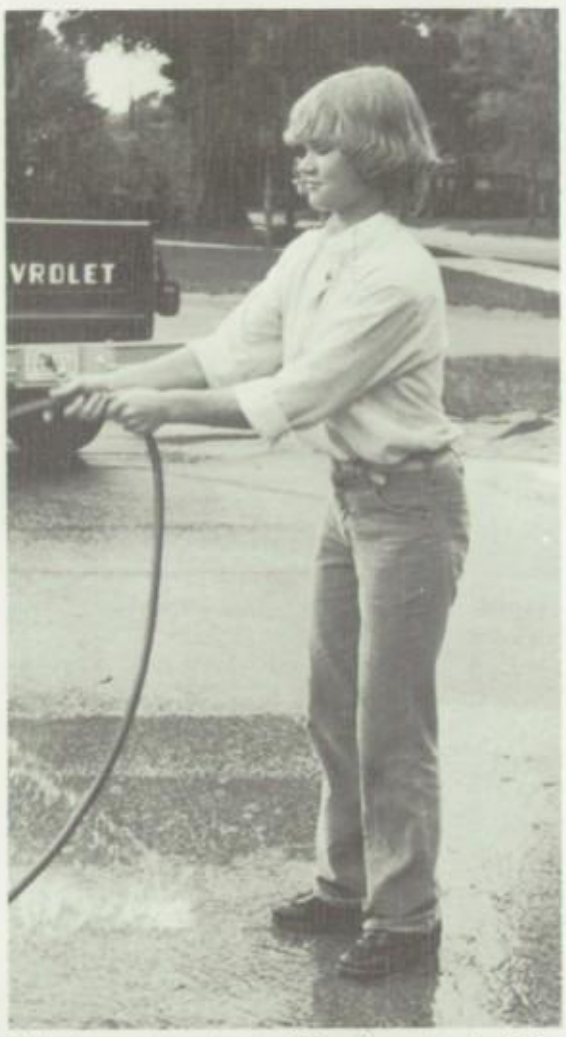
Foreign Exchange Students

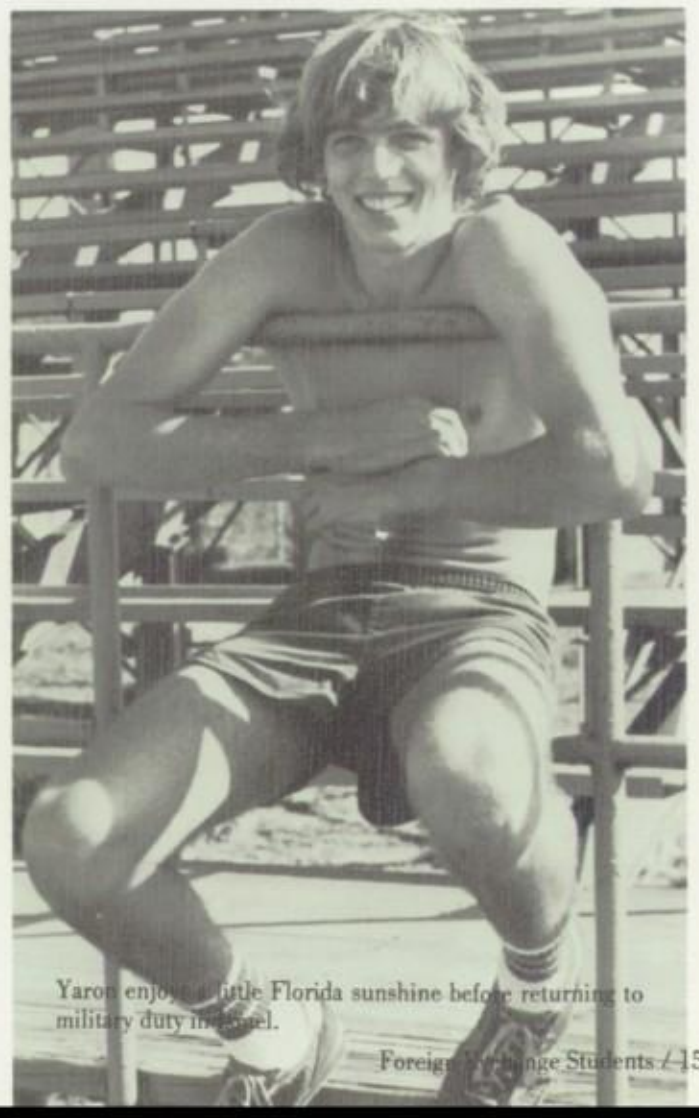
Jorge's Costa Rican Spanish is much more convincing than our Anglican variety!



Ulla gives an American tradition (carwashes) a "Finnish" touch.

The countries of the world are brought increasingly closer together due to the progress of communication and travel. It is more important now than ever before to know our foreign neighbors' culture, thinking, and way of life so we may have a better understanding of them. We hope in turn, Yaron, Ulla, and Jorge will leave our school with a better understanding of all of us at PCHS and of our country. World peace and harmony, perhaps, will be advanced another step because of our Foreign Exchange Program at our school.

Jorge Soto, Ulla Halsas, and Yaron Spector point out that it really is a small world!



Yaron enjoys a little Florida sunshine before returning to military duty in Israel.

It's snack-time for Randi!

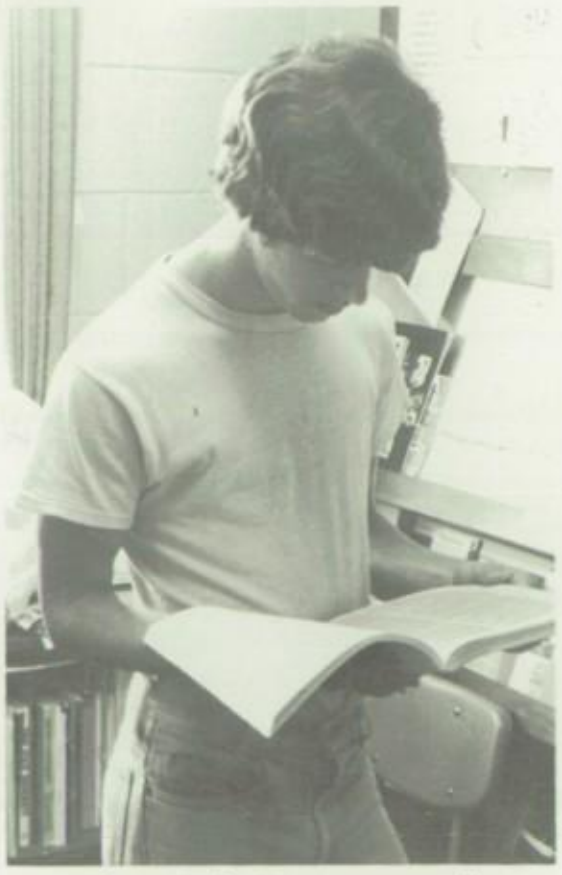
Chris Holtzhower: Sophomore, Junior, Senior

You watched your friends graduate . . . then suddenly you realized that you were a senior.

. . . shared your locker with that special friend . . .

LOOKING

Looking back, considering, and reflecting . . .



. . . others were planning to go away to college.

Then, there was the Jr.-Sr. Prom.

. . . only yesterday when you walked down the halls to class with your high school sweetheart . . .

Looking back, considering and reflecting . . . as a senior these were important parts of your last year at Pasco Comp. Today you are out in the world, an adult, coping with the new problems that face you. But still it seems like only yesterday when you walked down the halls to class with your high school sweetheart, shared your locker with that "special friend" from whom you never expected to be separated. (Now your friend's in Arizona and you hardly ever write.) It was only yesterday that you were standing in line at lunch or waiting to use the phone. Those days are gone . . . forever.

Your high school days may be over, but the memories will live with you always. You will look back on the day you registered for your sophomore year; the excitement of the first day of classes; your first pep rally. And who will ever forget their first Homecoming Dance? Yes, your Sophomore year was a year of "firsts." How quickly the year went by!

The highlight of your junior year was, of course, getting your CLASS RING! Picking it out — that very special ring just for you — and then waiting. You thought it would never come. Finally it did. How proud you were! Then, there was the Jr.-Sr. Prom. You never worked harder, raising all that money for your prom. Then there was that special date. Your junior year was so eventful, demanding, exciting.

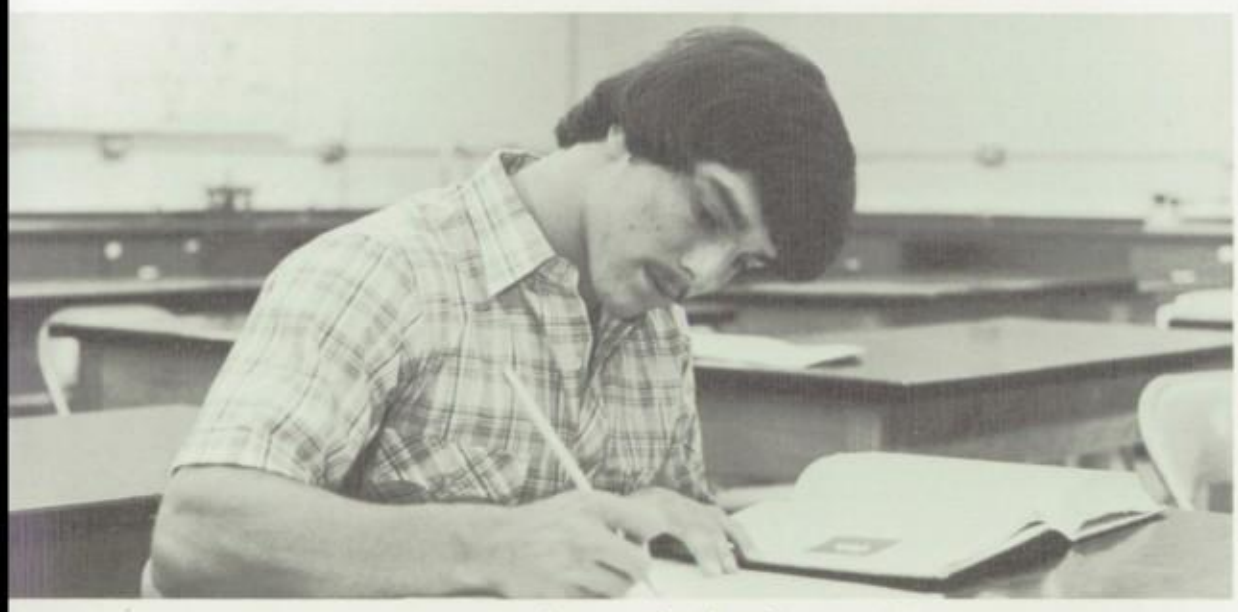
As you watched your friends in the Class of '79 graduate you listened to their names being read and concentrated on their faces. Then, suddenly you realized that you were a senior. In just twelve short months YOU would be walking across that field, YOU would be graduating.

Your final school year was filled with so much to do! Senior portraits, Prom, Grad Nite '80, Awards Day, Graduation invitations and finally, Graduation. Time seemed to go by so fast; there just was not enough time to do everything. Suddenly, some of your friends had graduated early, and others were planning to go away to college. You were growing up — quickly, maybe too quickly.

"It seems as if it's been only a few days. Why does it all have to end?" you wondered. There were times when you believed high school would never be over. But now, looking back and considering everything, you had some pretty good times. In fact, the best times of your life. Who can forget those cold, rainy days that were spent at P.E., or those eternal math tests? As you read what your friends wrote in your yearbook, you wonder where they are, what they're doing.

Saying "good-bye" was hard, but it had to be said. Now you look back often and remember with affection your friends and classmates — the Class of '80 . . .

BACK



. . . those eternal math tests!

Your first pep rally . . .

And who could ever forget their first Homecoming?

The highlight of your junior year . . . your class ring!

. . . the memories will live with you always.

Most people think of Friday the 13th as being a day of bad luck and superstition, but this year it was something special to the Class of '80. This was the day for graduating seniors to show what twelve long years of education had done for them.

The day began with the traditional Senior Breakfast. Junior Marshals, Glenn Adams, Nicky Dronoff, Sharon Jones, Ricky Lipsey, Susan Petters, and David Morris greeted both the students and their parents.

Entertainment was provided by the Beaumont Family Band and a slide show was presented by the yearbook staff. But perhaps the best part of the entertainment was the song sung by Mrs. Martha Walker, "Mama, Don't Whup Little Beauford."

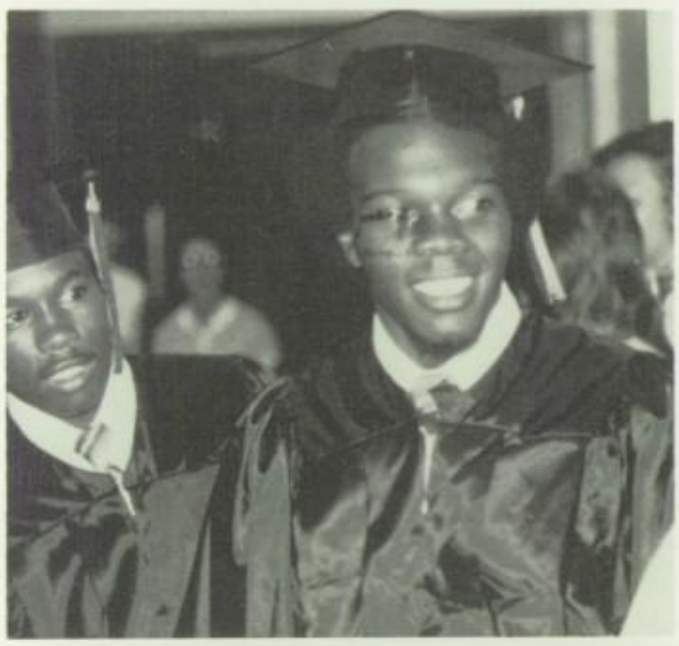
Following the Senior Breakfast, the parents, teachers, and students made their way to the Activity Center to participate in Awards Day. The stands quickly filled. As the Seniors entered the gym, everyone rose. All eyes went to the Class of '80 as they marched slowly to their places.

Each graduate waited in anticipation, hoping that his or her name would be called to receive an award. For many of the underclassmen, this would be the last time to see the Senior Class together. There would be only two more occasions these students would be gathered as the Class of '80 — Baccalaureate and Graduation.

Awards were granted, congratulations were shared and a few tears were shed.

The ceremonies culminated with Patty Linville dedicating the 1980 Pirate — "Our Family" to a very deserving Mr. Scott Johnson and his family, Ruth, Emily, and Scottie.

Peter Arnade receives the Principal's Scholar-Athlete Award from Dr Malone.



Chuck Berry and Joe Adams check to see if the girls are lined up yet.

Following Awards Day ceremonies, this group of Senior girls posed for a "family" portrait.

Mr. Tom Weightman congratulates Dan McBath on being an honor graduate.

As Mrs. Walker would say, "Left-right, left-right . . . "

Baccalaureate

We worship together . . . Baccalaureate services were held Sunday, June 29, at 8 p.m. in the Activities Center.

Following the Invocation by Reverend Mel Church, (Hockaday Free Methodist), Dr. Pat Shaffer (First Presbyterian) spoke on "Faith, Hope, and Love." We were reminded that it is not knowledge that makes us successful human beings, but rather, it is knowing how to truly love. We must be able to share love and accept love.

" . . . if I understand all mysteries and knowledge . . . so as to remove mountains, but have not love, I am nothing . . . So faith, hope, and love abide, these three, but the greatest of these is love."

1 Corinthians 13

Wonder if this is the kind of **love** Dr. Shaffer was describing?!

"Here, Chris, let me help you," Vern Polk offers.

Margaret and Teresa tell Mrs. McNatt where Joyce will be in the line-up.

Graduation

Graduation is a time of both joy and sadness. Joy comes in knowing that you've completed your formal education and can begin living the life you've planned to be uniquely yours. Sadness is experienced when you realize that a phase of your life is ending, and it's hard to "let go" of the fun, friends, and security of belonging.

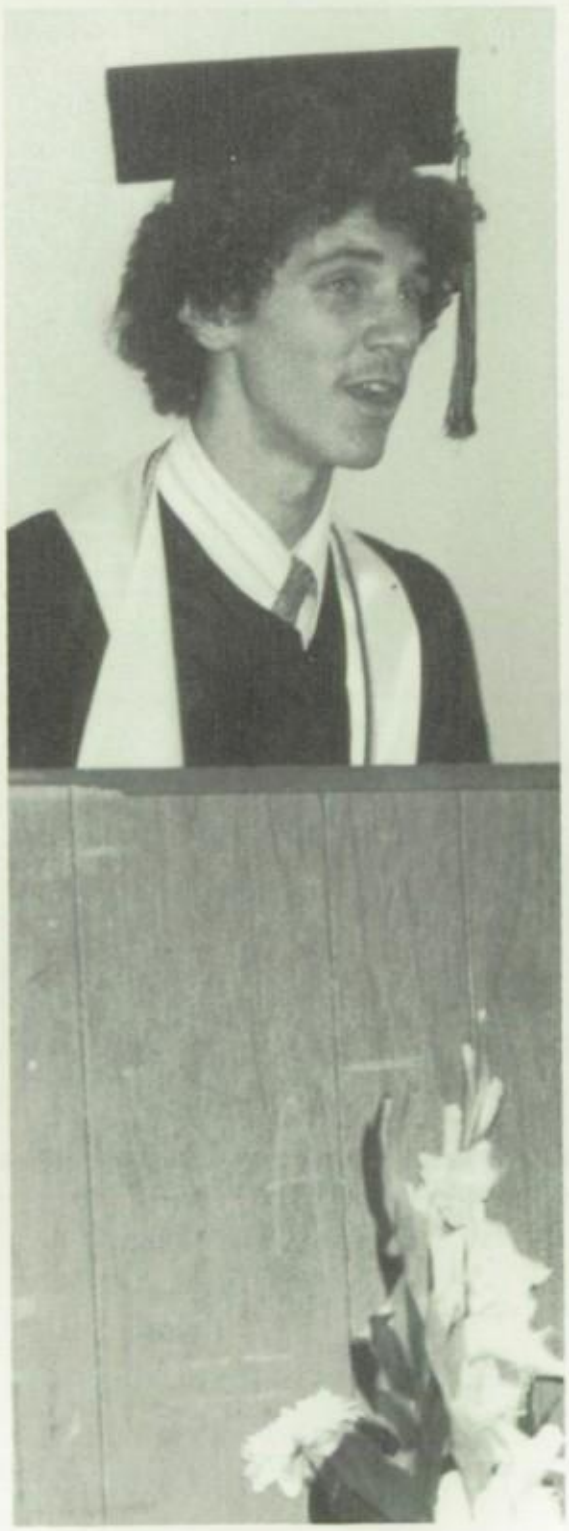
As you march onto the field, you cross through a portal carrying you away from your friends, school, and home. As you receive your diploma, for a fleeting second you stand alone, neither here nor there, but somewhere in between. Your school days are behind, but a new life beckons ahead. You think of what both mean to you. To leave the security of High School is rough, but you want to meet the challenges of life.

Junior Marshals Ricky Lipsey, Nicky Dronoff, and Glenn Adams lead the processional.

Dr. Malone announces the many accomplishments of the Class of '80.

Reverend Elbert Tyner, Pastor of Northside Baptist, asks God's blessings upon our class.

The first diploma was presented to Ruby Agee.



Salutatorian Rui DaCosta, returns us for a moment to "The Schoolyard."

The familiar strains of "Pomp and Circumstance" begin the ceremonies.

The diploma is in your hand, and the moment of decision is gone. You've decided to accept the challenge of life, forsaking the familiar. As birds leaving the comfortable nest, each senior breaks away from the Family of 1980 to begin new family relationships of your own making. It hurts to think you may see one another and maybe not. But you'll always share a common bond, for you are members of the Class of 1980.

The "haves" and "have-nots!"

Andrea assists Mr. Edwards with those all-important names.

One nation under God, indivisible . . .

"Welcome, parents, faculty members, honored guests, friends, and especially the Class of '80." Most Graduation evenings begin this way; and on Tuesday evening, June 17, we, again, heard these familiar words. Year after year the students graduating are spoken of as a "class." But the 235 people that march across the field at W.F. Edwards Stadium are more than just a class. They are our brothers and our sisters. They are a very special part of our lives. They're our friends and our teachers. We have learned as much from them as we have from our formal education.

We have known these people for most of our lives. We grew up with them — learning, loving, and living among them. As each Senior receives his/her diploma, they also take with them a part of our hearts. There are no words to describe our feelings toward them. Our years together are over.

But Graduation is not the end. It is only the beginning of a new family relationship. Each Graduate will live his/her own life, but, just as in our personal families, each member of the Class of '80 will not forget those they have left behind. They have touched us all, leaving an imprint on our lives.

Smiles and cheers come from the crowd as each name is called. At the beginning of the evening they were all still seniors, but in just a couple of short hours they are out of school. The days they shared will be only dreams to be cherished by all of us. Many of the smiles and cheers turn to tears as the graduates say good-bye to their friends . . . to their family at PCHS.

We will always remember you,
Our brothers and our sisters,
Our friends and our teachers,
All of those who make our family what it is . . .,
close.

Love,
The Underclassmen

Class President Andrea Williams leads her class in changing their tassels to "graduate" position.

Paul Brown looks forward to the "after-graduation" party.

Valedictorian, Susan Carver, stresses living for **today** not in anticipation of tomorrow.

Underclassmen give joyful hugs and congratulations.

"P" is for Proud Pasco Pirates.

Robin Knapp figures, "Well, I've waited 12 years for this diploma. What's another few minutes?"

Randy James, President of the Student Body of 1980, speaks on "The Time is Now: The Great Transition."

Dr. James Marlowe presents Penny Ammons with her diploma.

After waiting for 119 girls to receive their diplomas, the guys are glad to see their time has finally arrived.

My terrible grades to Tim McLeod, my books and locker to Tommy Wright and crazies to the teachers. (Kenny Wright)
My knowledge to my brother Wayne Wormack. (Willie Wormack)

Senior Day

A "pool" party is a "beach" party minus salt and sand!

Bet the Egyptians can't build a pyramid like this one!

"Let's see, after we pack the cup and the camera, all we'll need, Paula, is to pack the food," says Betsey.

Frogman Guy Olney takes a leap in the deep.

It was past 7:00 A.M., and I found myself still in bed. Oddly enough, I did not have the urge to rise. By 9:00 A.M. I'd risen, but I was still sleepy! This was the only day of the year when I, a senior, had permission to miss school. Many of us went to the beach, had cookouts and pool parties, and some kids crammed a weekend of fun into one day. We enjoyed the sun and fun and each other's company. For years to come we will remember *Senior Day* and the friends who shared it.

I just **know** Ms. Robinson is going to come out and send us all home for improper dress!

Juniors Class of '81

As Juniors we are the "in-betweens." We are to set an example for the Sophomores, but we don't yet have the privileges of the Seniors. For many students their Junior year may be the toughest academically because they want to ease the class load of their Senior year. Yet, their Junior year may prove to be the most fulfilling, in that they are no longer afraid to be themselves and have fun!

The whole Junior year is a construction period for the ultimate — a "perfect" prom. The Seniors expect it, and we, the Class of '81, can and *will* reach beyond their expectations!

This is a growing period in which we rise in self-esteem. Realizing that we experience this unique year only once, we will give it all we've got!

Sophomores Class of '82

Our Sophomore year at PCHS is a new experience. We are exposed to adult problems and also to a whole new group of people and ideas. We have a few difficulties, at first, like not being able to find room 203, but being in high school is more fun than anything else. As Sophomores we have to meet new friends, teachers, and administrators.

It's time now for us to begin setting our goals for the future. Without goals to meet, we cannot grow! This is an unforgettable year, but when we look back, we will see how much we've grown, matured, and stuck together!

I take this opportunity to wish all of you success in achieving your goals, whatever they may be, and, most importantly, future happiness!

The general theme of THE 1980 PIRATE is **family.** In my judgment, there could be no better perception of Pasco students than to consider their lives and work at their school as family oriented.

As we all know the family is the oldest human institution and is one of society's most basic units. A school family exists in almost every high school. However, some school families are more cohesive than others. There are about 1,000 people in the Pasco High family, including students, teachers, administrators, secretaries, custodians and cafeteria workers — interacting daily. Perhaps, due to our "country" campus setting, the Pasco High family is more closely knit than other school families.

In the final analysis, however, it is the students who make the school family what it is. The Pasco High family lives together, learns together, works together, meets together and even suffers together. All of these functions occur in an educational setting, and are usually positive rather than negative, healthy rather than sick and meaningful rather than harmful. All of us here are glad to share in this worthwhile family experience.

Sincerely yours,

Wayne C. Malone

If I Were a Student

I'd date the ugly girls — they'd appreciate it more.
I'd probably do the same things I did when I was a student.
I'd enjoy myself more.
And knew what I know now, I'd study to the point of *exhaustion!*
I wouldn't change a thing!
I'd be younger!
I would take advantage of all the wonderful opportunities students have today.
I'd enjoy it as much as the first time!
I would study harder so college would be easier.
I'd spend less time worrying about grades and *enjoy* being a student.
I'd buckle down and take homework *home!*
I'd keep a daily journal so that years later I could relive those funny and frantic moments of High School.
I'd put academics first and activities second.

I wouldn't give my teachers such a hard time.

I'd acquire more salable *skills.*
I wouldn't be so concerned with what others thought of me — I'd enjoy myself!!
I probably would repeat the things I did the first time around.
I'd get more involved in activities relating to my school.
I wouldn't waste as much time.
I'd respect the efforts of my classmates to a greater extent!

You know you're a teacher when . . .

Students tell you they *finally* understand.

You have the honor of receiving yearbook dedication.

In your first year of teaching you are repulsed by the immaturity of your not-much-younger-than-you students!

I hear the bells ring.

A former student tells you how much they appreciate and have used what you taught them.

I hear, "Ms. _____, you never *told* us there was going to be a test . . ."

You look forward to vacations as much as you did as a student.

Students call you "the old man."

You realize teaching is an art, not a science; a duty, not a business; a gift, not a calculated exchange.

I have to get up at 5:30 a.m.

Students are nice to you just before grades come out.

You find yourself *broke* every 2 weeks.

Students think you're 40 when you're *only* 23.

You've signed a contract.

The office tells you to turn in a 9-week lesson plan and you've only been on campus a week!

You sign blue admit slips at least 6 times a day.

A student develops a skill you've taught, that can be used the rest of their lives.

You yell at someone and they can't yell back!
Your paycheck arrives.
Your eyes go bad!
A student says, "I understand!"
You grade endless papers to meet a report card deadline.
You gain the respect of your students and feel like you've accomplished goals!
Your personal needs become secondary to those who need you more.
You have your own parking place.
Your teenage days are known as "way back when . . ."
You see a student pass your test with a feeling of accomplishment.
You see an "indifferent" student motivated to complete not only high school but other educational goals as well!

The funniest thing that happened in my

While teaching an elementary school class, I approached the podium to call roll. As I began my lesson, I suddenly felt something grab my knees! My first thought was a *monkey* had me. As I looked down, a small student came out. Needless to say, the kids loved it, and for the first time, I was speechless!

The expressions on my students faces when I dressed up for Hillbilly Day.

I had a Freudian slip while pronouncing "Teapot Dome."

I overheard two of my girls discussing their Friday night escapades — WOW!

A student came to homeroom late on a teacher planning day (no school) and apologized for being late!

I prefer not to say since some of the characters and I do mean "characters" are still around!

Would you believe nothing funny ever happens?!

Mr. Gentry brought a naked male mannequin, Clyde, to the Home Ec. Dept., supposedly for the male students. All *kinds* of things happened!

Censored — cannot be repeated!

An administrator (Dr. Malone) walked into my classroom as the students were setting up an "illegal" surprise party. *We* got the surprise!

Many cute and funny happenings which are the spice of life — a little *too* spicy sometimes.

I left the room momentarily and returned to a roomful of grins. Suddenly, I glanced in front of me and Susan Larkin had flipped her hair forward, put on a pair of ugly glasses and generally looked ridiculous. I broke up in laughter, as did the class! The most fun for them was waiting for me to discover her.

Students' excuses for not wanting to work in the medical clinic.

The doorknob fell off and we were

locked in the room.

Charlie Wubbena and Tony Dorman put on a pair of mirror sunglasses and their hats on sideways, and sat behind me — in full view of the class while I was teaching. I noticed the distraction, turned around and the class and I broke into hysterics.

My students moved the clock hands . . . ahead of course!

The day I locked all my keys in the filing cabinet, found there was no master key and promptly did the same thing the next day.

My director's baton flew out of my hand in the middle of a song and hit a kid in the head. (Wonder if *that* was a Freudian slip?)

As I leaned on my lectern it fell forward and I landed in the middle of my students.

The day one of my classes presented me a "pet rock."

We were doing some cleaning and I observed a girl rubbing her desk very gently. I suggested she "use a little more elbow grease" and her reply was, "O.K. Where is it?"

My words of Wisdom to the Class of '80

Become an *expert* at something.
Enjoy school and study hard; be kind.
Give the world the best you have and the best will come back to you.
Keep your goals high and your vision without bounds.
You have anything you want, if you're willing to work for it.
Think and then try.
Vote for the Democrats!
You can't succeed without trying.
Continue your education.
Prepare for a career which will enable you to maintain a lifestyle that has dignity.
Face life with a positive attitude.
Don't cut corners on education.
Be yourself . . . Live life to the fullest.
When things get tough, make a decision — good or bad — and hold your head high.
Accept change.
Work *hard.* It's a tough world.
Don't worry about it!
Take advantage of present opportunities without longing for the past or dreaming of the future.
Get a job.
Simply do your honest best. God, with joy, will do the rest. (James Whitcomb Riley)
Take the future seriously because it's just around the corner.
Budget your time wisely.
Buy a piece of Florida real estate!
Be happy.
There is a time for work and a time for play. Treat both wisely.
Be honest with everyone you meet and take pride in your accomplishments.
Embrace life; never withold your caring

are . . .

from others. Observe and appreciate the beauty in others and around you.

Prepare yourself well; the future holds a variety of challenges and opportunities.

Get as much academic and vocational training as possible.

It's a big world out there! Make sure you have something to offer.

No matter *how* successful you may become, our dreams and hopes for you will be greater. We want the *best* for you!

Ms. Deutscher just showered herself with Mr. McGregor's coffee!

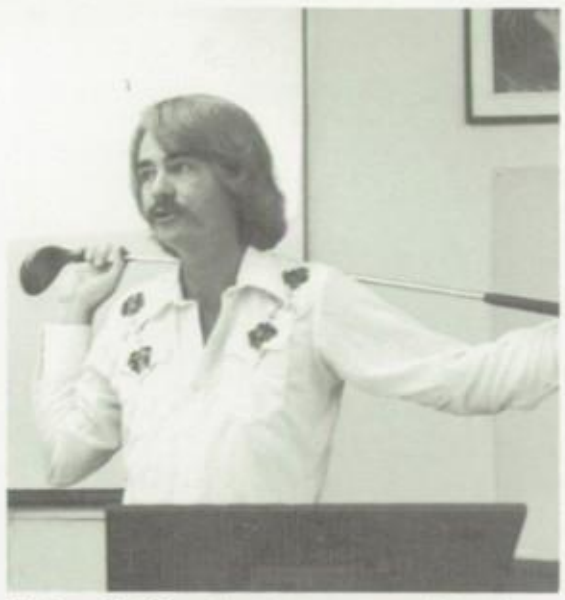
"No Sandra, I said 'beaker' not 'streaker'," replies Ms. Hughes.

That **must** be a jawbreaker in Coach Bowling's cheek!?

The thing I like most about PCHS is . . .

The students!
Working with students.
My time schedule; the teachers I work with.
My planning period.
The student body. No matter what the event, sport, or activity, they have a *winning* attitude!
Good Southern manners of the kids.
The spirit of *enthusiasm* — especially at Sports functions.
The friendly attitude of the students.
Students who work and accept responsibility.
A variety of subjects and activities are available.
The campus — separate work areas.
The congenial faculty.
There is little I dislike! I enjoy working here!
Students who enjoy life and are preparing themselves for the future.
When the chips are down, school spirit is the one thing that stands out.
The cooperation I get from students and co-workers.
That it's in Florida!!!
The privacy of the Band portable.
That overall, students are very respectful.
The freedom of creativity.
The progressive type of education that has evolved in the 10 years I've been here.
Summer vacations!

We found Ms. Stephens clowning around.



We know Mr. Connell makes a game out of learning — but Golf???

Mrs. Jones and Mrs. Keen share an "inside" joke.

Even Seniors need a little help at registration!

Now, the way I see it, a little more pay and a lot less kids . . .

To me, "Family" means . . .

Being individuals, yet having consideration for others' feelings.

Unity.

Helping others when they need it, yet teaching them to stand on their own feet. It's a co-op.

Togetherness, love, and understanding.

Life.

Those people who accept me without qualification, whether we're related or not.

Everything!

America.

Cherished moments spent with special people.

Love and acceptance without reservation.

Individuals creating situations which allow each member to know, feel, and love God and each other, thus becoming true friends to themselves!

Closeness.

A group of people living together, sharing love, accomplishments, interests, and disappointments with compassion and delight.

Love, warmth of home.

My husband, 2 kids, togetherness.

Relaxation.

The Band of Pirates!!!

Sharing, caring, and loving *all* its members *all* the time.

A place where I belong.

The people whom I love, with whom I live, play, work, and share my life.

JOY!

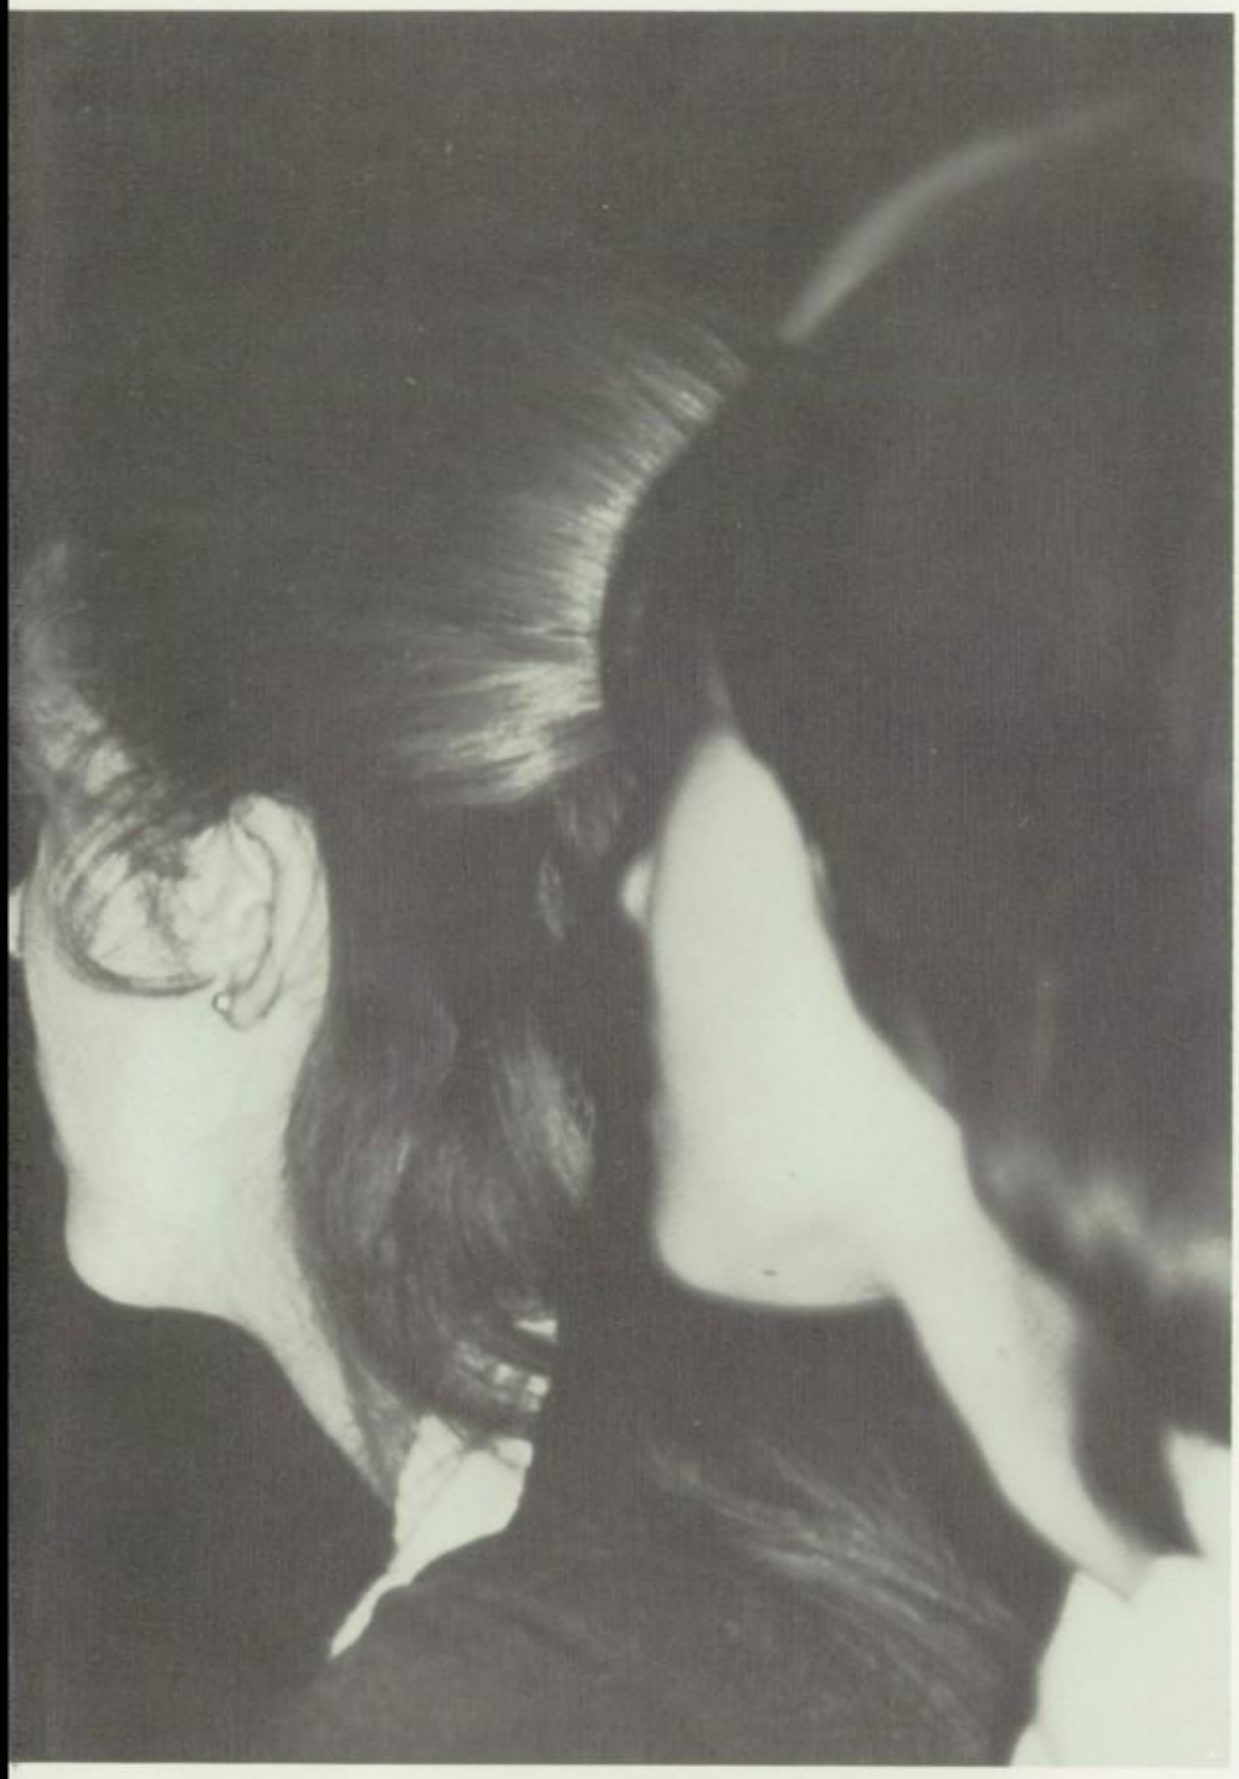
Our Family Reminisces

Conclusion 250
Editor's Message 256

At PCHS we stick together whether it be through the victories and defeats of competition, the thrill of some special event, or perhaps even more though the daily, side by side, working and learning together.

Our staff and administration serving as parent substitutes, worked us, loved us, disciplined us.

Our own parents not only gave us moral and financial support but patiently tolerated our changing moods.



THIS QUIET, NOISY PLACE

The empty echo resounds silently
off the wall.
  The noiseless crowds —
  The silent fans —
No sound is heard at all.

The chanting of the cheerleaders;
Responses from the crowd;
They're all there,
But no one dares
To say a word aloud.

The players and the coaches
No longer are on the field —
Where once they were stars,
But, now they're no longer
  top-billed.

The pain, the glory,
the victory,
No longer here abounds,
For they do fear to tarry here,
Among the silent sounds.
  Then —

One voice is heard.
One loyal fan does dare
To venture to the empty stands,
And bring his noises there.
He stands among the sun-swept rows
And says to the silent space.
  "How can I go?"
  "How can I leave this
  quiet, noisy place?"

With tear filled eyes and an
  empty heart,
He turns around to see
The cheering crowd,
The raving mass,
Once how it used to be.

Regretting that it had to pass,
He leaves, with a sudden haste,
The memoires that he once knew —
  In this quiet, noisy place.

Class of '80

This is also addressed to you - for you were (are) a very special part of my PCHS family.

Editor's Message

Yours truly!

(Bryan-Alan)

To my PCHS family:

As each of you looks back to your high school days recorded in this yearbook, I hope you will see that you were part of a very **special family.** You were there when others needed you, showing pride in their successes. When friends were down, you were there to lift them up. With cheerful smiles, you often turned sadness to joy. To some, you were close; to others, you were only a member of "our class." But it took each of us to make *"Our Family"* complete! I shall always be grateful to each of you for expanding my understanding of "family." A special "thanks" goes to Mrs. Jones who gave me the opportunity to express what family means to me, and to my staff for showing me how to live out that meaning.

As I look back at the time I have spent working on this book, I shall remember, with joy and happiness, how you gave me a feeling of belonging.

Now it is time for *"Our Family"* to part — sad as it may be. Just remember that "Life goes on, so *live* — not trying to understand your past, and not predicting your future — but live today to its fullest, for beauty lies within it."

Patty Linville
1980 editor

Love,
Patty Linville
editor.
1980

Russ "Tobbie" Nieradka: He held me together with strength and love, and the promise of a "future" family.

Mr. and Mrs. Roy L. Linville: They taught me to love and the meaning of "family." "Thanks, Mom and Dad."

My crazy — but loving — yearbook kids and a very special "mom" to each of us, Mrs. Margaret Jones.

The Linville Kids: Rodney, Patty, Russell, and Raymond.
